A Message from Our Chairman

Due to the increasing spread of COVID-19 and restrictions on in person events the Home Builders Association of Central Michigan unfortunately had to make the hard decision to once again this year cancel our annual Home Show but as they say, when one door closes another door opens and with that opening came the development of our first ever Home Builders Virtual Home Show.

Your safety, and the safety of our guests, is of the utmost importance to us and now we have turned an unfortunate situation into a great opportunity for members of our community to visit with our exhibitors in a safe and sound fashion with this on-line platform enabling you to still meet the vendors that can help make your next home building, renovating or home improvement project come to life.

Our HBA Home Show Gone Virtual begins Monday March 22nd and will continue for two weeks at www.hbacm.com until Sunday April 4th before it's gone. You can visit with our exhibitors as many times as you like at no cost thanks to our fine sponsors: Isabella Bank, DTE Energy, DeWitt Lumber Company and Mr. Electric.

Home Show Gone-Virtual will also allow you to check out the latest in-home building products, Specialists (Builders) and services in today's market, gather contact information and locations, schedule appointments while you allow your fingers to do the walking.

We also have a number of highlights added to the Virtual show this year including the special on-line appearance of our HGTV celebrities The Maine Cabin Master's, Chase, Ashley and Ryan, the Stars of the hit television show will be sharing a special message with Home Show attendees while passing along some decorating tips and tricks for the season all on one line. They will also be answering questions during their multiple video presentations that may assist you in solving some of those home improvement challenges.

While you are navigating our Virtual Home Show, be sure to check out the Seminar section where you can watch some of our decorating experts also share the latest color trends and styles for this Home Building Season.

Our Home Show would not be complete without our big giveaways. While you are touring our virtual Home Show enter to win some spectacular prizes like a beautiful patio set and a state of the art barbecue grill thanks to our friends at The Home Depot. You can enter as many times as you like but you must be 18 years of age or older to win so, be sure to check out the home show platform for your chance to enter.

For all of you outdoor enthusiasts, we will again be featuring our lifestyle and leisure theme with many exhibitors showcasing outdoor products that make your living lifestyle a whole lot easier like the latest in automobiles, pools, spas and land utility vehicles. Remember our exhibitors are prepared to answer all questions so, take time and visit each and every one of them and then give them a call or send them an email since all of their contact information is available right at your fingertips.

Also, be sure to visit the final Saturday, April 3rd of our Virtual Home Show when you can join in on a virtual Zoom meet and greet at Noon with the Builders, visit your chance to ask the professionals questions about any upcoming renovation or remodel project you may have; they will be sure to assist you in any way they can.

So, regardless of this national pandemic, the Home Show Goes On (Live) with our first ever Home Show Gone Virtual March 22nd through April 4th at www.hbacm.com. Don't miss your chance to take notes, collect valuable information and prepare yourself as our exhibitors assist you in turning your exciting home projects into a reality this year.

As the Chairman of the show, I would like to thank everyone in advance for visiting our Home Show Gone Virtual with the Home Builders Association of Central Michigan.

Sincerely,
Dan Rau
Home Show Chairman.
