Now here's a tip!

by Jo Ann Derson

"Shaving cream can be used as a spot remover for many carpets. Use only a small amount, and follow up with a damp cloth." -- D.L. in New Brunswick, Canada

\* Here's a great rule of thumb in the kitchen: The quicker it cooks, the more direct the heat. So, for a thin piece of steak that'll cook nicely. For a thicker cut of, say,

quickly, a cast-iron pan fry will do chicken, you should bake at a lower temp for a longer time.

\* To rid a shirt of a deodorant stain, sponge plain white vinegar onto the residue and rub briskly.

\* "Need sliced mushrooms for your salad or recipe. They are hard to cut, but you might already have the perfect tool for the job in your kitchen. If you have an egg slicer, get it out. It works very well for mushrooms, and it's easier to use than trying to cut those slices yourself." -- J.R. in Utah

\* Got an ink stain? Try using the ubiquitous nowadays (thankfully) hand sanitizer! Apply a little sanitizer to the ink stain, then use a clean, dry white rag to blot, checking the rag often and moving to a different spot on the rag as it takes up the ink.

\* To get clothing really clean, don't overfill your washer. Oftentimes, we want to get the laundry done quickly by stuffing in as much as possible, thereby reducing the number of loads. But if there isn't enough space for everything to move about, it can actually keep the clothing from getting clean. Never fill more than three-fourths full.

Send your tips to Now Here's a Tip, 628 Virginia Drive, Orlando, FL 32803.

**Tips from Mr. Bonz**

Place a small tarp on the ground before wintry precipitation begins so your pet will have a spot to "go" when you let him out to potty!

Also Don't Forget To Use Pet Safe Ice Melt!!

# Did You Know???

Colder weather stimulates more hair and coat growth from spending time in heat (inside) and outside in the colder winter weather. It's important to stick to your dog's regular grooming during winter months to keep their skin and fur healthy and well-protected.

## OTTERBOTS UNVEILED AS DANVILLE BASEBALL'S NEW IDENTITY

Danville Otterbots to bring new era of baseball & entertainment to Danville & Southside Virginia

March 16, 2021

DANVILLE, VA - For the first time in almost three decades, baseball in Danville has its own unique identity: an identity formed by ideas from fans and community members, and one that represents Danville and the Southside to the fullest extent. At a closed press conference hosted by Ballad Brewing earlier today, Danville Baseball announced that the Danville Otterbots will usher in the new era of baseball and entertainment at American Legion Post 325 Field beginning this summer.

"When we got to Danville in January, the first thing we did was speak with members of City Council, local business owners and operators, leaders of civic organizations and nonprofits, and long-time fans of Danville Baseball. Those conversations made it very clear to us: the range of ideas for a new team identity was as wide as the Dan River and as far-reaching as the Appalachians," said General Manager, Austin Scher. "From there we started a two-week name the team community submission contest, during which we received over 600 name suggestions.

From traditional, to modern, to outright wild and wacky--we saw the full spectrum of human imagination in those name submissions. Rather than choosing just one of those suggested names, we instead pulled several common themes and concepts to build an identity completely unique to Danville and the Southside."

The name Otterbots was derived from two overwhelming themes the team heard in conversations with fans, and saw in the name submission contest--the playfulness and symbolism of otters, and the future of STEM education and new industry across the southside.

The Otterbots' primary blue is designed to honor the Dan River and highlight the role it played in building the tobacco and textile industries that defined Danville for generations. The team's secondary orange, featured in the otter's eyes, is closely aligned with the color of the HOME sign, formerly above Dan River Fabrics, currently adorned in the River District on Main St. The tobacco industry, the mills, and the HOME sign were three more recurring themes seen in name submissions.

The neon typeface, which will be proudly displayed on the team's jerseys, is a tribute to two additional themes: the blur of the cars racing by at nearby speedways and race tracks, and the bright lights of the casino that will soon call Danville home.

"We're so grateful for the reception that we have received in Danville to this point, and are so pleased with the outcome from this community-driven process. Building an identity that involves so many different themes is truly remarkable," said team owner and President, Ryan Keur. "I'm so proud of Austin and know he's going to continue to build a great team in Danville and further the mission of becoming a strong community steward."

The Otterbots will reveal additional brand information in the coming weeks, including alternate logos, merchandise, and the identity of the team's mascot--all of which are derived from themes seen in fan-submitted names.

The community's first chance to see the Otterbots in action will be on Thursday, June 3rd, as the 2021 Appalachian League season kicks off in Danville. Constituted by some of the top collegiate athletes from across the country, the revamped Appalachian League powered by MLB and USA Baseball will see the Otterbots play 27 home games from June - August, featuring a game-day experience and levels of entertainment never seen before. The new era of baseball and entertainment for Danville and the Southside is highlighted by 21 of 27 home games on Thursday, Friday, Saturday, and Sunday dates.

**ARIES** (March 21 to April 19) The week promises a calmer aspect. Although there might be some lingering effects of a recent job problem, things should continue to ease up. Also expect a change in a home-based situation.

**TAURUS** (April 20 to May 20) If you feel uneasy about a colleague's suggestion, it might be that your wise inner Taurean guide is alerting you to a potential problem. Stepping away could turn out to be the right thing to do.

**GEMINI** (May 21 to June 20) A family get-together opens up new opportunities for renewing ties. It can be especially effective in dealing with disagreements that should have been, but never were, fully resolved.

**CANCER** (June 21 to July 22) You might be surprised at the response you get to a recent decision. You might be even more surprised by the reasons behind it. In any event, you'll learn something important.

**LEO** (July 23 to August 22) Your aspects favor resolving any tensions left over from a recent incident. You might want to consider having a "clear the air" talk as soon as you can. A call can lead to a change of plans.

**VIRGO** (August 23 to September 22) Avoid repeating yourself. If your first few efforts fail to connect, maybe it's because you haven't found the right way to get your message across. Try changing your approach.

**LIBRA** (September 23

to October 22) Good intentions plus a strong resolve to succeed can take you where you want to go. Don't give up just because someone suggests you might be pursuing an impossible cause.

**SCORPIO** (October 23 to November 21) An unexpected setback can be a blessing in disguise. Use it to recheck your facts and how you've presented them. Meanwhile, look for ways to expand your contacts.

**SAGITTARIUS** (November 22 to December 21) You should finally be seeing a positive change in a recent personal situation. However, an on-the-job matter might need more attention than you realized. Stay with it.

**CAPRICORN** (December 22 to January 19) While you should be close to completing an important matter, you still need to focus on being focused. But things ease up in time for weekend fun.

**AQUARIUS** (January 20 to February 18) A certain matter might take an unexpected turn. Don't simply accept it; ask for an explanation. What you learn might be helpful in shifting the situation around to your benefit.

**PISCES** (February 19 to March 20) Projecting a positive attitude helps restore calm even when you're confronting some pretty stormy situations. Stay the course. The outcome will be well worth your efforts.

**BORN THIS WEEK:** While you enjoy tradition and stability, you also appreciate the good things that change can bring.

Morgan.

Mrs. Moran worked at Dan River Mills for many years before retirement and was of the Holiness Faith. On March 15, 1959, she married her loving husband of many years, John Bruce Moran, who preceded her in death on May 14, 2010.

Geraldine had a strong faith in God and preached Jesus to everyone she met. It was her desire to see everyone saved. She was a blessing to so many and a true prayer warrior. We take great comfort in knowing that she has made it home. Well done thy good and faithful servant.

Mrs. Moran is survived by her children, Kevin Moran (Brenda), Kenneth Moran, and Larry Moran (Debra); granddaughter (her "angel"), Katelyn Grace Moran; brothers, Lionel Morgan and Charles Morgan; sisters, Gilda Warlick, Dianne Sams (Bill), and Patricia Yancey (Douglas), and numerous special friends.

In addition to her parents and husband, Mrs. Moran was predeceased by one sister, Mary Sue Ballard and a brother, Kenneth Morgan.

Graveside services will be conducted Friday, March 12, 2021 at 2 PM at Danville Memorial Gardens with Reverend Myron Bruce officiating.

The family will receive friends Thursday evening from 2 to 6 PM at Mrs. Moran's residence. (231 South Ridge Street, Danville, Virginia 24541 (Apt. 107) ) Parking will be available across the street.

Swicegood Funeral Service is respectfully serving the Moran family.
