Females like this will sell in our 48th Annual Sale. We will have an array of **Cow Calf Pairs, Bred Heifers and replacement females that are productive, profitable and, most importantly, affordable.** This sale has cattle that we are confident in selling that are the same quality that we would look to buy from other seedstock breeders. We stand behind our cattle 100% and will help any size breeder if they have questions and would like input in making selection decision for their program.

NOTE: Andreas Farms Inc. is a 6-generation farm. Having sold the 1200 cow dairy herd in 2020, the farm is pivoting into a grain farming operation. This auction represents excess farm & dairy equipment no longer needed for the ongoing farming needs. This equipment has a good service history with pieces in like new condition. Make plans to join us for the preview or auction day to upgrade your equipment needs prior to all spring work.

TERMS OF SALE: Payment in full sale day. Cash, Check, or Credit. 3% buyer's premium; waived for cash or check. Out of state buyer registration must be accompanied by a bank letter of credit. All items sold AS IS. Not responsible for accidents. Announcements made day of sale take precedence over printed material or any other oral statements made. Online bidding available; go to www.kaufman-auctions.com for online bidding terms & conditions.

The Original Universal PTO Quick-Connect System

"PTO Link has saved me so much time and hassle..."

"...it's changed the way I look at my work. I no longer dread connecting my implements and I can spend more time working my tractor instead of getting ready to use my tractor."

The Original Universal PTO Quick-Connect System

Safely connect/disconnect tractors and implements at the PTO in seconds.

Save Time & Frustration

Avoid back injuries, scraped knuckles, recurring delays and frustration attaching drivelines to the PTO

Easy To Install & Use

Interlocking male/female plate design instantly fits and adapts to existing 6-spline interface

Strong & Durable

Quality hardened alloy steel with special QPQSM coating to protect against rust and corrosion

Versatile

Rated for all tractors* up to 100 HP (90 HP at the PTO)

*540 RPM PTO with minimum shaft length of 3.25"
