Eliminating the Learning Achievement Gap

Rosalyn Yalow Charter School provides a private school education as a free public charter school serving grades k-5 in the South Bronx, with low student/teacher ratios. We maintain a quality curriculum, emphasizing literacy, Singapore math, and inquiry-based science. Our extended school day, 8 a.m. to 5 p.m., and a 2-week longer school year than that of public schools highlight academics as well as arts, music, chess, and fencing. We offer family support, including mental health counseling to students and expanded services for medical, dental, and vision care, free to families with no insurance. Yalow was named a 2020 Achievement Recognition School by the State of New York.

STREET RESURFACING REQUESTS FOR FISCAL YEAR 22

It is that time of the year where our office submits our annual list of local streets that need repaving. If you live on a street that has one too many potholes and crevices in the roadway, please let us know at either (718) 892-1161 or bx10@cb.nyc.gov. If you choose to email us, sending a picture of the street condition would be very helpful. Please be mindful that some of the streets in our community have no sidewalks. Sidewalks are required by law for every property. If you request a street repaving on a street with no sidewalks, the City may construct a sidewalk for you and then bill the property owner(s) on their property taxes the following year. When in doubt, call us before submitting a request to our office.

GET COVERED NYC

Many of us know someone in need of health insurance – especially because of a recent job loss. The City of New York offers its own health insurance program for uninsured residents. The special enrollment period was extended to May 15, 2021. To apply, visit <https://www1.nyc.gov/nyc-resources/get-covered>. page on your mobile phone, computer or tablet. As always, you may apply by simply dialing 311. If you run into any obstacles, contact my office immediately.

CITY OF NEW YORK ELECTIONS

You may have heard by now that primary elections in the City of New York will be held in June. Additionally, the City of New York is implementing ranked-choice voting for the June primary elections. In short, NYC voters will have to rank as many as five candidates on a ballot from 1 through 5. Designating a candidate as your first choice gives that candidate one first place vote. Designating a candidate as your second choice gives that candidate one second place vote and so on. To win a candidate must receive more than 50% of first-choice votes. We are having a presentation on ranked-choice voting at our Municipal Services Committee meeting on April 14 at 7:30 P.M. via CISCO WEBEX. Please contact us by phone or e-mail at (718) 892-1161 or bx10@cb.nyc.gov. so that you can receive the meeting information to join.

NYC COUNCILMAN MARK GJONAJ DISTRICT 13: Spring is finally here! While we are excited to see more sunshine and longer days, it is also the time to remind everyone to still social distance, wear a mask, get tested frequently and if eligible to take the vaccine. As we are nearing the end of March-Women's International Month, I was happy to attend the Bronx Chamber of Commerce Women of Distinction Virtual Celebration and couldn't be prouder to celebrate and provide

a \$1,000 scholarship to Akilah Campbell a student who has shown academic excellence throughout her four years at the University Heights High School. This week we kickstarted our District 13 Adopt-A-Trash Can Program for businesses in our commercial corridors. Thank you to local businesses on a City Island, Pelham Bay and Pelham Parkway businesses for embracing the initiative to help keep our neighborhoods clean. As we are cautiously and safely expanding our outdoor events, after the successful Easter Egg Hunt in Throggs Neck and a great St Patrick's Day in Edgewater, we look forward to our Meet the Easter Bunny event tomorrow in Pelham Parkway. The IRS has postponed the Tax Deadline to May 17th and constituents in District 13 can still take advantage of our Free Tax Preparation Services by calling our District Office for an appointment. We have been with you throughout this pandemic and will continue to be with you. Please do not hesitate to contact my office with any issues or concerns at 718-931-1721 or email: MGjonaj@council.nyc.gov
