In 1986 Four Way Roofing was established by Gene, Brian, and Bruce Schutt.

The business was housed in Hoppers for the first 22 years before it was moved in 2008 to its new shop and office located in Alton in the Industrial Park (the red and white building)

Owner and President Bruce Schutt credits his employees combined 74 years of experience for much of their success.

The business installs a variety of roofing materials, such as TPO & EPDM membranes, standing seam metal roofing, and decorative metal wall panels.

Four Way Roofing is a licensed GAF Master Contractor, a licensed Firestone Contractor, and a Carlisle Licensed Contractor. They cover a 150 mile radius of customers.

So remember... A solid roof is a very important asset. Let Four Way Roofing help you cover your business or personal belongings call 712-756-4391 or Bruce's cell 712-395-0839 or just email them at [bruce@fourwayinc.com](mailto:bruce@fourwayinc.com).

# BRACK AUCTION COMPANY, INC.

"The Land Marketing Professionals for Over 100 Years"

151 M/L Unimp. Acres of Great Farmland Section 12 of Westfield Township, Sioux County, Iowa (Per Original Government Survey)

LIVE PUBLIC AUCTION AND ONLINE BIDDING Online Bidding @ [BrockAuction.com](http://BrockAuction.com) & Click on [HiBid](http://HiBid) Friday, April 9, 2021 @ 10:00 AM - Sale Held at the Farm Site

**GENERAL DESCRIPTION:** "Some of the Best of the Best." It all began in 1620 when the Pilgrims landed at Plymouth Rock. From that time until 2021 the quest for folks who make a living from the land has always been the same. "Find the Best Farmland You Can!" Fortunately for us our Forefathers and Mothers braved the harsh conditions and traveled west in search of that dream and settled right here in the "Heart of the Breadbasket of the World." The Degen farm offers an opportunity to continue that proud hard fought tradition of owning some of the best farmland anywhere in the World. The previous generations knew what they were doing when they picked the super rich soils in Sioux County and especially the Granville area to start their generational legacies. The Sioux County FSA Office shows 144.89 Cropland Acres with a 91.5 acre corn base with a 171bu. PLC Yield Index and a 53.3 acre soybean base with a 48bu. PLC Yield Index. The Sioux County NRCS and Assessors office shows the main soil types to be Primghar, Marcus and Galva, and carries a whopping CSRII of 96.8! These fantastic numbers represent almost everything we want in a top quality farm. Located in a great farming community, with great families as neighbors, flat black high yielding dirt, straight rows, wonderful livestock area, close to the Ethanol Plant, Bunkers Feed & Supply and First Cooperative Association in Granville and minutes from other outstanding grain marketing facilities in several close by communities and also close to the County Seat, all makes this the perfect choice to own forever.

As our ancestors before us who had the foresight to see and understand the long term value of owning some of the "Best of the Best" for your generation, you now have the chance to make that same choice for the generations to come in your family. As in 1620 and every year since, the great quest for top Ag Land continues and every year there is less and less opportunity because of consolidation into fewer hands and population expansion. Soon the opportunities may well pass us by and it will be too late, unless we act when they are available. I wish every farm family in America could enjoy owning a top high caliber farm like the Degens. You now have, such a rare chance and I hope you will take the advantage of it and enjoy it forever!!
