Rex last request (Don't Forget Me)

When I come to the end of my journey, and I travel my last weary mile, just forget if you can, that I ever frowned, and remember only the smile.

And in the summer, just gather some flowers and remember the place where I rest, stand for a few moments beside me, and remember only my best...

Who should care when they are content in church and believe they are saved and going to heaven (Ezek 13:22) why so many denominations spring up churches and are not as one? The first denomination Christian church taught only their' views, now it's written there are some 43,000 world-wide Christian denominations (Mt 12:25-30, Mk 3:25) each with different views (Mt 10:32-42). So Be It!

She was as beautiful inside as she was outside.
We miss you.

AFTERGLOW

I'd like the memory of me to be a happy one.
I'd like to leave an afterglow of smiles when life is done.
I'd like to leave an echo whispering softly down the ways, of happy times, and laughing times, and bright and sunny days.
I'd like the tears of those who grieve, to dry in the sun of happy memories that I leave, when life is done.
