ARIES (March 21 to April 19) Whether a waiting period is taking longer than expected, or just seems that way, the anxious Lamb would do well to create a center of calm within her- or himself, and not do anything rash.

TAURUS (April 20 to May 20) Practical matters dominate the week, but cultural activities also are favored, especially those that can be shared with someone special in the Bovine's life. Some important news might be forthcoming.

GEMINI (May 21 to June 20) You need to know more about a possible career move in order to see if it offers a real opportunity or just a change. You're sure to get lots of advice -- some of it good -- but the decision must be yours.

CANCER (June 21 to July 22) The arrival of hoped-for good news about a loved one dominates most of the week and provides a great excuse for the party-loving Moon Child to plan a special event to celebrate.

LEO (July 23 to August 22) Leos and Leonas rushing to finalize their plans might want to think about slowing down the pace, or risk overlooking an important consideration that could become a sore point down the line.

VIRGO (August 23 to September 22) The week's challenges call for logical approaches. But sentiment also has its place. Sharing memories with a special someone, for example, strengthens the bond between you.

LIBRA (September 23 to October 22) A brand-new approach to a problem could have a good chance of succeeding if it's based on a solid foundation of fact to strengthen its potential for standing up to scrutiny.

SCORPIO (October 23 to November 21) A favorable report should give your optimism an important boost as you confront another phase of a challenge. Don't be timid about accepting advice from someone you trust.

SAGITTARIUS (November 22 to December 21) You might want to target another goal if your current aim is continually being deflected. But stay with it until you find that first sign of an opening, and then follow through.

CAPRICORN (December 22 to January 19) Although offers of advice might not always please the usually sure-footed Goat, good counsel is always worth considering, especially from those whose experience can be invaluable.

AQUARIUS (January 20 to February 18) Don't rush to make up for lost time. Your productivity can be measured not only by what you do, but how you do it. Move carefully until the job is done the way you like it.

PISCES (February 19 to March 20) Emerging facts about someone you know might cause you to rethink your relationship. But remember to make judgments in context of a full situation, not just on scraps of data.

BORN THIS WEEK: You are known both for your love of acquiring beautiful things as well as for your generosity to others.

HOLLYWOOD

by Tony Rizzo

HOLLYWOOD—Dear **Elton John**: Taking on the Vatican and the Pope is admirable but futile. You aren't the first and won't be the last to chide the Vatican for its hypocrisy about same-sex marriage. Elton tweeted, "How can The Vatican refuse to bless gay marriage when they invested nearly \$2 million in 'Rocketman,' a film that celebrates my finding happiness from a marriage (to my husband) **David**?"

The Vatican maintains "blessing a relationship outside of marriage, the union of a man and a woman is open in itself to the transmission of life, but unions between persons of the same sex is not." When referencing "Homosexual inclinations," they're against approving or encouraging "a choice and a way of life that cannot be recognized as objectively ordered to the revealed plans of God and they do not and cannot bless sin." In other words ... if a baby isn't a product of a same-sex union and it can't further the numbers of the Catholic Church ... it's a sin!

So why did the Vatican invest \$2 million in a film that depicts Elton John's gay lifestyle if it is so averse to the subject matter? Answer: The film grossed nearly \$200 million is why. Doesn't its antiquated point of view miss the fact that gay couples who adopt children ARE furthering the numbers of the Catholic church?

Alexander Skarsgard is the closest thing we have these days to a versatile swashbuckling matinee idol. He made many swoon as "Tarzan" and held his own against **Nicole Kidman** (as her husband Perry Wright) in the HBO series "Big Little Lies," for which he won an Emmy and a Golden Globe.

Skarsgard has an impressive roster of upcoming films befitting a superstar: the \$200 million "Godzilla vs Kong," which dropped March 31 with **Millie Bobby Brown**, **Rebecca Hale** and **Kyle Chandler**; his smaller film "Passing," about African-Americans pretending to be white; and the histor-

ical thriller "The Northman," which again pits Skarsgard against **Nicole Kidman** as he plays the Nordic Prince Amleth, who seeks revenge after his father is murdered (shades of "Hamlet"). They're supported by **Willem Dafoe** and Icelandic pop star **Bjork**. Filming began March 2020, production halted August 2020, resumed September 2020 and was completed December 2020.

Skarsgard is an actor who chooses his roles carefully. As **Margot Robbie**, his "Tarzan" co-star, said about having to kiss him, "It's a tough job, but someone's got to do it!"

The Oscar nominations left many people unexcited. Coupled with no red carpet or major stars to gawk at, most fear the lowest ratings ever on Sunday, April 25, and they're already referring to at-home acceptance speeches as "zoom and doom!"

1. Which Bee Gees song was written to the rhythm of the sound their car made when they drove over a Miami bridge?
2. Who wrote and released "Take It to the Limit"?
3. Which group wrote and released "Don't Let the Sun Catch You Crying"?
4. Who was the first to release "Ruby Baby"?
5. Name the song that contains this lyric: "There isn't an ocean too deep, A mountain so high it can keep, keep me away, away from my love."

Answers

1. "Jive Talkin'" in 1975. It was originally titled "Drive Talking."
2. The Eagles, in 1975. Co-writer Randy Meisner wrote the song to describe how it feels to know you've done everything there is to do.
3. Gerry and the Pacemakers, in 1964. They'd first given the song to a solo artist who didn't do well with it, then decided to record the song themselves.
4. The Drifters, in 1956. Dion followed in 1962.
5. "I Will Follow Him," by Little Peggy March in 1963. The song started in 1961 as an instrumental titled "Chariot." While the song was considered a one-hit wonder, March had a 30-year career in Europe with many foreign language releases.

PIEDMONT PETS

April 15, 2021
By Paulette Dean

We are still in need of foster homes; in fact, that need is about to become even bigger. We have a problem with our foster home program and it is a wonderful problem to have! Most of our foster homes become the new forever home for the animals. We would, however, like to expand our foster program.

In late summer of 2005, Annette Nolen-Ferguson found a litter of orphaned, unweaned kittens in this area. She took them into her home and lovingly bottle fed them and provided them 24 hours a day care. When they were about seven weeks old, she found all of them homes. People who knew Annette were not surprised by this, because she had loved animals her whole life.

Annette and her family had no way of knowing that shortly after that, on October 25, 2005, Annette would pass away suddenly, leaving a grief-stricken family.

Her parents, George and Judy Nolen, decided that they wanted their daughter's life to be remembered and memorialized, and they chose to do that by establishing the Annette Nolen Ferguson Foster Fund with the Danville Area Humane Society.

Although we have had a foster program for special-needs cases, we have a desire to expand that program. As many orphaned, unweaned kittens and puppies come into our open-admission shelter every year (sometimes in the hundreds), the need is great for people to be willing to provide the care in their homes. As a natural consequence of this, they become adoption ambassadors for their foster animals and help find homes with friends and family members, using our regular adoption process. That is a winning situation for the animals, the foster homes, and us!

996 South Boston Rd.,
Danville, VA 24540
Phone: (434) 799-0843

Our biggest need involves litters of kittens and puppies who come to us without their mother need to be in a home where they can be bottle-fed, taught basic puppy/kitten skills, and then brought back to us for adoption when they are able to eat solid food.

Until now, foster homes were responsible for the cost of the food and veterinary care. This fund allows us to provide the food and to pay for the veterinary treatment.

The process for being approved to be a foster home is the same for being approved for an adoption. It is not a long process and it helps us ensure the future safety and well-being of shelter animals. Just stop by the shelter during our regular business hours (12-5:30 Monday-Friday and 12-3:30 on Saturday) and fill out a questionnaire to begin the process.

Donations, of course, to the Annette Nolen Ferguson Foster Fund are tax-deductible. Visit our Facebook page to donate through PayPal, stop by the shelter, or mail a check to DAHS at P.O. Box 3352, Danville, VA 24543.

We are grateful to George and Judy Nolen for their generosity.

* "If you have dogs, keep a towel near your door. Then you can wipe off muddy paws before they have a chance to get the carpets dirty!" -- T.Y. in Mississippi

* If you're reattaching a button to shorts or pants, try using dental floss, the unwaxed kind. It's much stronger, and can hold the button better than regular thread. Use a marker to darken it if the color is an issue.

* Here's a great way to get a longer life from a bar of soap: Press the plastic top of a pop bottle into one side of a wet bar of soap. When you set the bar down in your soap dish, put it plastic side down. This way, the bar doesn't sit in any residual water and turn into a goopy mush. The plastic top comes out easily if you need to remove it." -- Y.P. in Illinois

* Store brooms either handle down or on a hook that allows the bristles to suspend over the floor. When brooms rest their bristles on the floor, it bends them and breaks the ends. Broken ends make it hard for the broom to work efficiently.

* "After a recent bathroom redecoration, we had a toilet paper holder left over. I mounted it on the wall in my shop, and I use it to dispense twine. It's actually working well and is the perfect size, since it's not really wide enough for more than one duct tape roll." -- A.L. in Texas

* It's easy to leave a group text chain on an iPhone. There's a setting for this. It's not as easy on an Android phone, but it's doable. Simply mute the conversation and delete the text thread. If you have a big family group and you're getting too many notifications, you can always mute the conversation until you're finished with whatever you're doing.

DANVILLE POLICE DEPARTMENT WELCOMES SIX NEW OFFICERS

Six new officers joined the ranks of the Danville Police Department. The department held a swearing-in ceremony outside at the Carrington Pavilion on Tuesday April 13th.

These officers complete their five months of academy training this week and graduate from the Piedmont Regional Criminal Justice Training Academy Friday.

Chief Booth asked each of the new officers, Zaccheus Davis, Michael Cagle, Tyquan Graves, Sheila Hughes, Bryanna McLaughlin and Cody Young, why they wanted to be police officers. The common theme among their response was to "be the change I want to see" and "to serve my community with integrity."

We welcome these new officers and their families to the Danville Police Department.

Peruvian-Style Grilled Chicken With Green Sauce

Ingredients

For the Sauce:

- 3 whole jalapeño chilies, roughly chopped (see note)
- 1 tablespoon (15ml) ají amarillo pepper paste (see note)
- 1 cup fresh cilantro leaves (1 ounce; 28g)
- 2 medium cloves garlic
- 1/2 cup (120ml) mayonnaise
- 1/4 cup (60ml) sour cream
- 2 teaspoons (10ml) fresh juice from 1 lime
- 1 teaspoon (5ml) distilled white vinegar
- 2 tablespoons (30ml) extra virgin olive oil
- Kosher salt and freshly ground black pepper

For the Chicken:

- 1 whole chicken, 3 1/2 to 4 pounds (1.6 to 1.8kg)
- 4 teaspoons (20g) kosher salt
- 2 tablespoons (30g) ground cumin
- 2 tablespoons (30g) paprika
- 1 teaspoon (5g) freshly ground black pepper
- 3 medium cloves garlic, minced (about 1 tablespoon)
- 2 tablespoons (30ml) white vinegar
- 2 tablespoons (30ml) vegetable or canola oil

Directions

1. For the Sauce: Combine jalapeños, ají amarillo (if using), cilantro, garlic, mayonnaise, sour cream, lime juice, and vinegar in the jar of a blender. Blend on high speed, scraping down as necessary, until smooth. With blender running, slowly drizzle in olive oil. Season to taste with salt and pepper. Sauce will be quite loose at this point, but will thicken as it sits. Transfer to a sealed container and refrigerate until ready to use.
2. For the Chicken: Pat chicken dry with paper towels and place on a large cutting board, breast side down. Using sharp kitchen shears, remove backbone by cutting along either side of it. Turn chicken over and lay out flat. Press firmly on breast to flatten chicken. For added stability, run a metal or wooden skewer horizontally through chicken, entering through one thigh, going through both breast halves, and exiting through other thigh. Tuck wing tips behind back.
3. Combine salt, cumin, paprika, pepper, garlic, vinegar, and oil in a small bowl and massage with fingertips until homogeneous. Spread mixture evenly over all surfaces of chicken.
4. Light 1 chimney full of charcoal. When all charcoal is lit and covered with gray ash, pour out and spread coals evenly over half of coal grate. Alternatively, set half the burners of a gas grill to high heat. Set cooking grate in place, cover grill, and allow to preheat for 5 minutes. Clean and oil grilling grate.
5. Place chicken, skin side up, on cooler side of grill, with legs facing toward hotter side. Cover grill, with vents on lid open and aligned over chicken. Open bottom vents of grill. Cook until an instant-read thermometer inserted into thickest part of breast registers 110°F (43°C). Carefully flip chicken and place, skin side down, on hotter side of grill, with breasts pointed toward cooler side. Press down firmly with a wide, stiff spatula to ensure good contact between bird and grill grates. Cover and cook until skin is crisp and an instant-read thermometer inserted into thickest part of breast registers 145 to 150°F (63 to 66°C), about 10 minutes longer. If chicken threatens to burn before temperature is achieved, carefully slide to cooler side of grill, cover, and continue to cook until done. Do not leave the lid off for longer than it takes to check temperature, or chicken will burn.
6. Transfer chicken to a cutting board and allow to rest for 5 to 10 minutes. Carve and serve with sauce.
