HAVE YOU HEARD?
WE HAVE TWO AUDIOLOGY CLINICS IN NORTHWEST IOWA TO SERVE YOUR NEEDS AND FIT YOUR SCHEDULE.

At Korver Audiology we offer a medical team approach. At your initial consultation, we look at all options for solving your hearing problem, including medical and surgical intervention and/or amplification devices.

- If hearing aids are your best option, we encourage you to try different devices to see how well they perform—before you make any commitment.
- We don't have commission sales. Whether you choose the most expensive one- or decide to wait- at Korver Audiology you will feel at ease with no pressure to purchase.
- We offer no-commitment trials to ensure your satisfaction with your decision
- Our hearing devices cost no more than those sold by hearing aid dealers

Gail Bolton, Au.D., an Orange City resident and a member of our audiology and ENT clinic staff, now sees patients in both Orange City and Sioux Center. As a doctor of audiology, Gail has 19 years of experience working with a range of hearing loss causes, in people of all ages.

Our founding families believed in the powerful influence of "a day of rest" on family, health and, ultimately, success.
