MARCH 16 & 18: Cornell Cooperative Extension of Allegany County *Farm Disaster Preparation Certificate Training*, 6:30-9 PM via Zoom. Program will help farm owners plan for and manage disasters that might occur. Focuses on practical pre-disaster education and preparedness, regarding farm equipment safety on the road, fire or structure collapse, storm and wind damage, criminal activity, farm chemical risks and biosecurity. Farms that complete the Farm Disaster Preparation training will receive a certificate to provide to their insurer and may be eligible for a credit or discount toward the farm's annual insurance premium. The value of the credit or discount will vary according to individual policies and policyholder circumstances but can be up to a 10 percent discount. The Farm Disaster Preparation Certificate is directed to all sizes of farms and all types of products. Dairy and livestock farms are especially encouraged to participate in the program due to their additional concerns regarding animal agriculture. The person represent a farm should be the insurance policyholder; other key farm personnel are welcome. You must attend both sessions for certificate. Space is limited and **pre-registration is requested by March 3rd** to allow time for mailing resource materials. \$35 fee per farm. For information or to pre-register contact Lynn Bliven at 585-268-7644 ext. 18 or email atlao3@cornell.edu.

Re-Elect Frank Provo Mount Morris Village Mayor

★ Residents, I am asking for a second term as Village Mayor. My party line name is **"Mount Morris First."** I chose this name because I believe Mount Morris is a great community to live in with much to offer. ★

★ I am retired and available to perform the fulltime functions of Mayor. I have demonstrated I am fiscally responsible and have worked to maintain services while holding the line on raising taxes. I was employed with Eastman Kodak for 39 years and have brought to the Village my work ethic and responsible leadership which I require from department supervision. ★

★ Looking forward, these are my visions of projects: ★

- ★ * With the majority of debt completed, start a succession plan to replace Village equipment. ★
- ★ * Continue to look for funding options to rebuild Murray Street. ★
- ★ * Complete Water and Wastewater Plant upgrades. ★
- ★ * Complete the installation of energy efficient LED streetlights. ★
- ★ * Continue to address vacant structures in the Village. ★
- ★ * Work with the Greenway State Park for a welcome center in Mount Morris. ★
- ★ * Completing the Boat Launch Park. ★
- ★ * Continue to look for grants to improve Bellamy Park. ★
- ★ * Implement findings from the Rt 36 Mount Morris/Leicester transportation study. ★
- ★ * Participate with the Partners for Progress and the garden club, for additional beautification enhancement projects. ★
- ★ * Update the Village's Comprehensive Plan (current plan created in 1997). ★

★ Any questions or comments can be directed to fprovo@rochester.rr.com ★

Mount Morris First,
Mayor Frank M. Provo ★

SPEAK OUT

Dear "Speak Out,"

We continue with week five of our study of our United States Constitution. This week we continue with the section regarding the Senate in Article I – Section 3 – Clause 2 which reads "Immediately after they shall be assembled in Consequence of the first Election, they shall be divided as equally as may be into three Classes."

The Seats of the Senators of the first Class shall be vacated at the Expiration of the second Year, of the second Class at the Expiration of the fourth Year, and of the third Class at the Expiration of the sixth Year, so that one third may be chosen every second Year; and if Vacancies happen by Resignation, or otherwise, during the Recess of the Legislature of any State, the Executive thereof may make temporary Appointments until the next Meeting of the Legislature, which shall then fill such Vacancies."

As I mentioned earlier one third of the Senate is elected every two years with the goal of all one hundred senators being elected over a six year period of time which is the term of office of a senator. The Executive Branch of each state may make temporary appointments when the Legislature of a state is in recess, and when the Legislature reconvenes, it may appoint a replacement to fill the vacancy until the next election. Article I – Section 3 – Clause 3 reads "No Person shall be a Senator who shall not have attained to the Age of thirty Years, and been nine Years a Citizen of the United States, and who shall not, when elected, be an Inhabitant of that State for which he shall be chosen."

Again the founders desired to assure that any candidate for the Senate would be of a mature enough age to make wise decisions. They also established residency requirements for each senator. Article I – Section 3 – Clause 4 reads "The Vice President of the United States shall be President of the Senate, but shall have no Vote, unless they be equally divided."

We have seen the Vice President presiding over the Senate during the recent counting of the votes of the Electoral College. Also our new Vice President cast a tie breaking vote when the Senate was equally divided 50 to 50. Article I – Section 3 – Clause 5 reads "The Senate shall choose their other Officers, and also a President pro tempore, in the Absence of the Vice President, or when he shall exercise the Office of President of the United States." The Senate Majority Leader represents the majority of the Senate while the Senate Minority Leader represents the minority of the Senate. The President pro tempore is the leader of the Senate in the absence of the Vice President. Article I – Section 3 – Clause 6 reads "The Senate shall have the sole Power to try all Impeachments. When sitting for that Purpose, they shall be on Oath or Affirmation."

When the President of the United States is tried, the Chief Justice shall preside: And no Person shall be convicted without the Concurrence of two thirds of the Members present." An oath is a promise to a deity and an affirmation is a pledge on one's personal honor. Both are legally binding promises to tell the truth and subject the oath-taker to penalties of perjury.

As I mentioned earlier the House of Representatives possesses the sole power of impeachment and the Senate is in charge of impeachment trials. Two thirds of the Senate must submit a guilty vote to convict. Lord willing, we will study Article I – Section 3 – Clause 7 next week. I believe anyone reading the Constitution will see its provisions to protect we citizens. I would very much enjoy any and all comments on my articles.

HACCP Certification – Intro Level

This four-day introductory Hazard Analysis and Critical Control Points (HACCP) certification training is an excellent supplement to the FDA recognized course by the FSPCA, Preventive Controls Qualified for Human Food (PCQH) Training.

Taught by International HACCP Alliance Lead Instructor, Deborah Shapos, participants will gain an understanding of the tools necessary to build a current, risk-based HACCP Food Safety Plan by:

1. Understanding pre-requisite programs and how they provide a foundation to any HACCP Food Safety Plan;
2. Recognizing the hazards that can cause foodborne illnesses;
3. Determine hazards relevant to the food, process and environment;
4. Understand how to build a risk-based HACCP;
5. Key factors to building the HACCP Plan.

Notary Public Review

This course will demystify the office of notary public. For anyone planning to take New York's notary public examination, and for commissioned notaries who want to improve their understanding of regulations, this seminar will use plain English to clarify laws, concepts and procedures. You will learn how to avoid conflicts of interest, maintain professional ethics, establish proper fees, minimize legal liability, handle special situations and more. To become a notary, you must be at least 18 years of age and either reside in New York or engage in business in the state.

SUNY GCC - Online via Zoom • Fee \$69

New ONLINE offerings in healthcare, software development and more!

The BEST Center has partnered with Condensed Curriculum International to bring you a wider variety of certification programs ONLINE! Getting started is easy! All of our programs have opportunities for national certification, externship placement and/or career support. For some programs, the content is facilitated by live instructors with scheduled webinars and interactive activities. You'll even have the opportunity to do in-class labs and hands-on activities as required by your program.

Superior Content in a Convenient, Self-Paced or Hybrid Online Format

All Learners have access to our team of program mentors and subject matter experts / professionals. Many programs even include LIVE sessions with Instructors. Learners are encouraged to complete assignments, collaborate with instructors and students in discussion threads, and to participate in the extensive labs, activities, and exercises throughout their program.

Secure Online Transactions & Payment Plans Available

Our eLearning programs were designed to be short-term training solutions available at an affordable, accessible price. Contact us today to find out more about various payment options and funding sources available.

Comprehensive Student Materials - Shipped Direct to You!

eLearning programs may require certain student materials including textbooks, eBooks, workbooks, handouts and other materials associated with your selected program. All hard copy materials will be shipped to you at your address and access to all electronic content accompanies your eLearning program access.

Extensive Learner Support

Learners have unlimited access to technical and program support through our network of student mentors and instructor resources - all dedicated to ensuring you have access to the necessary support to successfully complete your eLearning program!

Certification Opportunities

Although not required to successfully complete your program, the goal of most of these programs is to prepare students for national certification. Our team of student mentors works with students, instructors and certification organizations to ensure that students interested in pursuing certification have the necessary resources to register, prepare, and take their certification exams. Our Learner Support team is standing by to help guide students through all applicable certification processes.

Optional Volunteer Externship Opportunity

Once you've completed the program requirements, a dedicated Externship Coordinator will reach out to you to arrange an externship with a local employer or organization in your chosen field. This is a great opportunity to get the hands-on, real-world experience employers are looking for!

Career Services & Support

From our partners at CampusEd™, all Learners will have access to this exclusive new platform aimed at connecting Learners to jobs. CampusEd™ lets you plan your education experience, build a professional network, apply to jobs and earn in-demand credentials important to local companies looking for new employees just like you!
