MARCH 16 & 18: Cornell Cooperative Extension of Allegany County Farm Disaster Preparation Certificate Training, 6:30-9 PM via Zoom. Program will help farm owners plan for and manage disasters that might occur. Focuses on practical pre-disaster education and preparedness, regarding farm equipment safety on the road, fire or structure collapse, storm and wind damage, criminal activity, farm chemical risks and biosecurity. Farms that complete the Farm Disaster Preparation training will receive a certificate to provide to their insurer and may be eligible for a credit or discount toward the farm's annual insurance premium. The value of the credit or discount will vary according to individual policies and policyholder circumstances but can be up to a 10 percent discount. The Farm Disaster Preparation Certificate is directed to all sizes of farms and all types of products. Dairy and livestock farms are especially encouraged to participate in the program due to their additional concerns regarding animal agriculture. The person represent a farm should be the insurance policyholder; other key farm personnel are welcome. You must attend both sessions for certificate. Space is limited and **pre-registration is requested by March 3rd** to allow time for mailing resource materials. \$35 fee per farm. For information or to pre-register contact Lynn Bliven at 585-268-7644 ext. 18 or email atlao3@cornell.edu.

SATURDAY, MAR. 27: Nunda VFW Post 8961 *Drive Thru Spaghetti Dinner*, 4-6 PM at *Kish-a-Wa Creamery*, 9006 Route 408, Nunda. Serving spaghetti, meatballs, roll and a cookie. \$5 per person ahead of time, \$7 at the door. Tickets are available by an Auxiliary member, at Grizzly's in Hunt or by calling Sarah at 585-704-6146.

This page is donated as a public service by the Mount Morris Shopper for use by various organizations and groups to announce at no charge, non-profit coming events in the Mount Morris area.

Thursday: 4:00pm-6:30pm
Friday: 9:00am-1:00pm / 2:00pm-4:30pm

Kaytlyn Hall, Tax Collector
Town of Nunda

SPEAK OUT

Dear "Speak Out,"

We continue in week four of our study of our United States Constitution.

This week we continue with Article I - Section 2 - Clause 3 which reads "The Number of Representatives shall not exceed one for every thirty thousand, but each State shall have at Least one Representative; and until such enumeration shall be made, the State of New Hampshire shall be entitled to chuse three, Massachusetts eight, Rhode-Island and Providence Plantations one, Connecticut five, New-York six, New Jersey four, Pennsylvania eight, Delaware one, Maryland six, Virginia ten, North Carolina five, South Carolina five, and Georgia three."

The population of the United States of America in the 1790 Federal Census was 3,929,214. The population of the United States of America in the 2010 Federal Census was 308,401,808. The 2020 Federal Census has not been fully tabulated but is thought to be about 332,600,000.

Therefore, because of the tremendous increase of our population, today a congressional district is comprised of approximately 700,000 people. Because the population in each individual state changes over time, federal law automatically reapportions each district as a result of each ten year federal census. This often means a congressional district's demographic size and borders must be change over time.

Because the House of Representatives wanted a manageable number of members, Congress twice set the size of the House at 435 voting members and later permanently set the maximum number of representatives at 435. Article I - Section 2 - Clause 4 reads "When vacancies happen in the Representation from any State, the Executive Authority thereof shall issue Writs of Election to fill such Vacancies."

As we have become very aware in the recent past, some representatives decide not to run for reelection and some die and must be replaced. Article I - Section 2 - Clause 5 reads "The House of Representatives shall chuse their Speaker and other Officers; and shall have the sole Power of Impeachment."

The representatives in the House of Representatives have the authority to chose who will be the Speaker of the House and the leaders of both the majority and the minority. We have recently become very aware that the House has the sole power of impeachment. This power does not only control impeachments of sitting presidents but also controls impeachment of sitting judges and other officials in our federal government.

The founding fathers established that although the House has the power to impeach, there are checks and balances where the Senate controls impeachment trials and can convict or acquit. Our Constitution has many checks and balances which prevent one branch of government from gaining too much power as did the government in England from which we did not wish to duplicate. Article I - Section 3 - Clause 1 reads "The Senate of the United States shall be composed of two Senators from each State, chosen by the Legislature thereof, for six Years; and each Senator shall have one Vote."

As I mentioned earlier United States Senators are elected for six year terms of office and one third are reelected every two years so all one hundred will be reelected during six years. The concept of two senators for each state began when the small states during the Constitutional Convention objected to the idea that the larger states would have more influence in the House of Representatives who are elected by the number of citizens.

Lord willing, we will continue our study next week.

Ron Powell
Nunda

~ Thank You ~

The Mount Morris Garden Club would like to thank Mayor Provo, D. P. W. Chief Chris Young and the Village Crew.

We appreciate that you attend Garden Club meetings, provide updates on projects such as cleaning up the border at the Mount Morris Library foundation, and many other ventures related to the ongoing beautification of Mount Morris.

More thanks to Mayor Provo for all the grants he wrote that paid for trees and other beautification pieces at the Boat Launch.

Again, thanks to our Village D. P. W. Crew for its diligence when the Garden Club needed its help: mulching, removing bags of brush after a clean-up and transporting our annual flower pots from Main Street to a safe winter location.

With deepest appreciation,
Mount Morris Garden Club

Beat the Winter Blues

According to the National Alliance on Mental Illness (NAMI), some people may feel blue or experience seasonal depression during the winter months.

The following can be early warning signs of seasonal depression:

- ◆ Excessive sleeping or inability to sleep.
- ◆ Significant weight loss or gain.
- ◆ Severe fatigue or loss of energy.
- ◆ Feelings of worthlessness or guilt.
- ◆ Difficulty thinking or concentrating, or indecisiveness.

Here are some self-care tips that might help to raise our spirits and avoid the winter blues. See a mental health professional if sadness doesn't go away or interferes with your daily life: ◆ Go to a movie, take a walk, go ice-skating or do other activities you normally enjoy. ◆ Get out in the sunlight or brightly lit spaces, especially early in the day. ◆ Try to spend time with other people and confide in a trusted friend or relative. ◆ Eat nutritious foods, and avoid overloading on carbohydrates like cookies and candies. ◆ Be patient. You won't suddenly "snap out of" depression. Your mood will improve gradually. ◆ If you have thoughts of suicide, get help right away. Call 2-1-1 or the toll-free National Suicide Prevention Lifeline at 1-800-273-TALK (8255). Source: National Institutes of Health For more information on seasonal depression or the winter blues, please contact the Livingston County Mental Health at 243-7520.

Re-elect Frank Provo Mount Morris Village Mayor

Dear Residents,

I am asking for a second term as Village Mayor. My party line name is "Mount Morris First". I chose this name because I believe Mount Morris is a great community to live in with much to offer.

I am retired and available to perform the fulltime functions of Mayor. I have demonstrated I am fiscally responsible and have worked to maintain services while holding the line on raising taxes. I was employed with Eastman Kodak for 39 years and have brought to the Village my work ethic and responsible leadership which I require from department supervision.

I am a big believer in quality of life issues. I work closely with the Partners for Progress and the Partners Garden Club to maintain our public spaces. I heard the public request for safer streets and successfully received a grant to perform a study that the village can use to apply for funding to make future improvements. I have been on County committees to address water and wastewater systems and economic programs. I believe it is important that Mount Morris maintains a voice at the County Level.

Many people are finding our community is a great place to live, buy a home and raise a family.

Items that have been addressed over my first term:

\$113,061.00 payment for previous under reporting to the Police Retirement System required the Village to make an additional one-time payment. Police & Fire Retirement, Mayor's Report May & June 2019.

Multiple legal issues that required large amount of tax dollars to defend that have been eliminated:

\$16,106.41 Attorney contractual Mayor's Report May 2017
\$45,905.53 Attorney contractual Mayor's Report May 2018
\$33,972.13 Attorney contractual Mayor's Report May 2019
\$191.00 Attorney contractual Mayor's Report May 2020
\$1,544.50 Attorney contractual Mayor's Report January 2021

Midyear's increase in insurance premium to maintain coverage after major settlement:

\$19,330.99 Unallocated insurance Mayor's Report May 2020

Reduction in amount of Short Term Outstanding Debt:

\$4,492,504.75 Mayor's Report June 2017
\$2,991,848.00 Projection June 2021 \$145,000 Fire Hall Bond covered by Fire District Mayor's Report January 2021
\$2,266,848.00 is a major portion of Outstanding Debt. 0% bonds with the Sewer Fund
\$725,000.00 is the Outstanding Debt for the Water Fund.

Over the past 4 years, we've made many improvements. Just a few are listed with still much to complete:

- New Phone system and auto attendant to direct calls more efficiently
- Purchase our electricity and Natural Gas from Marathon Energy which has saved thousands of dollars
- Replaced Village lighting fixtures with LED bulbs
- Final stages of purchasing the Streetlight system and updating to LED fixtures
- Completed the installation program of the radio read Water meters which started in 2013
- Installed new monitoring system to improve DEC compliance at the Wastewater treatment plant

Returned integrity and direction back to the Police Department:

- New leadership with Interim Police Chief Rich White and Current Police Chief Jeff Wiedrick:
- Promoted Officer Melody Gates to Sergeant
- Purchased a new Police Vehicle with cash

Paid for by Frank M. Provo

Other Improvements:

- Worked with the County Land Bank to remove a house at 7 Grove Street
- Worked with the Greenway State Park to remove the beanery
- Completed improvements on the Greenway
- Final stages of completing the Boat Launch Park
- Reinstated the Recreation Committee and provided the committee with their own enterprise fund
- Final stages of the Rt 36 Mount Morris/Leicester transportation study
- Participated with the Partners for Progress, the Partners Garden group, and Letchworth Gateway Villages

Any questions or comments may be directed to fprovo@rochester.rr.com

Heat energy minded individuals wanted! Are you looking for a position in the commercial HVAC environment that provides guaranteed 40 hours a week, remarkable benefits, a promising retirement, and competitive starting wages with the opportunity for development and growth in your career? SUNY Geneseo might be just the right fit for you!

Full-Time Plant Utilities Engineer 1

As a Plant Utilities Engineer 1, you will work as a member of the Department of Facilities Services to provide quality maintenance services that assure safe, reliable, and comfortable buildings throughout the campus. Applicants must possess the ability to: perform medium to heavy manual labor, climb ladders and scaffolds, stand, stoop, bend and stretch for long periods of time. Applicants must meet the requirements of competitive NYS Civil Service found at: <https://www.cs.ny.gov/examannouncements/announcements/oc-cr/decentralized/20-450.cfm>. Residential or commercial HVAC experience is preferred.

Our Plant Utilities Engineers enjoy excellent State of New York employee health benefits, sick and vacation time along with the opportunity to work with a vast and diverse amount of HVAC systems ranging from steam, hydronic, and refrigerant; just to name a few.

To apply, please submit an application online at <https://jobs.geneseo.edu/postings/3230> and submit your NYS Civil Service application to **1 College Circle, Doty 318, Geneseo, NY 14454** or fax to **(585) 245-5998**.

If you need assistance, please call Human Resources at (585) 245-5616. SUNY Geneseo is an Equal Opportunity/Affirmative Action Employer. SUNY Geneseo is committed to fostering a diverse community of outstanding students, faculty, staff, and administration. We recruit, hire, train, and promote persons in all positions and ensure that all other personnel actions are conducted without regard to race, religion, color, national origin, citizenship, sex, sexual orientation, gender identity, age, veteran status, disability, genetic information, or any other protected characteristic. For our full non-discrimination statement see: <https://www.geneseo.edu/affirmativeaction>

GENESEO

ARE YOU RECEIVING

**your
