Mr. Smith was born in Salt Lake City, UT to Winifred Burkhardt and Norman Logan Smith. He spent his childhood in Madison, IN. He first came to Tullahoma in 1963 as a co-op student from the University of Cincinnati. After graduating with a degree in Aerospace Engineering, he joined the ETF Research Branch at Arnold Engineering Development Center (AEDC). He met and married Mary Alice Norman in 1969. He next moved to the University of Tennessee Space Institute (UTSI) as a graduate student, receiving his Master of Science degree in Mechanical Engineering in 1971. Mr. Smith remained at UTSI to lead a research section in the Energy Conversion Program and progressed over his 22 year career to become the Director of the Coal Fired Flow Facility and later the Special Assistant to the Dean. During this time, Mr. Smith was one of the founders of the Highland Rim Section of the American Society of Mechanical Engineers (ASME) and held several important positions at the local, regional and national levels of ASME. Mr. Smith also served multiple terms on the Coffee County Commission beginning in 1978 and was the chair of the committee tasked with designing the new jail as part of the justice center complex. Mr. Smith left UTSI to become Special Assistant to the Vice President of Research as well as Director of Governmental Relations at the University of Alabama in Huntsville (UAH). His ability to raise support and positively influence legislation soon pushed him to the position of Special Assistant to the President of UAH while continuing to lobby the state legislature on behalf of the University of Alabama system. Gary will be remembered by his family as a faithful and loyal husband, a supportive and loving father, and as a much beloved gramps who devoted the last years of his life to his grandchildren.
