BRONX COMMUNITY BOARD #10 FREE SHREDDING EVENT

You have asked us when we it will return every month since 2019. Because of the pandemic, we had to postpone our event last year. However, it is back! Please join us on Saturday, May 22nd from 10 A.M. to noon. You can bring up to three 13-gallon bags of paper. Please be sure to remove all staples and paper clips. It will be held at the Greek Church parking lot, which is located at 3573 Bruckner Boulevard, Bronx, NY 10461. I hope to see all your faces in person. It's been awhile, but slowly and surely, normalcy is returning. Please take this opportunity to safely destroy all old paperwork. All you need do is show up. No reservations required!

CLEANLINESS AND MUNICIPAL LITTER BASKETS

While, the City of New York has restored the budget cuts to the Department of Sanitation, litter baskets are overflowing everywhere. Please continue to bring it to our attention. One way we can help is by cleaning the tree pits in front of our homes and not sweeping leaves and debris into the street. Our sidewalks are our responsibility. Community Board #10 is rated high each year on cleanliness. Let's keep it this way. Clean your tree pits, sidewalks and get rid of weeds!

"HELP ME QUIT"

All smoking is bad for you. We should all convince our loved ones to "kick the habit." According to the NYC Department of Health & Mental Hygiene, nearly 867,000 adults and 15,000 young people use tobacco products. The use of tobacco products can cause vascular disease, diabetes and heart and lung diseases in addition to many forms of cancer. The NYC DOHMH launched the "Help Me Quit" mobile application earlier this year. It is available for free download on your smart phone and/or tablet. The "Help Me Quit" application provides tips on how to stop cravings, a map of nearby support clinics and help track the progress on your journey toward quitting. Interested persons may call 3-1-1 to find a local quit smoking program or can visit www.nysmokefree.com. As always, you are welcomed to contact my office at (718) 892-1161 with questions.

NYC COUNCILMAN MARK GJONAJ DISTRICT 13, BRONX: Hope you and your families are doing well as we are finally hearing good news on the pandemic. CDC has made recommendations that will have to be approved by state and local government, that fully

vaccinated individuals can resume activities as prior to the pandemic without wearing a mask or physically distancing. **Monday, May 17th is the IRS federal income tax filing deadline for individuals for the 2020 tax year.** We are glad to have wrapped up a very successful Free Tax Preparation with No New Yorker should live in fear because of who they are or where they worship. This week I was proud to stand with my council colleagues to co-sponsor and pass two very important pieces of legislation that would raise the penalties on vandalism that targets houses of worship, and formerly call on the federal government to pass the COVID-19 Hate Crimes Act. In honor of National Pet Month I was glad to introduce legislation to NYC Council that will ban the city from using toxic snow removal substances, such as calcium chloride, that are harmful to pets and the environment and to find alternative ways instead. This spring and summer I am proud to bring more events and concerts for constituents in District 13 such as Shredding events in cooperation with Phipps Neighborhoods, the Summer 2021 Concert Series and NYCHA Family Days in partnership with KRVC. We are proud of serving you and being with you throughout this pandemic. We are continuing to give out food boxes, offer Rapid Testing, and many more services throughout our community. Please do not hesitate to contact my office with any issues at 718-931-1721 or MGjonaj@council.nyc.gov.
