KUBOTA ZG327PA ZERO TURN MOWER. Purchased new in 2014, it now has only 448 hours of run time. It is a gas engine version, sixty (60) inch width mower deck. All of the required maintenance items including new mower blades have been performed up to and including those at the upcoming mark of 450 hours. A shop manual will accompany the owner in addition to the owner's manual. A ZTR Puffer air ride mower kit for the operator seat was installed in 2016. This is a significant upgrade from the standard mechanical suspension seat normally employed. I have been using Kubota filters, hydraulic fluid, Royal Purple motor oil for the engine, and Royal Purple gear box oil for the mower gear box, \$5,500. (931)227-4449.
