AC service & tuneup

You

deserve

better this

summer.

Don't spend another hot, muggy summer wishing you were cooler.

Do you have Window AC Units

Let BQF install a mini-split AC system in your home. With a small profile and no ductwork required, these units install quickly, easily and can keep you cool on a reasonable budget.

Do you have Central AC

When was the last time you had your AC system checked? Let our experienced technicians perform a 10-point inspection and service to ensure another summer of efficient operation.

Do you have an OLD Central AC

If your air conditioning system is more than 15 years old, now is the time to look at upgrading to better efficiency and greater comfort. New high efficiency systems can help pay you back through energy savings.

Where is Your WEBSITE?

We have officially entered the Golden Age of the Internet, where having a website for your business is an absolute essential. So where's your website? The Windsor Press offers affordable website design and hosting of your new website. An effective website is the cornerstone of any small business's marketing strategy, offering fundamental information 24 hours a day. There are multiple reasons why you need a website today:

WEBSITES NEVER SLEEP

Websites never take a break, even after business hours are over, customers still have the opportunity to browse your business's website. A website will allow your business to be open 24 hours a day, every day of the year - that's the equivalent to having an employee work around the clock, even weekends and holidays!

"GOOGLE IT"

How many times have you heard "I'll Google it?" More than ever before, people are turning away from traditional means of finding information and looking online. Your business should be at customer's fingertips when they look on any online search engine.

Search...

CONTACT KATIE AT THE WINDSOR PRESS TODAY FOR YOUR NEW WEBSITE

Don't be so quick to dismiss your product as one that can't be sold online. Nowadays, there's very little that can't be sold over the internet. No matter the size of your business, it is crucial to have an online presence for customers to quickly and easily find out more about your business and the products or services you have to offer.

INCREASES THE EFFECTIVENESS OF YOUR ADVERTISING

Print advertisements are definitely effective components in the advertising mix, but it's the website that strengthens your company's message. Once you have a website up and running, we recommend your print advertising include your website address.

INSTANT CREDIBILITY

Have you ever had difficulty making that sale? Or convincing someone that you are the real deal? Having a website is comparable to having an online business card, containing basic information on you and your offerings, along with a way to reach you.

READER'S

Recipe

SAVORY GARLIC MARINATED STEAKS

1/2 cup Balsamic Vinegar	1 tsp. Worcestershire Sauce
1/4 cup Soy Sauce	1 tsp. Onion Powder
3 tbsp. Minced Garlic	1/2 tsp. Salt
2 tbsp. Honey	1/2 tsp. Liquid Smoke Flavoring
2 tbsp. Olive Oil	1 pinch Cayenne Pepper
2 tsp. Ground Black Pepper	2 (1/2 pound) Rib Eye Steaks

In a medium bowl, mix the vinegar, soy sauce, garlic, honey, olive oil, ground black pepper, Worcestershire sauce, onion powder, salt, liquid smoke, and cayenne pepper. Place steaks in a shallow glass dish with the marinade, and turn to coat. For optimum flavor, rub the liquid into the meat. Cover, and marinate in the refrigerator for 1 to 2 days. Preheat grill for medium-high to high heat. Lightly oil the grill grate. Grill steaks 7 minutes per side, or to desired doneness. Discard leftover marinade.
