## Moss Service Funeral Home

**Moss Service Funeral Home can arrange urn placement at The Neptune Memorial Reef!**

**AN UNDERSEA TRIBUTE TO LIFE.**

Located 3.25 miles east of Key Biscayne in Miami Florida - GPS coordinates N25° 42.036', W80° 05.409' - Neptune Memorial Reef™ is the largest man-made reef ever conceived and, when complete, will have transformed over 16 acres of barren ocean floor.

<https://www.youtube.com/watch?v=4zBfepoPvow>  
To see a live view of the reef.

Benjamin Joslin would love to show you the path to **pressure free decisions about end of life planning and to provide you with a free Personal Planning Guide!**

Neptune Reef is an artistic representation of the Lost City of Atlantis, 40 feet under the sea. These structures have produced a marine habitat to promote coral and marine organism's growth while creating the ultimate 'Green Burial' opportunity. A recent marine study conducted by the Department of Environmental Resource Management concluded that marine life around the Reef has gone from zero to thousands in the first two years.
