TRIBUTES FROM THE HEART ♥

Being that I have spent a considerable amount of time in Cemeteries the past couple decades doing Florist work, I tend to pay special attention when traveling to different customs. In NY Gravesites tend to be below the ground with markers, some flat and some upright with unique and fancy engraving. Very different view when traveling to New Orleans several years back at Lafayette Cemetery. All the Graves were above the ground, which I found a bit eerie because I am not used to seeing casket sized concrete structures above the ground. They place them above the ground because the terrain is very wet. The above ground tomb allows for remains to be safe from ground moisture. These tombs are like artwork and many people visit them to see the intricate detail put into these concrete casts. Each one has a hint of a story behind them of a life once lived. Traveling out West you will see tiny little places of Rest dedicated to Families. Within the little wrought iron gates there are only a few little stones. These sites are very intimate and personal because they hold memories and spirits of a family rather than an entire community. A true treasure for those with these on Their land. In Aruba you can see Cemeteries of colorful headstones each adorned with crosses atop and laden with rosaries and colorful blossoms. Their faith is very expressive and beautiful. While in Captiva Island, Florida I traveled some back roads and found Gravestones surrounded by both tiny and large ornate shells left behind by visitors. Very appropriate that shells were chosen amongst the sandy soil for those whose lives were grounded at the shore. No matter where you are it is so interesting to see the little mementos and gifts that people leave at Gravesites. Many leave flowers and some say a prayer and leave a stone behind to show respect. I have seen photos of treasured memories, spiritual items, stuffed animals, flags, food, beverages and much more. I love our own Cemetery in Mt. Albion for it's rolling hills, large protective trees and the flowers that blossom from them. Providing both shade and beauty for those that rest there and those that bring life there. It's highest point, reaching high into the Heavens, you can see all the places from which those who rest below came from. Very profound and appropriate. When I am done with my earthly body and rewarded with a new one in Heaven.. I pray my ashes will be put in a little bean pod with a George Strait cassette, a bottle of good bourbon, pictures of my family and friends, and my lipstick. All placed under a beautiful flowering tree trimmed out with gemstones and rocks. Because you see, your final resting place, ..while at first is a place to mourn, will become a place to hold all the Positive Vibes that your life gifted this world. What do you want your eternal Celebrations and Memorial to look like?

Four Medina FFA Students Receive the Harvey A. Lyndaker Living to Serve Scholarship

Congratulations go to Evie Schultz, Bailey Jackson, Sydney Watts and Emma Carson of Medina High School for receiving the Harvey A. Lyndaker Living to Serve Scholarship.

Mr. Lyndaker was the Vocational Agriculture teacher at Medina Central School District for 35 years and the advisor for the Medina Chapter of the FFA. He passed away in 2020 and the memorial scholarships were set up in his honor at the request of his family. Students applied for the scholarship by answering a series of questions about their feelings on FFA, community service and their future plans after high school.

Evie Schultz, who took the first place scholarship said, “I feel incredibly honored. He was a very great man that I was lucky enough to have met quite a few times. I appreciate greatly all the work that Mrs. Lyndaker and their daughter Heidi put into making this possible.”

Mrs. Janet Lyndaker and Heidi presented each of the students with a check and a keepsake box. Heidi told the students that her father lived the FFA motto and how he lived to serve. She encouraged the young ladies to be constant learners. “Sometimes that means you have to teach yourself, just like my dad.”

Evie Schultz will be attending SUNY Fredonia for Psychology, Emma Carson will be attending Elmira College for Pre-Med (Biology), Bailey Jackson will be attending Cobleskill College for Animal Science and Sydney Watts will be studying Biology/Zoology and an unconfirmed college.

This is the first year for what will be an annual scholarship.

STATE OF NEW YORK
OFFICE OF RENEWABLE ENERGY SITING
COMBINED NOTICE OF AVAILABILITY OF DRAFT PERMIT CONDITIONS, PUBLIC
COMMENT PERIOD AND PUBLIC COMMENT HEARING, AND COMMENCEMENT OF
ISSUES DETERMINATION PROCEDURE

Applicant: Heritage Wind, LLC, 310 4th Street NE, Suite 300, Charlottesville, VA 22902

Facility Location: Town of Barre, Orleans County, New York

Applicant's Attorney: James A. Muscato II, Young / Sommer LLC, Executive Woods, 5 Palisades Drive, Albany, NY 12205, (518) 438-9907

DMM Matter No.: 21-00026

Facility Description: Applicant applied to the New York State Office of Renewable Energy Siting (Office or ORES) for a permit pursuant to Executive Law § 94-c to construct and operate a 184.8 megawatt (MW) wind energy facility located in the Town of Barre, Orleans County.

Applicant filed a transfer application from a pending Public Service Law (PSL) article 10 proceeding on January 13, 2021. Because an application completeness determination was issued in the PSL article 10 proceeding, the transfer application was deemed complete upon filing.

ORES staff published draft permit conditions on March 15, 2021. The draft permit conditions may be accessed at <https://ores.ny.gov/permit-applications>, click on Project DMM Matter Number 21-00026.

Public Comment Hearing: A public comment hearing pursuant to 19 NYCRR part 900 to hear and receive unsworn comments from the public will be held on **May 20, 2021, at 5:00 pm. The hearing is being conducted electronically through the Webex Events platform and by telephone.**

All persons, organizations, corporations, or government agencies who may be affected by the facility are invited to attend the hearing and comment on the application and the draft permit conditions. Lengthy comments will not be accepted and instead should be submitted in writing. Equal weight will be given to both oral and written comments. To ensure that all interested persons have an opportunity to speak, the Administrative Law Judges (ALJs) may limit the time available for oral comments to 3 minutes per person.

Because the hearing is being conducted electronically, it is reasonably accessible to persons with a mobility impairment. Interpreter services shall be made available to deaf persons, and English language translator services shall also be made available, at no charge for either service, upon written request to ALJ Richard A. Sherman at New York State Department of Environmental Conservation, Office of Hearings and Mediation Services, 625 Broadway, 1st Floor, Albany, NY 12233-1550, email: ohms@dec.ny.gov. All requests must be received no later than 4:00 pm on May 6, 2021.

Instructions on how to attend the hearing electronically or by telephone may be accessed at <https://ores.ny.gov/permit-applications>. Click on Project DMM Matter Number 21-00026 and the document entitled "Combined Notice of Availability of Draft Permit Conditions, Public Comment Period and Public Comment Hearing, and Commencement of Issues Determination Procedure." Instructions may also be requested by email to general@ores.ny.gov or by calling (518) 473-4590.

Written Public Comments: Written comments concerning the application and the draft permit conditions must be filed with ORES by **5:00 p.m. on May 21, 2021**. Persons filing written comments are strongly encouraged to post their comments on the Department of Public Service's (DPS's) Document and Matter Management (DMM) system. To post a comment, go to <https://ores.ny.gov/permit-applications>, click on Project DMM Matter Number 21-00026, and click on "Post Comments" in the upper right-hand corner of the screen.

Written comments may also be emailed to ORES at general@ores.ny.gov or mailed to the Office of Renewable Energy Siting, Empire State Plaza, 240 State Street, P-1 South, J Dock, Albany, NY 12242. Written comments will be considered equally with oral statements delivered at the public comment hearing, provided they are postmarked by **May 21, 2021**, or e-mailed or posted on DMM by 5:00 p.m. on that date.

Issues Determination Procedure: Pursuant to 19 NYCRR 900-8.3(b), a pre-adjudicatory issues determination procedure will be conducted by the assigned ALJs. The procedure will be conducted solely on papers and briefing unless the ALJs, in their sole discretion, determine that oral argument is necessary. The purpose of the issues conference is to determine party status for any person or organization that has properly filed a petition (as indicated below), and to narrow and define those issues, if any, that will require adjudication in this matter. Participation in the issues determination procedure is limited to ORES staff, applicant, staff from other involved State agencies, and those persons or organizations requesting party status.

Filing for Party Status and Proposed Issues: Persons seeking to participate in the issues determination procedure and any subsequent adjudicatory hearing must register on DMM and file and serve a written petition explaining whether their request is for full party status or amicus status. Petitioners may also file and serve written briefs making arguments in support of their petitions.

All petitions requesting party status and briefs in support must be filed and served no later than **4:00 p.m. on May 18, 2021**. **Instructions for registering on DMM and filing and serving documents** may be accessed at <https://ores.ny.gov/permit-applications>. Click on Project DMM Matter Number 21-00026 and the document entitled "Combined Notice of Availability of Draft Permit Conditions, Public Comment Period and Public Comment Hearing, and Commencement of Issues Determination Procedure."

Statement of Compliance with Local Laws and Regulations: Any municipality, political subdivision or an agency thereof that received notice of the filing of the application must file a statement indicating whether the proposed facility is designed to be sited, constructed and operated in compliance with applicable local laws and regulations, if any, concerning the environment, or public health and safety. The statement must be filed and served by the same deadline and in the same manner as petitions for party status. Any municipality, political subdivision or an agency thereof that proposes to adjudicate any issues related to a facility's compliance with local laws and regulations must file a petition for party status as provided for in 19 NYCRR 900-8.4(c) and include the statement of compliance with local laws and regulation.

Applicant Statement of Issues: No later than **4:00 p.m. on May 18, 2021**, applicant shall file and serve on ORES staff and the ALJs a statement of issues applicant intends to raise with respect to any determination of the Office, and briefing in support. Applicant shall serve the statement of issues and brief on persons filing petitions for party status within five (5) days of such filing. For the required contents of an applicant's statement of issues, see 19 NYCRR 900-8.4(b) (1).

Responsive Briefing and Response to Comments: No later than **4:00 p.m. on June 4, 2021**, ORES staff may file and serve a response to any petitions for party status, any statement of issues by applicant, and the statement of compliance with local laws and regulations. By the same deadline, applicant may file and serve a response to any petition for party status or statement of compliance with local laws and regulations. In addition, the applicant shall file and serve on ORES staff a response to public comments received during the public comment period, including any supplemental information.

Document Availability: Copies of all application materials and draft permit conditions are available for inspection from the Office's Albany office during normal business hours: Contact the Office of Renewable Energy Siting, Empire State Plaza, Swan Street Building – Core 1, Room #110-119, Albany, NY 12223, (518) 473-4590, email: general@ores.ny.gov. Electronic copies are available at <https://ores.ny.gov/permit-applications>, click on Project DMM Matter Number 21-00026.

Copies of all application materials are also available at the Hoag Town Library, 134 South Main Street, Albion, NY 14411, email hoag_library@yahoo.com; Haxton Memorial Library, 3 N. Pearl Street, Oakfield, NY 14125, email kgibs@nioga.org; Holley Community Free Library, 86 Public Square, Holley, NY 14470, email president@holleylibrary.org; Lee-Whedon Memorial Library, 620 West Ave., Medina, NY 14103, email info@medinalibrary.org.

Statutory and Regulatory Provisions: The application is being processed and this proceeding is being conducted according to Executive Law § 94-c and 19 NYCRR part 900.

PLEASE TAKE NOTICE that the Zoning Board of Appeals of the Town of Shelby will hold a Public Hearing on Tue., April 6, 2021 at 6:00 p.m. at the Shelby Town Hall, 4062 Salt Works Road, Medina, New York on the application of Marvin P. Frey for an Area Variance from the requirements of Town of Shelby Zoning Ordinance Section 510 (E) relative to property located at 10233 West Shelby Road, Middleport, New York. The applicant is seeking a Front set-back variance for the erection of a 20' X 30' attached garage. The property is currently located in an Agricultural/Residential Zone. The Proposed Action has been classified as a Class II Action under SEQRA.

At such Public Hearing, all persons, either for or against the same, shall be heard. Comments may also be submitted in writing to Patricia Bushover, Secretary Shelby Zoning Board of Appeals c/o Shelby Town Hall, 4062 Salt Works Road, Medina, NY 14103, not later than noon on Mon., April 5, 2021. The application and supporting information may be examined prior to the Public Hearing at the Town Hall during normal business hours.

By order of the Zoning Board
Patricia Bushover, Secretary, Shelby Zoning Board of Appeals

Add more exercise to the workday

The American Heart Association says taking advantage of little opportunities to move more throughout the day can add up to a significant amount of exercise. Here are some ways to exercise during the workday.

- **Ride or work a portion of your commute.** People who live close enough to the office can ride their bikes or walk there. You even can park further away if you drive to the office.
- **Switch out your desk.** Desks come in different configurations and you may be able to opt for a tall or adjustable desk to enable you to stand and move around a bit while working.
- **Take the stairs.** Skip the elevator and go up and down the stairs each day.
- **Start a walking club.** Get together with coworkers who also want to exercise and use your lunch hour to walk around.
- **Schedule walking meetings.** Take the meeting outdoors if the weather cooperates; otherwise, take laps around the building.
- **Store some workout gear at work.** During breaks, do a few arm curls with dumbbells or use resistance bands to work inner and outer thigh muscles while sitting at your desk.

Exercise can be included in the work day by making some minor changes that really add up. ■

Signs of a HEART ATTACK

Some heart attacks are sudden and intense, but most heart attacks start slowly, with mild pain. Often people affected aren't sure what's wrong and wait too long before getting help. Symptoms include:

CHEST DISCOMFORT. Most heart attacks involve discomfort in the center of the chest that lasts more than a few minutes, or that goes away and comes back. It can feel like uncomfortable pressure, squeezing, fullness or pain.

DISCOMFORT IN OTHER AREAS OF THE UPPER BODY. Symptoms can include pain or discomfort in one or both arms, the back, neck, jaw or stomach.

SHORTNESS OF BREATH with or without chest discomfort.

OTHER SIGNS may include breaking out in a cold sweat, nausea or lightheadedness

Women are somewhat more likely than men to experience other common symptoms, particularly **SHORTNESS OF BREATH, NAUSEA/VOMITING, AND BACK/JAW PAIN.**

If you or someone with you has one or more of these signs, don't delay!

Call 9-1-1 immediately!

SIGNS OF A STROKE

Sometimes symptoms of a stroke are difficult to identify. The stroke victim may suffer severe brain damage when people nearby fail to recognize the symptoms of a stroke. Now doctors say a bystander can recognize a stroke by asking a few simple questions:

- 1 Ask the person to **SMILE**.
- 2 Ask the person to **TALK AND SPEAK A SIMPLE SENTENCE**. i.e. It is sunny out today.
- 3 Ask the person to **RAISE BOTH ARMS**.
- 4 Ask the person to **STICK OUT HIS TONGUE**. If the tongue goes to one side or the other, that is a sign of a stroke.

OTHER STROKE WARNING SIGNS

- Sudden **numbness or weakness** of the face, arm or leg, especially on one side of the body
- Sudden **confusion**, trouble speaking or understanding
- Sudden **trouble seeing** in one or both eyes
- Sudden **trouble walking**, **dizziness**, loss of balance or coordination
- Sudden, **severe headache** with no known cause

If you or someone with you has one or more of these signs, don't delay!

CALL 9-1-1 IMMEDIATELY!

Do you have HEEL pain or ARCH pain?

HEEL SPUR SYNDROME/PLANTAR FASCITIS is a common problem among people who are active. It starts as a dull intermittent pain in the heel which may progress to a sharp persistent pain. Classically, it is worse in the morning with the first few steps, after sitting, after standing, or after walking.

- Plantar fasciitis often begins with irritation and tearing of the fibrous band of tissue on the bottom of the foot, which may eventually result in the formation of a heel spur.

- Contributing factors: flat pronated feet, high arched feet, poor shoe support, increased age, sudden weight increase, increased activity level, family tendency.

- Approximately 2-3 times your body weight of force is exerted on each foot with walking. Flexible, non-custom molded arch support found at those advertised shoe stores cannot support these forces and usually do not provide long-lasting relief, do not come with a lifetime warranty, and are typically more expensive than custom-molded ones made by our office.

- 95 percent of our patients symptoms are resolved with conservative treatment, avoiding surgical intervention.

- We also offer surgical procedures with the best post-op success rates using Endoscopic Plantar Fasciotomy techniques and **EPF** resulting in minimal incisions and scarring, immediate ambulation and often back in a shoe in one week.

If you can't remember when your feet didn't hurt, now is the time to give us a call!

VILLAGE OF ALBION

Spring Brush and Leaf Pickup

The Village of Albion DPW will be picking up brush and
leaves periodically throughout the month of April. Brush
should be cut to lengths 10 feet long or less and placed in
piles parallel to the street. Piles of brush and leaves should be
placed as close to the street as possible without being placed
in the street. No garbage or building materials will be picked
up by village crews. Leaves must not be bagged.

After the April spring cleanup, there will be a monthly brush
pickup on the last couple working days each month. If you do
not have your brush out in time for the pickup, the village
crews will not be back until the end of the following month.

If you have any questions, please call DPW at 589-7061.
