GET COVERED NYC

Many of us know someone in need of health insurance – especially because of a recent job loss. The City of New York offers its own health insurance program for uninsured residents. The special enrollment period was extended to May 15, 2021. To apply, visit www1.nyc.gov/nyc-resources/get-covered. p ageon your mobile phone, computer or tablet. As always, you may apply by simply dialing 311. If you run into any obstacles, contact my office immediately.

STREET RESURFACING REQUESTS FOR FISCAL YEAR 22

It is that time of the year where our office submits our annual list of local streets that need repaving. If you live on a street that has one too many potholes and crevices in the roadway, please let us know at either (718) 892-1161 or bx10@cb.nyc.gov. If you choose to email us, sending a picture of the street condition would be very helpful. Please be mindful that some of the streets in our community have no sidewalks. Sidewalks are required by law for every property. If you request a street repaving on a street with no sidewalks, the City may construct a sidewalk for you and then bill the property owner(s) on their property taxes the following year. When in doubt, call us before submitting a request to our office.

NYC HRA – BURIAL ASSISTANCE

We are all touched by this crisis. Because so many are not working, it is difficult to gather the resources to properly bury our loved ones. The City of New York Human Resources Administration recently increased funding for its Burial Assistance program to help New Yorkers regardless of immigration status. If you or loved one needs assistance, please dial (929) 252-7731. For those who are technologically able, you can complete the application by visiting this website on your computer or tablet: https://www1.nyc.gov/assets/hra/downloads/pdf/benefits/burial_claim_app_en.pdf.

NYC COUNCILMAN MARK GJONAJ DISTRICT 13, BRONX: I hope you and you and your families are doing well while we are coping with the COVID-19 pandemic, it's new variants and the economic devastation that has impacted our communities. As we are intensifying our efforts for more vaccines, a simpler system and expand the eligibility categories, I am proud

that two bills that I co-sponsored to require the City develop and implement a COVID-19 vaccine plan for homebound seniors who have limited mobility and access to this life saving vaccine, was voted in NYC Council. As a community we have an obligation to our most vulnerable, a commitment the Council and I affirmed by introducing and passing this bill. I am proud that my office has been helping so many constituents in the eligible categories to get appointments to get the vaccine at Jacobi Hospital, Yankee Stadium and the NYCHA developments in the District. We are humbled to be serving those in need in our communities and this week we gave away over 7,300 food boxes to families and seniors in need in our District, we conducted two rapid testing sites to help stop the spread, as well as in partnership with UrbanD Upbound we continued In-Person Free Tax Preparation in Morris Park and City Island by appointment only. We have been with you throughout this pandemic and will continue to be with you. Please do not hesitate to contact my office with any issues or concerns at 718-931-1721 or email at MGjonaj@council.nyc.gov.
