**COAT OF MANY PATCHES**

Have you ever heard of Dolly Parton's Coat of Many Colors? Gosh I love Dolly, who doesn't! Her coat was a Patchwork Coat her Mom made for her when she was a young girl living in the Great Smoky Tennessee Mountains. My Coat of Many Patches doesn't have the notoriety that Dolly's Coat does, but it was created with the same spirit as Dolly's Coat. A spirit of love. Dolly's Mom made her Coat out of love for Dolly and I made mine out of love for myself. Boy I can't believe I just said that, but I think it is OK to do something because you love yourself. We need to be kind to ourselves and have Self Gratitude. This old jean Coat I have was once a dull blue jean coat that I purchased on clearance many years ago. It hung in my closet for a long time because it was visually blah. It needed a purpose. So one day I skipped over to the discount store and bought some blue fabric dye and an idea began to grow in my heart and mind. I dyed it and decided it was going to be a little history of the things I love. Like a storyboard. This is all very self indulgent, I know. But if you can not celebrate and appreciate your own existence, it sure will make it hard to appreciate anything. So the patch collection began. There are items related to music, frogs, good-luck, Riinnggs, travel, cocktails, animals, peace & love, spiritual connections, and Vanity, of course. Just recently I added the GRL PWR pink heart. Then began the buttons, next to the Positive Perks Button my favorite is the one that reads "I can and I will". This saying reminds me that as long as I have the will, desire and ability then I can and will. You may think this concept of a Coat of Many Patches and Buttons is too young for an almost 53 year old Missus. But you see when you are celebrating your life for the whole world to see and be inspired by it, it motivates you to make it exciting. No one wants an uninspired coat that features only 2 or 3 patches. Each person is made up of many different and colorful patches and buttons. If you had a Coat perhaps you would put an ice cream cone on it. Dang, I need one of those too! OK back to you. Perhaps you love the Buffalo Bills, Art, Reading, Dancing, or Astronomy. I bet if you put your mind to it you will find that your Coat would be pretty darn impressive. Might even make you realize how unique and cool you truly are and love yourself more than you did before! Let you see all the things you could do and did, putting you on a path to do something new. Because who doesn't want to have alot of patches and buttons on their storied Coat. There is a saying, Be-Nice to Yourself, it is hard to be happy when someone is being mean to you all the time. #FACT on that saying and what a fun way to celebrate you then with a Coat of Patches and Button. I would love to see your story walking down the street someday :) What would be on your Coat?

To see the Buttons, visit My Blog live online at <https://www.positiveperksposts.com> and catch up on Weekly Photo Perks and past Sunday Posts. Like and Share Your Comments.

### PRESS RELEASE

**Orleans County Sheriff's Office Recognizes 911 Dispatchers during National Public Safety Telecommunicators Week April 11-17-2021**

Public Safety Telecommunicators (911 Dispatchers) are a vital part in an emergency. Through assessment and coordination of each situation, the 911 Dispatcher links callers in distress to the correct emergency services needed for rapid response times. Many lives are saved in the community due to the expertise and coordination of the 911 Dispatchers.

**Please join us in recognizing our 911 Dispatchers for their diligence, dedication and service to our community.**

Sincerely,

*Sheriff Christopher Bourke*

# Supportive Care of Orleans

COMPASSION • COMMUNITY • HOSPICE

It has been a year of reflection for each of us as individuals as we have negotiated a year impacted by COVID-19. Reflection and discernment have also been required of the many organizations in our Orleans County community that serve our citizens. In some respects, it has been an exhausting year but we, Supportive Care of Orleans (formerly known as Hospice of Orleans, Inc.), have emerged stronger in many ways. We have developed new tools, relied on our strengths and investigated ways we can improve and increase services to the community. With this in mind, the Supportive Care of Orleans Board of Directors will be sharing regular updates over the next few months to reminisce about our history, honor our present, and celebrate an exciting future.

**PAST**  
In 1988, a small group of Orleans County residents, notable among them, Mary Janet Sahukar and Mary Ann Fisher, identified a need in the community to provide support and services to persons diagnosed with a life-limiting illness. Desiring to provide hope, love and peace to people with terminal illness, People Promoting Hospice was born in 1989. A few years later when the organization became certified by the NYS Department of Health, the name changed to Hospice of Orleans, Inc. Initially, the many, varied services were primarily provided in the patients' homes until the Martin-Linsin Residence was opened in December 2012. The Residence, only one of twelve free standing hospice residence facilities in New York State, can be home to eight patients.

**PRESENT**  
This past several years have seen a significant increase in the number of people seeking services from Hospice. With services offered along a continuum of care from the Transitions Program to Supportive Care to Hospice, the Board of Directors made the bold and exciting decision to rebrand Hospice of Orleans to more accurately reflect the wide range of programs offered. Now known as Supportive Care of Orleans, our goals are to serve a minimum of sixteen patients in their homes or other community locations and eight patients in the Martin-Linsin Residence. To ensure the organization provides exceptional care to our patients, we currently employ 40 full-time, part-time, and per diem employees and contracted medical professionals and administrative staff. As we continue to grow, we have been challenged to recruit registered nurses to provide care to our patients. To help meet this need we have established a relationship with Rochester Regional Health - Lifetime Care Hospice who is currently providing SCO with several outstanding clinical staff.

**FUTURE**  
The COVID pandemic has posed many challenges to SCO and health care providers throughout the country. With a shortage of available clinical staff, SCO has been challenged to fully expand our programs and the number of patients served at the rate we feel would fully benefit the community. The Board of Directors is looking toward the successes of Rochester Regional Health - Lifetime Care Hospice to potentially expand our relationship with this top-notch organization. We believe that an expanded partnership may assist SCO with fully meeting our goals of increased patient care and additional programs for the Orleans County community. We are exploring the possibility of further leveraging Rochester Regional's training programs, their expertise in Palliative care, and their network of specialists.

As you may be aware, we are also in the process of hiring a new CEO / Hospice Administrator. The organization will be welcoming Elisa Chambrey to the Supportive Care of Orleans team. She is the current Executive Director for The Highlands at Pittsford. We have been fortunate to have the exceptional leadership of Kellie Spsychalski for the past four years. Kellie, and her husband Ron, are making a move to Arizona to be closer to their youngest son and enjoy the opportunities the warm weather and sunshine offer. The Board of Directors extends our heartfelt gratitude to Kellie for all she has done for the organization and the community. The Board and staff wish Kellie and her family the best of luck as they embark on this new journey.

The Board of Directors would like to publicly thank our staff for shepherding us through this very difficult year. Their dedication, professionalism, and care of our patients is unsurpassed. We intend to keep the community informed of our progress as we invite our more than 150 volunteers back into the organization once our medical director, Dr. Bill Wnuk, feels that it is safe and prudent to do so.

The Board would also like to thank our community partners, volunteers and generous donors for the ongoing support of Supportive Care of Orleans.

For more information about the many services offered by Supportive Care of Orleans, community members, physicians, clergy, and others should contact the office at 585-589-0809 or visit the website at www.supportivecareorleans.org.

Respectfully,  
Board of Directors – Supportive Care of Orleans

## Health Occupations Technician Students On-Site at Absolut Care

Health Occupation Technician (HOT) students, at the Orleans Career and Technical Education Center (OCTEC), have been completing their clinical hours at Absolut Care of Gasport. Teacher Courtney Slack says she and co-teacher Rebecca Mahar-Price feel it is imperative to the success of their students that they experience direct patient care before completing their program. "The healthcare field is growing exponentially and our community depends on well-trained and a fully prepared workforce," says Mrs. Slack. "We feel it is our duty to teach our students to be employable in the nursing field, which includes compassion, commitment and confidence." The teachers believe the clinical experience helps to bring those attributes together to make their students immediately employable upon graduation and gain their certification as a nursing assistant. "We are extremely grateful to have had so much support this year from both our OCTEC center, as well as Absolute Care of Gasport, to make this experience happen in the face of a pandemic," says Mrs. Slack.

## Savings Strategies for Weddings

The question was popped; the engagement ring presented. What's the next step on the road to the wedding? Saving should definitely be on couples' minds.

A wedding is likely the most costly party couples will ever throw. According to The Knot's 2019 Real Weddings Study, the average cost of a wedding in 2019 was \$33,900. There are many different costs associated with weddings. Some are predictable, while others are unexpected.

Investopedia says the vast majority of couples budget too little for their weddings and also end up spending more than they had planned. Various strategies can make it easier to save for a wedding and avoid a post-wedding financial hangover.

### Get informed

It's impossible to budget for a wedding and ultimately save without knowledge of what services and items cost in the region where you live. A wedding in New York City will be expensive, while a wedding in Mississippi will cost a lot less, indicates SuperMoney's guide to wedding costs.

Conduct some research and find out what photographers, florists, transportation providers, reception halls, and wedding wardrobe vendors charge for common services. This will paint a vivid picture of what a wedding may cost in your area.

### Flesh out the budget

Once you have gathered estimates, you can then figure out a financial goal. This also is when you can determine where to rein in spending and where you might want to splurge. If having a video memory of the wedding is not a top priority, you can skip videography services. If you have a special flower that you like, you may want to budget more for that bloom even if it isn't in season.

### Set up a dedicated savings account

One of the easiest ways to save for big-ticket items like a wedding, home purchase or other financial goals is to use an automatic savings account that may be available through your bank or employer. An automatic savings plan will pull a set amount from a personal checking account into a savings account through auto-draft. The bride and groom can link individual checking accounts to one savings account to contribute jointly.

### Avoid overspending

An analysis of your spending habits will likely reveal areas where you can scale back so you can devote more funds to wedding savings. Do you need a takeout coffee in the morning or can you brew a pot at home? Might you be able to scale back on streaming services? Do you feel comfortable buying less expensive store brand groceries over name brands? Small cost savings can quickly add up.

### Add up gifts

Factor in deduction of expenses that other people will commit to covering for wedding expenses, but only if you have concrete confirmation. A parent may host the rehearsal dinner. One's relative may offer to pass down an antique wedding gown to wear. But rather than simply removing these gifts from your savings calculations, keep them as a safety net to put toward unforeseen expenses.

Saving for a wedding can be challenging. But various strategies can help couples plan their dream weddings without breaking the bank. ■

# YOU ARE INVITED

to a Virtual Meeting with  
Community Members on Zoom

**THURSDAY, 4/29/2021, 7:00 P.M.–8:00 P.M.**  
AND  
**FRIDAY, 4/30/2021, 12:00 P.M.–1:00 P.M.**

Join the EDF Renewables (EDFR) team for a virtual "Meeting with Community Members" where we will provide information on the Ridge View Solar Energy Center, located in the Town of Hartland, Niagara County. The proposed project will provide economic benefits to the region and generate up to 350 MW of renewable energy, which is enough to power more than 75,000 New York households.

EDFR experts will provide updates on project development, studies conducted, land acquisition, our conversations with state and local officials and other consultations. We will be taking questions during a Q&A that will follow the presentation. Submit questions in advance to [NewYork.Solar@edf-re.com](mailto:NewYork.Solar@edf-re.com).

To Register visit: [RidgeViewSolar.com](http://RidgeViewSolar.com) or call 833-333-7369

## HEAD START Program Kicks off Book Fund Campaign

In Celebration of "April 10-16 - Week of the Young Child"

Community Action of Orleans and Genesee's Head Start Program is joining forces to celebrate the Week of the Young Child – April 10-16 with the National Association for Education of Young Children, (NAEYC). The local Head Start program serves over 250 young children, ages birth – 5 years, and their parents in Orleans and Genesee counties. Like NAEYC, Head Start programs are committed to delivering best practice early childhood education that help young children thrive and learn in an environment dedicated to ensuring children reach their full potential.

The 2021 Head Start Book Fund Campaign, (Build a Library ... Create a Reader), will put books in the homes of local Head Start Children on a monthly basis. Esther Leadley, long time active member of the Community Action Board of Directors, has worked tirelessly in advocating for the "Young Child" throughout her career. Her enthusiasm and passion for young children has initiated the Head Start Book Fund Campaign where children exposed to more books can increase their vocabulary and nurture beginner reading skills. "It's about our local children and their future. I hope others will join me in this annual project that "builds home libraries and helps create readers for our Head Start children".

Head Start donors can help "create readers" with a \$60 donation that will ensure one take home book for one local Head Start child for each of 12 months. \$120 will ensure a take home book for two Head Start children; one book for each of 12 months. Online donations can be made at <https://caoginc.org/donations/> or checks can be made payable to Community Action of Orleans/Genesee and mailed to 409 State St., Albion, NY 14411.

"Grandma" Esther Leadley, Community Action Board of Director and early childhood learning advocate, reading to a Genesee County Head Start Child, recognizes the importance of books for preschool children that help create readers for success in school and life.

## Everything Bagels

*Makes 6 servings*

- 1/2 cup full-fat coconut milk
- 2 tablespoons finely ground golden flaxseeds
- 1 tablespoon gluten-free active dry yeast
- 4 eggs
- 1/4 cup melted ghee or virgin coconut oil
- 1 teaspoon apple cider vinegar
- 1 1/2 cups arrowroot powder
- 1/3 cup coconut flour
- 1 1/2 teaspoons grain-free baking powder
- 1 teaspoon fine sea salt

### Everything seasoning:

- 1 teaspoon poppy seeds
- 1 teaspoon dried minced garlic
- 1 teaspoon dried minced onion
- 1/2 teaspoon white sesame seeds
- 1/2 teaspoon black sesame seeds
- 1/2 teaspoon coarse sea salt

Pour the coconut milk into a small saucepan and heat it over low heat to 110 F. Place the warmed coconut milk, the flaxseeds, honey, and yeast in the bowl of a stand mixer fitted with the beater attachment and mix on low speed to combine. Let the mixture sit for 4 to 5 minutes, until it begins to foam.

Add the eggs, ghee and vinegar to the bowl and mix on medium speed to combine. Add the arrowroot, coconut flour, baking powder, and salt and mix again until fully incorporated. Cover the bowl with a kitchen towel and let it sit for 1 hour at room temperature. To make the everything seasoning, combine all of the ingredients in a small bowl and stir to combine.

Preheat the oven to 350 F. Scoop the batter into a 3 1/2-inch silicone doughnut pan, filling each cavity two-thirds full. Sprinkle the tops with the seasoning and bake for 20 to 25 minutes, until the bagels are golden brown and a toothpick inserted into the center comes out clean. Cool the bagels in the pan on a wire rack for 20 minutes, then remove them from the pan and cool completely on the rack.

Store in an airtight container in the refrigerator for 1 week, or in the freezer for 6 months. ■
