NYC COUNCILMAN MARK GJONAJ DISTRICT 13, BRONX: The COVID-19 vaccination is an important tool to help stop the pandemic. This week I was proud to get my first shot of the COVID-19 vaccine at Jacobi Hospital. In an effort to stop the spread and help communities gradually and safely return to normalcy, we are glad to bring more vaccination appointments to all those eligible in District 13. Please call our

office at 718-931-1721 to schedule yours. Today is World Autism Awareness Day and I took the opportunity to visit one of the local autism centers in our District to further pledge my support and raise awareness about its challenges, as we further promote acceptance and inclusion. We need to continue to work to create more spaces where everyone is given equal opportunities to succeed. We wrapped up March-Women's History Month, by announcing the winners of our Essay Contest with middle and high school students in District 13. Congratulations to Karen Avanesov from PS 71, Ryan Almeda and Arsi Tinaj from St. Francis Xavier School, who will be receiving Amazon Fire 7 Tablets. You can still take advantage of our Free Tax Preparation for constituents in District 13 in partnership with Urban Upbound as the IRS has postponed the Tax Deadline to May 17th. We are proud of serving you and being with you throughout this pandemic. Please do not hesitate to contact my office at 718-931-1721 or emil at: MGjonaj@council.nyc.gov.

#### "Neighborhood Updates"

#### Matthew Cruz District Manager

Bronx Community Board #10 3165 East Tremont Avenue Bronx, NY 10461 (718) 892-1161 Bx10@cb.nyc.gov

#### LAND USE AND ZONING MATTERS

I am often asked why Community Boards do not offer opinions on every land use or zoning matter within our districts. Simply put, Community Boards only offer its opinions advisorv when proposed development does not meet current zoning regulations. **These** are verv limited developments circumstances as most conform to current zoning. If you have a question about a particular property or lot, by me sending an tobx10@cb.nyc.gov.Also, our Housing and Zoning Committee meets every Second Tuesday of each month at 7:30 P.M. via CISCO WEBEX as all our meetings remain virtual. Department of City Planning officials always attend to assist our Committee and you, the public, on zoning questions in our communities.

#### VACCINE CENTER AT YANKEE STADIUM

By now you have heard that Yankee Stadium is a vaccine distribution site for Bronxites only. If you are over the age of 16, you may now receive the COVID-19 vaccine, please encourage your loved ones to visit www.somosvaccinations.com. Using the website to schedule your appointment for the COVID-19 vaccine is the quickest way to secure an appointment in writing, please contact my office at (718) 892-1161 if you need any additional assistance.

#### NEIGHBORHOOD CLEANLINESS

Our community has long held the rank of first place when it comes to cleanliness. Simply put, I do not want to lose it. Please help our Department of Sanitation (DSNY) by sweeping sidewalks, tying up garbage and, most importantly, by not placing household garbage in public litter baskets at our intersections. We risk the litter baskets being taken away. Property owners risk fines for leaving garbage in out when it is not its scheduled pick-up day. If you know of a property that needs a gentle reminder of what we expect as a community, contact me at: (718) 892-1161 or bx10@cb.nyc.gov.
