RECENT INFRASTRUCTURE PROJECTS

Throughout our community, streets are closed to traffic due to the numerous gas, watermain and sewer projects. These projects often occur within blocks of each other making it a headache to walk, let alone drive, in our neighborhoods. Our Community Board, like all Community Boards, oversees each of these projects. We have the contacts at every project so that neighborhood issues are addressed for these projects to inflict as little pain as possible. If there is a local infrastructure project you want to discuss further, please do not hesitate to contact me at either (718) 892-1161 or at bx10@cb.nyc.gov. I can tell you when the project will be completed, if it is behind schedule and schedule an on-site meeting with you to see exactly what can be improved.

CITY AND FEDERAL BURIAL ASSISTANCE

We are all touched by this crisis. Because so many are not working, it is difficult to gather the resources to properly bury our loved ones. The City of New York Human Resources Administration recently increased funding for its Burial Assistance program to help New Yorkers regardless of immigration status. If you or loved one needs assistance, please dial (929)252-7731. For those who are technologically able, you can complete the application at: www1.nyc.gov/assets/hra/downloads/pdf/benefits/burial_claim_app_en.pdf. Most recently, our federal government leaders passed and implemented a similar program through the Federal Emergency Management Agency. To apply, Call 844-684-6333 or visit the website at: www.fema.gov/disasters/coronavirus/economic/funeral-assistance.

VACCINE SITE FINDER

Fortunately, more and more people are eligible to receive the COVID 19 vaccines from either Moderna and Pfizer. If you need help finding a site near you or scheduling an appointment, please contact us immediately. We will help schedule your appointment if you willingly provide basic information such as your name and home address. Please help a senior or two who may not feel comfortable enough using the Internet. The vaccine site finder is vaccinefinder.nyc.gov/.

COMMUNITY NEWS

ABOUT OUR NEIGHBORHOOD CALENDER OF EVENTS!

NYC COUNCILMAN MARK GJONAJ DISTRICT 13, BRONX: In an effort to keep our neighborhoods and commercial corridors cleaner, businesses in City Island, who signed up for our Adopt a Trash Can program, received the Trash Cans. We are looking forward to a successful program as we roll it in other neighborhoods. Team Gjonaj was proud to join forces with the NYPD 45th Precinct Domestic Violence Unit as we hosted an event in honor of Sexual Assault Awareness Month, to further raise awareness about sexual assault and violence. April is National Pet Month and we were glad to do a Pet Food Giveaway in City Island, in partnership with Animal Care Center of NYC and meet many of the lovely City Island furry friends and their owners. Legislatively as part of the NYC Council Committee on Cultural Affairs, we held an oversight hearing to investigate ways to increase diversity in the arts and in our city's cultural institutions - including, resolving the ethnic pay gap within cultural organizations and uplifting up nonprofits that are dedicated to supporting minorities in the arts. We are proud of serving you and being with you throughout this pandemic. We are continuing to give out food boxes, offer Rapid Testing and many more services throughout our community. Please do not hesitate to contact my office with any issues or concerns at 718-931-1721 or MGjonaj@council.nyc.gov.
