### RECENT INFRASTRUCTURE PROJECTS

Throughout our community, streets are closed to traffic due to the numerous gas, watermain and sewer projects. These projects often occur within blocks of each other making it a headache to walk, let alone drive, in our neighborhoods. Our Community Board, like all Community Boards, oversees each of these projects. We have the contacts at every project so that neighborhood issues are addressed for these projects to inflict as little pain as possible. If there is a local infrastructure project you want to discuss further, please do not hesitate to contact me at either (718) 892-1161 or at [bx10@cb.nyc.gov](mailto:bx10@cb.nyc.gov). I can tell you when the project will be completed, if it is behind schedule and schedule an on-site meeting with you to see exactly what can be improved.

### CITY AND FEDERAL BURIAL ASSISTANCE

We are all touched by this crisis. Because so many are not working, it is difficult to gather the resources to properly bury our loved ones. The City of New York Human Resources Administration recently increased funding for its Burial Assistance program to help New Yorkers regardless of immigration status. If you or loved one needs assistance, please dial (929)252-7731. For those who are technologically able, you can complete the application at: [www1.nyc.gov/assets/hra/downloads/pdf/benefits/burial\\_claim\\_app\\_en.pdf](http://www1.nyc.gov/assets/hra/downloads/pdf/benefits/burial_claim_app_en.pdf). Most recently, our federal government leaders passed and implemented a similar program through the Federal Emergency Management Agency. To apply, Call 844-684-6333 or visit the website at: [www.fema.gov/disasters/coronavirus/economic/funeral-assistance](http://www.fema.gov/disasters/coronavirus/economic/funeral-assistance).

### VACCINE SITE FINDER

Fortunately, more and more people are eligible to receive the COVID 19 vaccines from either Moderna and Pfizer. If you need help finding a site near you or scheduling an appointment, please contact us immediately. We will help schedule your appointment if you willingly provide basic information such as your name and home address. Please help a senior or two who may not feel comfortable enough using the Internet. The vaccine site finder is [vaccinefinder.nyc.gov/](http://vaccinefinder.nyc.gov/).
