VACCINE CENTER AT YANKEE STADIUM

By now you have heard that Yankee Stadium is a vaccine distribution site for Bronxites only. If you are over the age of 65 and/or an essential worker, you can visit <https://www.somosvaccinations.com/>. Using the website to schedule your appointment for the COVID-19 vaccine is the quickest way to do so, please contact my office at (718) 892-1161 if you need any assistance.

CITY OF NEW YORK ELECTIONS

You may have heard by now that primary elections in the City of New York will be held in June. Additionally, the City of New York is implementing "ranked choice" voting for the June primary elections. In short, NYC voters will have to rank as many as five candidates on a ballot from 1 through 5. Designating a candidate as your first choice gives that candidate one first place vote. Designating a candidate as your second choice gives that candidate one second place vote and so on. In order to win a candidate must receive more than 50% of first-choice votes. For more information, please see www.nycfb.info/nyc-votes/ranked-choice-voting/. It is never too soon to familiarize ourselves with this new process. As always, my office is here to help at (718) 892-1161 or bx10@cb.nyc.gov.

NYC COUNCILMAN MARK GJONAJ DISTRICT 13, BRONX: I hope you and your families are doing well as we have been dealing with another snowy week, in the midst of a pandemic that has brought hardships and uncertainties for so many in our communities. As Chair of NYC Council Small Business Committee, I am glad to see that indoor dining in New York City will be expanded to allow bars and restaurants to seat patrons at 35% capacity on

February 26th — marking a 10% increase since inside seating resumed on February 12th, still lower than neighboring Westchester and Long Island which are allowed to open at 50%. The COVID-19 vaccines an important tool to help us get back to normalcy, is still facing a dysfunctional system, with not enough appointments and confusing to seniors and those who have no access to internet and technology. This week, the City announced a more unified scheduling website that can be accessed for vaccination appointments at vax4nyc.nyc.gov In the end, I wanted to share some important news, while public service has been the most humbling and rewarding experience in my life, it has also been the most challenging. Serving our community and neighborhoods in my current capacity as a NYC Council Member and previously as a NYS Assembly Member have been an honor and privilege. Although I have worked hard and much has been achieved, I have decided to finish out my term and not seek re-election in the City Council. Please read my full statement below. As always, please do not hesitate to contact my office with any issues or concerns at 718-931-1721 or email at MGjonaj@council.nyc.gov.

This is an optional tax refund-related loan from MetaBank®, N.A.; it is not your tax refund. Loans are offered in amounts of \$250, \$500, \$750, \$1,250 or \$3,500. Approval and loan amount based on expected refund amount, eligibility criteria, and underwriting. If approved, funds will be loaded on a prepaid card and the loan amount will be deducted from your tax refund, reducing the amount paid directly to you. Tax returns may be e-filed without applying for this loan. Fees for other optional products or product features may apply. Limited time offer at participating locations. HRB Maine License No. FRA2.
