CLIENT TESTIMONIALS

EDWARD & MARGARET M. | BRONX, NY-January 15, 2021 Diane is an absolute gem! Could not ask for a better agent!

VICTORIA U. | BRONX, NY - October 28, 2020

Diane Capone is an exceptional personnel who goes above and beyond to make sure you are taken care of. I love the fact that she always tends to me no matter how many times I call, what time I call. She always answers my emails on time. I never have to wait to get an answer from her. And if she can't assist me, she has her sister/partner Rosemarie assist me. Diane and Rosemarie are so sweet, so professional and so knowledgeable, they make you feel comfortable and at ease through out the whole process. I could not have asked for a better experience. I would highly recommend Diane and Rosemarie to everyone I know because I know that they would give them one hundred percent like what they've given me.

LINDA G. | BRONX, NY - October 01, 2020
Diane was a joy to work with...Extremely knowledgeable about the community I lived in (which was a huge help in selling my house), intelligent, courteous, communicative and friendly. She has all the qualifications needed in a real estate agent working to help sell your home. I highly recommend Diane Capone! Thank you, Diane!

VACCINE CENTER AT YANKEE STADIUM

By now you have heard that Yankee Stadium is a vaccine distribution site for Bronxites only. If you are over the age of 65 and/or an essential worker, you can visit https://www.somosvaccinations.com/. Using the website to schedule your appointment for the COVID-19 vaccine is the quickest way to do so, please contact my office at (718) 892-1161 if you need any assistance.

NYC HRA – BURIAL ASSISTANCE

We all have been touched by this crisis. Because so many are not working, it is difficult to gather the resources to properly bury our loved ones. The City of New York Human Resources Administration recently increased funding for its Burial Assistance program to help New Yorkers regardless of immigration status. If you or loved one needs assistance, please dial (929) 252-7731. For those who are technologically able, you can complete the application by visiting this website on your computer or tablet: https://www1.nyc.gov/site/hra/help/burial-assistance.page.

SNOW REMOVAL TIPS

We can assist our Department of Sanitation by adhering to these regulations. When you shovel your property, please do not return the snow back onto the street. It will only place back the snow you removed from your driveway back to it. If you have a hydrant near your property, it is the responsibility of the property owner to shovel snow from it. All sidewalks must be cleared a few hours after the snow stops or you risk receiving a Department of Sanitation ticket. If you are elderly and could use shoveling help, I urge you to contact our office and our elected officials as in some cases there are limited number of volunteers who can help.

NYC COUNCILMAN MARK GJONAJ DISTRICT

13, BRONX: While more than ever businesses are struggling to keep their doors open and their employees on the books, I am glad that as Chair of NYC Council Committee on Small Business, I co-sponsored a bill that passed NYC Council, to extend the moratorium on the City enforcing storefront signage rules for another two years. The midst of a global health pandemic, is not the time to saddle our city's mom-and-pop shops with additional fees and

burdens. The COVID-19 vaccination is an important tool to help us get back to normal, but the shortage and difficulty to get an appointment and navigate the system is creating problems for seniors and other categories who are eligible. It is great to see that Montefiore-Einstein is now offering eligible individuals appointments for the vaccine. by calling 1-844-444-CV19 to schedule an appointment. Yankee Stadium continues to be a mass vaccination site open for Bronx residents by appointment only by calling 1.833.SOMOSNY or visiting somosvaccinations. Remember we have been with you throughout this pandemic and you can count on us with your issues, needs and concerns. We are proud that we have been able to assist so many in need in District 13 as we have given out over 81,000 food boxes, 66,000 masks and so much more. Although testing, taking the vaccine, masking and social distancing are all love language, please find ways to connect with your loved ones by calling and checking on them, support your local restaurants, your local flower shop or your bakery.
