## From President Brenden

Another year has passed, and again the Kiwanis Club of Woodhaven is teaming up with the Downriver News Herald to share our message with the community.

Kiwanis is a global organization of volunteers, dedicated to changing the world one child and one community at a time. The Kiwanis Club of Woodhaven is comprised of 40 members from all across the Downriver community. No matter where you are Downriver, you will find a friendly Woodhaven Kiwanian somewhere in your community. Some of our members are college students, and some are long retired. No matter the age, Woodhaven Kiwanis is an intergenerational effort to make a positive difference across the Downriver community.

Woodhaven Kiwanis puts on a number of projects throughout the year. One signature project is our Kids Against Hunger event. Each and every year, on the first Saturday of February, hundreds of third, fourth, and fifth graders get together from local elementary schools to help pack meals for food banks, both near and far. You may also see a Woodhaven Kiwanian ringing the bell for the Salvation Army, or down in Detroit at the Piquette Square housing complex for veterans, preparing a delicious warm meal on Veterans' Day. You may also catch us at the Trenton Village Theater putting on a movie for children with autism.

Unfortunately, the precarious situation of 2021 did not allow for our Kids Against Hunger or movie for children with autism projects, but we have stepped up in other ways. On May 22, we held our annual shower to raise money for C.S. Mott children's hospital, by raffling off baskets in a socially distanced setting. Last December, we masked up and rang the bell for the Salvation Army. We are making every attempt we can to do the same projects in a covid safe manner.

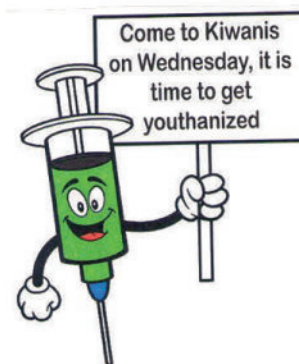

I joined Kiwanis about four years ago, when my friend encouraged me to join. My former elementary school principal, the treasurer of the club, had been pulling my arm for a while, so I figured I would give it a try. Four years and many friendships later, I am still coming back every Wednesday. With that said, I would like to invite anyone who is interested in helping out in the community to one of our meetings, which are held in a hybrid format, with an in-person portion and a Zoom portion.

I would now like to offer my sincere gratitude to our advertisers for supporting this project. Through their generosity, Woodhaven Kiwanians are able to meet the many unique needs of our community. These businesses have been so generous to us in these still difficult times, and I encourage you to support them in any way you can.

Please join us, as we work to change the world one child and one community at a time.

Kind regards,

*Brenden Hoy*

April is Autism Awareness month. It is estimated that one in every 40 children is diagnosed with autism, making it more common than childhood cancer, juvenile diabetes, and pediatric Aids combined. Children with autism and their families have been invited to the

movies which have been held at local theaters. The movie is shown with lights on, the sound lowered, and the doors open. Families are free to come and go as they wish.

President Austin Arksey, says:**

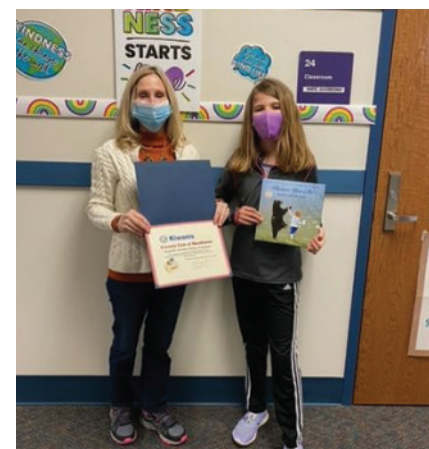

**We are pleased to be able to support the many outstanding projects the Kiwanis Club of Woodhaven provides the students of the Woodhaven-Brownstown School District.**

Annually, Woodhaven Kiwanians invite your fourth graders to participate in our annual Kiwanis Fourth Grade Essay contest. Our contest has two goals.

First, to encourage students to build their persuasive writing skills. Secondly, we would like to encourage students to have a better understanding of charitable giving within our community. This year's topic is as always, If I had \$100<sup>00</sup> to donate to a charity, I would choose \_\_\_\_\_ because \_\_\_\_\_.

Annually, Woodhaven Kiwanians invite your fourth graders to participate in our annual Kiwanis Fourth Grade Essay contest. Our contest has two goals.
