~ PUBLIC NOTICE ~**Bell Memorial Library**

Notice is hereby given that the Annual Budget Hearing of the residents of the Keshequa Central School District, as taxpayers for the Bell Memorial Library, will be held at said library, 16 East Street, Nunda, NY, in said district, on Tuesday, May 4, 2021, at 7:00 pm EDT, for the transaction of such business as is authorized by the Education Law.

And notice is also given that a copy of the proposed budget which will be required for the ensuing year for public library purposes may be obtained at the library by any taxpayer in the district during the week preceding the hearing, except Sunday, Monday or a holiday, at Bell Memorial Library during regular hours of operation.

And notice is also given that petitions nominating candidates for the office of member of the Board of Trustees must be filed in the Bell Memorial Library no later than 4:00 p.m. on Friday, April 9, 2021. The following vacancy is to be filled on the Board of Trustees: one 5-year term beginning July 1, 2021.

And notice is also given that the application for absentee ballots is available upon request and that a list of all persons to whom absentee ballots have been issued will be available in the Library on each of the five days preceding the election, except Sunday, Monday or a holiday, and that such list will also be posted at the polling place on the day of the election. Voting on the election of one trustee and appropriation will be held on Tuesday, May 11, 2021, between the hours of 12:00 pm and 7:00 pm in the Bell Memorial Library on East Street.

Jeffrey Long, Board President

**PUBLIC NOTICE
FOR THE TOWN OF NUNDA
REPUBLICAN
CAUCUS**

A caucus of the enrolled Republican voters
of the Town of Nunda will be held

**Monday, May 10, 2021 at 6:30 PM
at the Nunda Fire Hall
4 S. State St., Nunda, NY 14517**

for the purpose of nominating candidates for the
following offices or any office that may become
vacant to be voted upon at the General Election to
be held November 2, 2021.

**Town Supervisor - 2 year term
Town Clerk - 4 year term
Town Council - 4 year term (2 positions)
Town Highway Superintendant - 2 year term**

To minimize concern about the Coronavirus at our caucus:

- ✓ Please wear a face covering to the caucus.
- ✓ Bring your own pen to mark the ballot if required.
- ✓ If you forget your mask we will have some available at the door.
- ✓ Hand sanitizer will be available.
- ✓ Please maintain social distancing.

Nunda Republican Committee

SPEAK OUT

Dear "Speak Out,"

We continue with week thirteen of our study of our United States Constitution. This week we study Article I - Section 8 - Clause 15 which reads "To provide for calling forth the Militia to execute the Laws of the Union, suppress Insurrections and repel Invasions; . . ."

The Second Amendment reads: "A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed." The militia of colonial times is the National Guard of today. We have seen the necessity for the National Guard during the past year to quell insurrection during the riots of 2020 and most recently for the invasion of the United States Capitol on Wednesday, January 6, 2021.

Article 1 - Section 8 - Clause 16 reads "To provide for organizing, arming, and disciplining the Militia, and for governing such Part of them may be employed in the Service of the United States, reserving to the States respectively, the Appointment of the Officers, and the Authority of training the Militia according to the discipline prescribed by Congress;..."

Congress appropriates funds for the military and authorizes the Uniform Code of Military Justice (UCMJ) to discipline the military. Congress reserves to the governors of each state the authority to call the National Guard into action during local or statewide emergencies, such as storms, fires, earthquakes or civil disturbances. In addition, the President of the United States can activate the National Guard for participation in federal missions.

Article I - Section 8 - Clause 17 reads "To exercise exclusive Legislation in all Cases whatsoever, over such District (not exceeding ten Miles square) as may, by Cession of particular States, and the Acceptance of Congress, become the Seat of the Government of the United States, and to exercise like Authority over all Places purchased by the Consent of the Legislature of the State in which the Same shall be, for the erection of Forts, Magazines, Arsenal, dockyards, and other needful Buildings; . . ."

The words "...become the Seat of the Government of the United States..." demonstrated that the Second Constitutional Convention wished to be able to determine the location of the nation's capital. Our nation's capital has been in New York City, Philadelphia and finally Washington, D.C., throughout its history.

Article I - Section 8 - Clause 18 reads "To make all Laws which shall be necessary and proper for carrying into Execution the foregoing Powers, and all other Powers vested by this Constitution in the Government of the United States, or in any Department or Officer thereof." The Congress was given the power to make any laws which it deemed necessary to fulfill its responsibility to the Constitution.

We now continue with Article I as we begin Section 9 with Clause I which reads "The Migration or Importation of such Persons as any of the States now existing shall think proper to admit, shall not be prohibited by the Congress prior to the Year one thousand eight hundred and eight, but a Tax or duty may be imposed on such Importation, not exceeding ten dollars for each person."

This clause prohibited the federal government from limiting the importation of slaves into America until 1808. The representatives from South Carolina to the Second Continental Congress refused to sign the Constitution if slavery was immediately abolished and asked for twenty years for the south to eliminate slavery which it did not. Next week, Lord willing, we will continue with our study.

Ron Powell
Nunda

The above articles are editorial opinions and do not necessarily represent the views of the Mount Morris Shopper, its management and staff, or the Mount Morris Shopper advertisers.

SOLAR "FARMS" are not farms. They are large scale corporate industrial foreign owned power generating facilities. There is no "siting parity." They are located in underserved, minority and poor areas, away from wealthy, politically connected areas. There is no proof of racial equity in the siting of those projects. They represent corporate industrial intrusion detrimental to human and ecological health. All a corporation has to do to get out of future ecological obligations is to cease operations as a corporation. That is why the various proposed projects are segmented. The projects require miles of copper wiring. Copper is a scarce strategic commodity. The US is dependent upon its South American and Pacific trading partners for copper. Remember steel pennies? The proper siting of these projects is in urban areas. Large urban buildings and "brownfield" are areas which offer perfect sites. Put the projects where there is a demand for the product. School buildings have large roof areas perfect for a school district's OWN federally funded solar electric power generation. Lower electric cost equals lower taxes and better educational services. The solar panels used in the projects are not in the photo shop home panels used in their advertising. They are two story industrial panels. An eyesore. Also, ever raise sheep or goats? They love raised flat areas (like solar panels) to stand on. Industrial solar power (as opposed to home grown) is more expensive than regular electric. You may be required to purchase high priced industrial solar power due to the proximity of the proposed plants. Also, they would be targets in time of war. Do not be fooled by overpaid corporate public relations grant writers using your tax money to take your and your children's heritage and rights away. Listen to your heart. Stand up!

WINDY RIDGE GREENHOUSE NOW OPEN! Do your Mother's Day shopping here. Beautiful hanging baskets, bedding and vegetable plants, potted plants, planters and more. Stop in at 2339 Ridge Road, Mount Morris.

*Barbara B.
Mahoney*

BARBARA B. MAHONEY, 87 died on April 26, 2021. She was predeceased by her parents, Father Louis G. Bernard Sr. and mother Viola M. (Sweeney) Bernard, 2 brothers Louis Bernard Jr. and William F. Bernard.

She is survived by husband of 61 years Robert "Bob" Mahoney and daughter Denise R. Gambino and son Michael P. Mahoney. 4 Grandchildren Eric, Amy, Rachel and Erin. 2 Great Grandchildren Lawson and Aubriella Miller and sister-in-law Eveline Bernard.

Barbara was born in the Cottage/home at Silver Lake in Perry, NY. She attended the Silver Lake one room school house on Route 39 in Castile. The School merged into Perry Central in 1940 and she graduated in 1950. After graduation she worked at 3 manufacturing facilities in Perry the last as Secretary of Robeson Cutlery.

After her marriage she became a full time mother of 2 children. Educating them with the "3r's" to be ready for kindergarten and their formal education. She went back to work for CPAC a silver recovery company as Administrative Assistant to the owner/President from which she retired after 25 years. She enjoyed traveling to see friends and relatives. Trips with the children, her family and visits to Canada. Trips to Texas to see her brother Louie, her 10 years in Florida Jan/Feb. She was an avid card player with euchre her specialty.

Friends may call Wednesday from 4-6 pm at the JOHN W. MARTIN FUNERAL HOME, 37 Chapel Street, (Route 408), Mount Morris. Funeral Mass will be held Thursday at 10 am. Interment Leicester Cemetery. Memorials may be made to your local animal rescue fund.

Letter from the Superintendent

Good Day Keshequa Community,

In this last article in the series on the Capital Project, I'd like to share with you the areas that we will be addressing in the Phase II of the project. Some may wonder how and why the District is engaging in a Phase II, so first I will relate to you how we are able to proceed with more work above and beyond what was originally scheduled for the Capital Project.

As stated in the two previous articles, we will be hosting tours of the work done in both the Nunda and Dalton buildings. Tours are scheduled for Tuesday, May 11th. The first tours in both buildings will take place at 4:00 p.m. and the second tour will begin at 5:00 p.m. in each location. If you would like to participate in a tour, please contact Ms. Tammy Clark at 468-2900, ext 1105. Groups will be limited to 15 people.

All individuals must wear a mask at all times regardless of whether they have been fully vaccinated or not. Gators are not allowed. Should the District need to schedule more tours because of interest, it will do so and post additional dates and times on the District website. Please also note that the District will be posting to the website a virtual tour of the Capital Project improvements within the next few days if you would like to view the improvements in that format.

When we first went out to bid in the winter of 2019 we were advised by our architects to bid our project when work for contractors was limited. If we timed it correctly we believed we would be able to get more competitive bids for the work to be done. As it turned out we timed our process very well and bids came in under what we even anticipated they might be. This left the District with extra funds.

With the extra funds we determined to work with our architects, construction management firm, and our financial firm to submit a Phase II design to the New York State Education Department (NYSED). Since we had the voters' approval to spend a maximum of \$13,690,000 we felt it was in the best interest of the community to spend the extra funds now on needed improvements.

Now to the areas that we will address in this next part of the project. Our rooftop air handling units are more than twenty years old and have begun to show signs of their age. We have created a staggered replacement plan for all of these units. These units control the flow of air to our students within the school. We will replace seven of them this summer and the other units will be replaced in the next capital projects in the upcoming years.

At our Dalton property we have a drainage problem that has become a safety issue. We have cordoned off the area out behind the track in the wooded area for safety reasons and over the summer we will have a contractor come in from below the ridge, attack and fix the problem.

The third priority area that will be addressed is the Nurse's office in Dalton. We will completely renovate it to include a shower and new bathroom along with reorganizing the area to better serve our students.

Also with the three priority areas mentioned above, we have several alternates should bids come in competitively. These alternates will be accepted if there are funds available after priority work is completed. These alternates are: resurfacing the tennis courts as they are used extensively for physical education classes and during recess, converting all outside lighting to LED lights, and erecting a safety net at the front of the soccer field facing the road at the Rymer Complex so it will eliminate soccer balls going into the parking lot or into the road during practices and games.

Once again, If you would like to participate in a tour, please contact Ms. Tammy Clark at 468-2900, ext 1105.

Powerful Tools for *Caregivers*

Are you struggling balancing life with caregiving for a loved one?

This six-week educational program is for family and
friends who are caring for older adults suffering with long-term chronic
illnesses and/or dementia. The class provides the skills and confidence
you need to better care for yourself while caring for others.

Classes start May 25, 10:30am-noon through Zoom

Tools to help you:

- Better manage personal stress
- Change negative self-talk
- Communicate needs more effectively in challenging situations.
- Deal with difficult feelings and make tough caregiving decisions.

*"My spirit has been lifted
by the knowledge, support,
and sharing of the class and
therefore, I feel more capable
as a family caregiver."*

Past participant

Join us for an interactive
session on how to manage
stress while caring for a family
member or friend living with a
chronic illness and/or
memory loss.

Managing Stress Workshop

Security Guards: Must have current valid NYS Security Guard License. Must be able to work all shifts including weekends & holidays. Must have clean driver's license and own transportation. Full time position, 40 hours per week.

Environmental, Health & Safety: Must have one to three years of experience in Environmental, Health and Safety, with the most emphasis placed on industrial hygiene. The ideal candidate will have a bachelor's degree in Industrial Hygiene, Environmental Engineering, chemistry, engineering, or related fields. She or he will be well organized and be a self-starter, and have the ability to change directions quickly. This employee will report directly to the Certified Industrial Hygienist managing the department.

Industrial Electrician: Looking for a reliable individual who has experience with instrumentation and control systems. Should be able to read and understand electrical drawings, and wiring diagrams. Able to bend, cut, thread, and install conduit. Familiar with the use of multimeters and other electrical diagnostic tools. Able to lift 50 lbs, and climb stairs and ladders. Must be able to work with minimal supervision and any shift as needed. Experience preferred, will train right individual.

Maintenance Welder/Fabricator: Needed in a secondary metal processing manufacturing environment. Candidate must be proficient in all areas of welding & cutting using Oxy-Acetylene and plasma. Familiar with a variety of fabrication equipment, shears, rollers, saws, and press brake. Light machining background is helpful. This position requires a mechanical aptitude due to the nature of maintaining equipment, changing motors, gear boxes & bearings among other monthly maintenance responsibilities. Candidate must be self-starter. Able to work on elevated surfaces and man lifts. High School Diploma or two years college/Technical School or Vocational School and at least two years of experience.

General Laborers: Needed in a secondary metal processing manufacturing environment. HS/GED preferred, able to work all shifts. Able to lift 50 lbs. Basic math, reading & writing skills. Able to work independently. The position involves walking & standing for long periods of time and performs strenuous physical labor. No experienced required we will train. This is a full-time position, 40 hours per week.

All candidates must be at least 18 years old & be able to pass drug screening, background check, Motor Vehicle report, & Pre-employment Physical. Email resume to: human.resources@sabinmetal.com or call HR Department at 585-538-2194 for appointment time to complete application & initial interview.

Sabin offers competitive benefits, vacations & holidays, personal and birthday time off, 401K, Health, Dental, and tuition assistance. EOE/AA/M/F/VET/Disability
