**313.885.9470**

This is neither an offer to sell nor a solicitation to buy any security. A credit rating of a security is not a recommendation to buy, sell or hold securities and may be subject to review, revisions, suspension, reduction or withdrawal at any time by the assigning rating agency. A decision to purchase the Bonds is an investment decision that should only be made after a complete review and understanding of the terms of the Bonds, including investment risks. No decision should be made prior to receipt and review of the Preliminary Official Statement and applicable pricing information. Raymond James & Associates, Inc., member New York Stock Exchange/SIPC.

BREAKING NEWS...

# Men's Virility Restored in Clinical Trial; 275% More Blood Flow in 5 Minutes

A newly improved version of America's best-selling male performance enhancer gives 70-year-old men the bedroom performance they enjoyed in their 30's.

America's best-selling sexual performance enhancer just got a lot better.

It's the latest breakthrough for nitric oxide - the molecule that makes erections possible by increasing blood flow to your penis.

Nitric oxide won the Nobel Prize in 1998. It's why "the little blue pill" works. More than 200,000 studies confirm it's the key to superior sexual performance.

And this new discovery increases nitric oxide availability resulting in even quicker, stronger and longer-lasting erections.

One double-blind, placebo-controlled study (the "gold-standard" of research) involved a group of 70-year-old-men.

They didn't exercise. They didn't eat healthy. And researchers reported their "nitric oxide availability was almost totally compromised," resulting in blood flow less than HALF of a man in peak sexual health.

But only five minutes after the first dose their blood flow increased 275%, back to levels of a perfectly healthy 31-year-old man! "It's amazing," remarks nitric oxide expert Dr. Al Sears. "That's like giving 70-year-old men the sexual power of 30-year-olds."

### WHY SO MUCH EXCITEMENT?

Despite the billions men spend annually on older nitric oxide therapies, there's one well-known problem with them.

They don't always work.

A very distinguished and awarded doctor practicing at a prestigious Massachusetts hospital who has studied Nitric Oxide for over 43 years states a "deficiency of bioactive nitric oxide... leads to impaired endothelium-dependent vasorelaxation."

In plain English, these older products may increase levels of nitric oxide. But that's only half the battle. If it's not bioactively available then your body can't absorb it to produce an erection.

Experts simply call it the nitric oxide "glitch." And until now, there's never been a solution.

### NEXT GENERATION NITRIC OXIDE FORMULA FLYING OFF SHELVES

Upon further research, America's No. 1 men's health expert Dr. Al Sears discovered certain nutrients fix this "glitch" resulting in 275% better blood flow.

He's combined those nutrients with proven nitric oxide boosters in a new formula called *Primal Max Red*. In clinical trials, 5,000 mg is required for satisfying sexual performance.

A new discovery that increases nitric oxide availability was recently proven in a clinical trial to boost blood flow 275% resulting in even quicker, stronger and longer-lasting erections.

*Primal Max Red* contains a bigger, 9,000 mg per serving dose. It's become so popular, he's having trouble keeping it in stock.

Dr. Sears is the author of more than 500 scientific papers. Thousands of people listened to him speak at the recent Palm Beach Health & Wellness Festival featuring Dr. Oz. NFL Hall of Fame quarterback Joe Namath recently visited his clinic, the **Sears Institute for Anti-Aging Medicine**.

*Primal Max Red* has only been available for a few months - but everyone who takes it reports a big difference. "I have the energy to have sex three times in one day, WOW! That has not happened in years. Oh, by the way I am 62," says Jonathan K. from Birmingham, AL.

### HOW IT WORKS

Loss of erection power starts with your blood vessels. Specifically, the inside layer called the endothelium where nitric oxide is made.

The problem is various factors THICKEN your blood vessels as you age. This blocks availability causing the nitric oxide "glitch." The result is difficulty in getting and sustaining a healthy erection.

How bad is the problem?

Researcher shows the typical 40-year-old man absorbs 50% less nitric oxide. At 50, that drops to 25%. And once you pass 60 just a measly 15% gets through.

To make matters worse, nitric oxide levels start declining in your 30's. And by 70, nitric oxide production is down an alarming 75%.

*Primal Max Red* is the first formula to tackle both problems. Combining powerful nitric oxide boosters and a proven delivery mechanism that defeats the nitric oxide "glitch" resulting in 275% better blood flow and stronger erections. There's not enough space here to fully explain how it works, so Dr. Sears will send anyone who orders *Primal Max Red* a free special report that explains everything.

### MORE CLINICAL RESULTS

Nutrients in *Primal Max Red* have logged impressive results.

In a *Journal of Applied Physiology* study, one resulted in a 30 times MORE nitric oxide. And these increased levels lasted up to 12 hours.

"I measured my nitric oxide levels, you can buy a test kit from Amazon," reports 48-year-old Jeff O. "Monday night I showed depleted."

Then he used ingredients in *Primal Max Red* and, "The results were off the charts. I first woke around 3 a.m. on Tuesday with a throbbing boner. My nitric oxide levels measured at the top end of the range."

### FREE BONUS TESTOSTERONE BOOSTER

Every order also gets Dr. Sears testosterone boosting formula *Primal Max Black* for free.

"If you want passionate 'rip your clothes off' sex you had in your younger days, you need nitric oxide to get your erection going. And testosterone for energy and drive," says Dr. Sears. "You get both with *Primal Max Red* and *Primal Max Black*."

### HOW TO GET PRIMAL MAX

To secure free bottles of *Primal Max Black* and get the hot, new *Primal Max Red* formula, buyers should contact the Sears Health Hotline at 1-800-895-4978 within the next 48 hours. "It's not available in drug stores yet," says Dr. Sears. "The Hotline allows us to ship directly to the customer."

Dr. Sears feels so strongly about *Primal Max*, all orders are backed by a 100% money-back guarantee. "Just send me back the bottle and any unused product within 90 days from purchase date, and I'll send you all your money back," he says.

The Hotline will be open for the next 48 hours. After that, the phone number will be shut down to allow them to restock. Call 1-800-895-4978 to secure your limited supply of *Primal Max Red* and free bottles of *Primal Max Black*. You don't need a prescription, and those who call in the first 24 hours qualify for a significant discount. Use Promo Code NP0321PMAX96 when you call in. Lines are frequently busy, but all calls will be answered.

THESE STATEMENTS HAVE NOT BEEN EVALUATED BY THE FOOD AND DRUG ADMINISTRATION. THIS PRODUCT IS NOT INTENDED TO DIAGNOSE, TREAT, CURE OR PREVENT ANY DISEASE. RESULTS MAY VARY

# COMPLEX SPINE SURGERY MADE SIMPLE

- Quicker Recovery
- Minimally Invasive
- 24 Hour Hospital Stay
- Innovative Technology

## **Timothy E. Spencer, D.O.**

- Board Certified Neurosurgeon
- Doctor of Osteopathic Medicine, Kirksville College of Osteopathic Medicine, MO
- Fellowship in Neurovascular/Skull Base Surgery Neurosurgical Foundation, IL
- Chief of Neurosurgery, Brooke Army Medical Center, TX
- Neurological Surgery Residency, Ohio University

## **Why Dr. Spencer?**

- Specializes and Focused on Minimally Invasive Spine Surgery
- Patients return to normal activities faster
- 99% of MIS patients only stay in the hospital for 24 hours or less
- Patients can be seen quickly
- Accepts most insurance plans
- Only surgeon in the area performing mostly MIS surgeries
- Comprehensive approach to treating spinal pathology
- Large town treatment with a hometown feel

## **Services Offered:**

General Neurosurgical Care: Complex Spinal Surgery, Malformations, Tumors, Dislocations, Fractures, Degenerative Conditions, etc.

A comprehensive approach to surgical treatment - from minimally to maximally invasive.

Regenerative Medicine

*The guiding philosophy is to always reserve invasive procedures as a last resort, but when they become necessary, to apply the procedure that is most suited for that patient's specific problem in order to enhance outcome.*
