# I Don't Need To Advertise

You're Right... There is a time NOT to advertise, when...

1. You have no competition.
2. You have all the business in town.
3. There are no new people moving into your area.
4. You want to keep your large inventory.
5. You have more business than you can handle.
6. The birth rate is zero.
7. You have more than enough friends that shop your business, keeping you far too busy.
8. You've netted your third million (after taxes).
9. You have no desire to work hard.
10. You would have to hire more people to handle the additional business advertising brings.

**The time to start advertising is...**  
When you don't agree with all the above.

**The place to start advertising is...**  
The one that has a combined circulation of 71,500 homes.

**Recipe**

**BRAIDED EASTER EGG BREAD**

- 2-1/2 Cups All-Purpose Flour, Divided
- 1/4 Cup White Sugar
- 1 Tsp. Salt
- 1 (.25 Ounce) Package Active Dry Yeast
- 2/3 Cup Milk
- 2 Tbsp. Butter
- 2 Eggs
- 5 Whole Eggs, Dyed If Desired
- 2 Tsp. Butter, Melted

In a large bowl, combine 1 cup flour, sugar, salt and yeast; stir well. Combine milk and butter in a small saucepan; heat until milk is warm and butter is softened but not melted.

Gradually add the milk and butter to the flour mixture; stirring constantly. Add two eggs and 1/2 cup flour; beat well. Add the remaining flour, 1/2 cup at a time, stirring well after each addition. When the dough has pulled together, turn it out onto a lightly floured surface and knead until smooth and elastic, about 8 minutes.

Lightly oil a large bowl, place the dough in the bowl and turn to coat with oil. Cover with a damp cloth and let rise in a warm place until doubled in volume, about 1 hour.

Deflate the dough and turn it out onto a lightly floured surface. Divide the dough into two equal size rounds; cover and let rest for 10 minutes. Roll each round into a long roll about 36 inches long and 1-1/2 inches thick. Using the two long pieces of dough, form a loosely braided ring, leaving spaces for the five colored eggs. Seal the ends of the ring together and use your fingers to slide the eggs between the braids of dough.

Preheat oven to 350 degrees F. Place loaf on a buttered baking sheet and cover loosely with a damp towel. Place a loaf in a warm place and let rise until doubled in bulk, about 45 minutes. Brush risen loaf with melted butter.

Bake in preheated oven for 50 to 55 minutes, or until golden.
