Everyone can worship as they choose. History reveals around 33 AD the Roman catholic church changed the Biblical lunar sabbath to the 1st day of the week and boast of it. Claim it was in retaliation against Israel for not accepting Christ. But, why was it hidden and forced upon the people and many killed for rejecting it? What happened to, not to kill, love your enemy, turn the other cheek and the many, many other things the Holy Master said? So Be It
