Multi-Jurisdictional Traffic Law Project

On May 28, 2021, the Spirit Lake Police Department, in conjunction with the Dickinson County Sheriffs Office, will be conducting a multi-jurisdictional project. Officers and Deputies will be actively enforcing all traffic laws, with the primary focus on speed, seat belt usage, stop sign or stop light violations, as well as impaired and distracted driving. The Memorial Day weekend signals the beginning of the summer season in the Lakes Area, and with that comes a drastic increase in vehicular traffic in the area. The project will run from 4 pm to 11 pm on the 28th but extra officers will be out all weekend to ensure the safety of the motoring public.

Tatanka Ska Trace Trailhead Project

Imagine Iowa Great Lakes and the Dickinson County Trails board are excited to announce the Tatanka Ska Trace Trailhead project which will be the focal point of where the Tatanka Ska Trace trail meets with the Spine Trail. The trailhead location is perfect as this is where the trail running north and south through the county connects with the rail trail spanning east and west.

The trailhead design is inspired by Native American beadwork and northwest Iowa's prairie landscape with a few railroad themes to tie in the rail trail. The facilities will include bathrooms, shaded resting areas with picnic tables and benches as well as a water fountain, bike work station and charging station. Overall, the project will beautify the area, consistent with the mission of Imagine Iowa Great Lakes, and create a relaxing space along the trails. "That is the goal of Tatanka Ska Trace trail, to get people out in nature and bring nature back to people," said Michele

Goodenow, Executive Director of Imagine Iowa Great Lakes.

Imagine and the Trails Board are pleased to have collaborated with the Spirit Lake High School Art of Welding class in the design and creation of several sculptures that will be placed at the trailhead. As part of their J-term over the winter, 18 students led by instructors Brad Travis and Tyler Pedersen fashioned bike racks, a trail logo board and the top half of the trailhead tower. They did an excellent job of providing unique pieces that will highlight the new space. "We are extremely fortunate to live in a community that supports the arts and area students as much as they do. Every year we are honored to build something for the community that will stand for years to come," said Brad Travis, Art Teacher

at Spirit Lake High School.

What does Tatanka Ska Trace mean and how did it get its name? "A 'Rail Trail Rally' was held in June 2017 and votes were cast to name the new line Tatanka Ska Trace," said Erin Reed, Executive Director of Dickinson County Trails Board. "Tatanka Ska" is Lakota Sioux for White Buffalo. The name pays homage to the Native American history in this area. They considered Spirit Lake a sacred dwelling place for the gods. The Iowa Commission on Native American Affairs was consulted and has given approval on the name.

Dear Educators and Supporters of Education,
 Congratulations! You made it to the end of the 2021-22 school year. No matter if you are a traditional teacher in a public school, a homeschool educator, an administrator, school support staff such as office, paras, custodians and cooks, on a school board, or an extra-curricular educator such as sports, dance, or music, we want you to know that you are appreciated. We understand that you have put in many seen (and unseen) hours this year and we wanted you to know that you are valued. Thank you for taking risks, learning through mistakes and accommodating a wide variety of opinions, desires and ideas. We have prayed and will continue to pray for you- for rest this summer, for tenacity to move forward and for God-given wisdom to know daily what to do. We are truly grateful.

Less than 20 days until the 37th Annual Flagfest and Spencer's Sesquicentennial - 150th Celebration!

It is hard to believe that in less than 20 days we will be celebrating the 37th Annual Flagfest and Spencer's Sesquicentennial after planning for over a year! In 2019, the Chamber along with other Spencer Citizens started talking about the 150th Anniversary celebration and what that would involve. Then COVID-19 hit in 2020, and with all of the unknown out there - the planning slowed as we all worked our way through COVID-19. In mid-2020, it was decided that the 150th Anniversary only comes around once and it needed to be celebrated so the planning moved forward. With the assistance and insights of countless volunteers, meetings were held to determine what events everyone was interested in holding; and what was actually possible based on space and volunteer power. From those meetings, the core committee (made up of about 10 volunteers), started putting pen to paper and planned events for dates and times - and here we are!

As long as the weather holds out (we are hoping Mother Nature has us in mind), the majority of the events will be held outside. If 2020 taught us anything, it's to have a back-up plan. If the weather is not ideal, the majority of the events have a rain location.

Traditional Flagfest events like the Veterans Memorial & additional flags, parade, inflatables, Grand Cruise, Spencer Young Professionals Street Dance and river float are all continuing with additions for the Sesquicentennial celebration.

Sesquicentennial items added include: a Beard and Wiskerina Contest, Period Clothing Contest, Opening Ceremonies, Opening the Time Capsule, Dodge Ball,

Horse and Buggy Rides, Kiddie Parade, Tug of War, Bike Ride, Homemade (cardboard & duct tape) Boat Races, Fire Department Water Fights, Face Painting and a Fireworks Display on Saturday night!

The volunteers and Chamber staff have worked diligently to include something for everyone from 0-100! For example, the inflatables this year include: 180 obstacle course, ax throwing, and human foosball. These are sure to please the middle and high school aged kids and even those who are a kid at heart.

There are many wonderful organizations in Spencer that also wanted to help celebrate Spencer's Sesquicentennial. To name a few, the Historic Preservation Commission hosted five lectures throughout the month of May; Spencer YMCA will be hosting a Teen Dance and Co-ed Sand Volleyball Tournament; Spencer Main Street is hosting a 5K Fun Run; Iowa Great Lakes Fishing Club is hosting a Youth Fishing Clinic; SPACE is hosting an Art Market; ISU Extension & Outreach will be hosting an interactive booth at the fairgrounds; Century Farms Distillery is hosting Bourbon & Bags Games; Spencer's EAA is providing airplane rides for our youth; Feed Our Children Program is hosting "Kicks for Kid" a family-friendly kickball tournament; Pressed & The Loft by Pressed is hosting a Disc Golf Tournament; Spencer Parks Department is providing free swimming on Sunday, June 13th; the Parker Museum is hosting tours;

and the Grand Avenue Improvement Corp along with the Spencer Jaycees will be hosting "Movie in the Park" for families. Spencer hosts wonderful community minded residents that have come forward and given of their time and talents to organize and put these events together! With everything that is happening to Celebrate Spencer - no single group would have been able to do it all! We owe a ton of gratitude to all of the volunteers and sponsors who have made this celebration possible!

Please check out registration and information on all events. If you are interested in participating in several of the events (kiddie parade, tug of war, dodge ball tournament, homemade cardboard boat races, and many more) check them out NOW, as there is a pre-registration deadline of June 4th for these events. For many of the events, there will be no registrations the day of the event. However, there are a few exceptions like the Disc Golf Tournament.

For more information contact Spencer Chamber at 712-262-5680 or info@spenceriowachamber.org; or visit spenceriowachamber.org/Flagfest and [facebook.com/SpencerFlagfest](https://www.facebook.com/SpencerFlagfest) to register and learn more.

LETTERS TO THE EDITOR

Fellow Milford business owners and supporters,
The Pioneer Days Committee is beginning to meet and develop plans for the 53rd Pioneer Days weekend. Sponsorships, donations and volunteers have made Pioneer Days weekend one of the region's very best town celebrations and we hope we can count on you again in 2021.

We're excited about some of the early details and are open to new ideas. The Pioneer Days committee plans to bring back the inflatable playground attractions at Florence Park.

We're looking forward to citywide garage sales, the Saturday morning parade, the noon meal on Saturday, the Pitmasters BBQ Competition, the teen dance, bags tournament, kiddie tractor pedal-pull and many other highlights in a still-developing schedule.

We can't stress this enough: Financial and volunteer support helps shape the schedule and ultimately determines the success of Pioneer Days weekend. There are five levels of sponsorships. Donors receive increased promotional consideration and event access with each level of sponsorship:

- Bronco sponsors - \$100 to \$199
 - Wrangler sponsors - \$200 to \$299
 - Scout sponsors - \$300 to \$499
 - Settler sponsors - \$500 to \$999
 - Pioneer sponsors - \$1,000 and above
- Donations must be received by June 7 to be included on the schedule poster.

The motto of the Milford Commercial Club is "Working together to make Milford a better place." Please help us do that with your donations now and your participation at the 53rd Pioneer Days July 23-25.

Thank you,
Lauren Rosacker and Susan Reiser
Milford Pioneer Days Committee Co-Chairwomen

Lakes Area Farmers Market News

Located at Dickinson Co. Fairgrounds
15th Street & Peoria Avenue, Spirit Lake, IA 51360

Lakes Area Farmers Market in Spirit Lake will be opening soon. The first day is Saturday, June 5. The Farmers Market is open from 7:30 a.m. to 12:00 noon on Wednesdays and Saturdays. It will remain open until October 9. This should be an excellent year for the Farmers Market with over 30 vendors. Several new vendors will help bring a bigger variety of products. One of the things you will definitely find at the Farmers Market is rhubarb. With the recent rain and warmer weather, rhubarb has been growing well. To keep your rhubarb growing, remove flowering seed heads and keep it watered when there isn't sufficient rain. A small handful of 10-10-10 fertilizer by each plant will help older plants thrive. Stop picking toward the end of June and don't pick from new or transplanted plants for the first two years.

Come to Lakes Area Farmers Market for rhubarb, asparagus, early spring produce, plants, eggs, baked items, and a variety of crafts. Save the date, June 5, to attend Lakes Area Farmers Market on the fairgrounds in Spirit Lake and see how we have grown. Then return on Wednesday or Saturday for more farm fresh items. We hope to see you there.

She graduated from Wheaton High School, class of 1960, and later earned a Bachelor's Degree from Cornell College in 1980. Obituaries

Nancy L Wooldridge departed this earth on January 26, 2021, with her daughter, Terry, by her side.

Nancy was born in Sioux City, Iowa, on July 8, 1931, to Iola and Quill Hoberg and spent most of her life there.

Nancy loved to dance, play cards and listen to music, especially the big band era. Although she traveled extensively with friends and family, her favorite place on earth was Lake Okoboji where she spent time socializing, fishing, tending to her beautiful flowers and playing games on the patio. Most often you could find her and Elliott on the patio enjoying a drink at happy hour inviting any that wandered by. Hawaii was a close second and it was reflected in her homes and by the flowers she wore in her hair.

Nancy was known as a gal with sparkling green eyes and a beautiful smile that she wore often. You always knew when Nancy entered a room; wearing flashy vibrant colors and the right jewelry and accessories. To her son Pat, she wore too much jewelry and accessories; but her motto was "if some is good, more is better"! She laughed often and spoke her mind (even if it was wildly inappropriate). Nancy felt blessed with the many good friends she had throughout the years and said the common denominator was always laughter.

She enjoyed her life immensely, most often with Elliott by her side. Both always had a song on their lips and serenaded each other daily until his departure July 28, 2019.

Until her physical condition and COVID made it impossible, Nancy loved socializing and spending time with her kids, grandkids and great grand kids.

Nancy had a life well lived.

She is survived by her daughters: Cindy Peters (Randy) and Terry Hartnett; grandchildren, Tiffany Hardiman (Jerry) and LJ (Jeffery) Wooldridge; step-grandson Adam Peters and great-grandchildren Lexi Hardiman, Jade Hardiman, Savannah Peters, and Luke Peters. Her many nieces, nephews and their children were also very close to her heart.

Aside from her children, Nancy is survived by her sister Susan Hanson and brother Steve Hoberg (Marilyn).

She was preceded in death by her parents, her husband Elliott Wooldridge, and her son Patrick Hartnett.

A celebration of life will be held this summer for her and Elliott at the clubhouse at PMC on West Okoboji Saturday, June 19, from 3:30-6:00pm.

Obituaries

Emersen Omega Karl

It is with great sorrow that we announce the passing of our beloved Emerson. Emerson Omega Karl passed away, at age 5, surrounded by his family, on April 19, 2021, after a 14 month battle with liver cancer. Emerson was born on October 7, 2015, to parents Seth and Brittany Karl, in Bondurant, Iowa.

Emersen loved playing with his sister and all things superhero, he especially loved Spiderman. His smile could light up a room, and he had a laughter that was contagious. He was a comedian at heart, always trying to make a funny face or gesture to get a giggle. He was the happiest when he was at home surrounded by the people he loved. Emerson faced cancer with a resilience and fortitude that inspired all who knew of his story. He was our superhero and fought like one until the end. He took whatever circumstance came his way and never let it stop him from what he wanted to do! Though he didn't live many years on earth, he touched many lives and was loved deeply by those around him.

Emersen will live on to be honored by his parents, Seth and Brittany Karl, and his sister, Malia; his grandparents, Tina and Rick Sackett of Ankeny, IA, Dave Karl (and Nancy) of Milford, IA, Bruce and Elicia Betts of Gilbert, IA, and a host of family and friends. A Celebration of Life will be held at Memorial Park, located at 300 Lake Street in Spirit Lake, IA, on Sunday May 30, from 12:00 - 4:00 pm. The family encourages all who knew Emerson and family to attend to share memories and celebrate his life.

The reality for Emerson and so many other children is pediatric cancer is an ugly, nasty beast that leaves a path of destruction. For Emerson and many others before him - cancer kills. We will fight for a cure until no other children are robbed of their childhood, no other siblings lose their best friends, and no other parents have to bury their babies.

"Give thanks in all circumstances; for this is God's will for you in Christ Jesus." 1 Thessalonians 5:18

May is For Mom

Most of you know that I lost my mom, Mary, in January, to a long battle with Parkinson's Disease along with nearly a year of isolation in the nursing home due to the Covid-19 pandemic. My mom absolutely loved the month of May and I have often found myself thinking about her, especially during this past month. May was special to my mom because it is the month of Mother's Day, her birthday (May 20th) and then one of her favorite days of the year was going with her siblings to Ceylon, MN on Memorial Day to put flowers on the graves of her parents, Dagne and Frieda Tveidt. There is no doubt that the "firsts" without a loved one are probably the hardest, and while there have definitely been sad times, I'm going to dedicate my column this week to the three most valuable things that my mom taught me throughout her life; these three things are to love, to live and to laugh.

My mom taught us from an early age to love Jesus Christ, your family and others, and showed us how to faithfully do this daily. Faith was always a huge part of my mom's life up until the day that she passed away, and she raised her family with this strong faith. I'll never forget reading bible verses with my mom when she was in the hospital during her last days, and even though she couldn't talk, she was trying to say John 3:16 with me when I was reading it, and also wanted me to repeat that verse several times. My mom also loved her family more than anything and was one of the most selfless people that I know. She constantly put her family first and did so many things in the background to help hold her family together and make sure that we were always taken care of. My mom also loved others and had an uncanny knack of making them feel as if they were a part of our family. We were so blessed to have such an open house growing up, and our friends always felt welcome at 1605 M Avenue in Milford. My mom also loved others that weren't the same as her, and taught us to do the same. She was a great example of teaching us how to be respectful of those who held differing opinions and came from different backgrounds than us, and to treat everyone as we wanted to be treated. In this day and age we could all definitely use more of this attitude!

My mom taught us to live each day as if it was your last day on earth and to make sure you let those close to you know how you felt about them as if it may be the last time that you see them. I know the last 10 months of my mom's life had to be brutal, isolated in the nursing home and not being able to see her family, but I know that she hung on as long as she could for the hope that she could see us all again. She also fought her last 10 days to be around her family, as the doctors and nurses thought that she could go "any day" but we knew that she could feel the love of her family in her room, as we always had someone in the room (my sisters were rock stars as they stayed with her every night) holding her hand and talking with her. She also hung on to live because she could feel and hear us all around her, sharing memories and all being together for the first time in nearly a year. My mom lived her life to the fullest every day, and taught us to do the same.

Laughter is one thing that has helped us through the tough times, and that was something that was passed down through my mom. She always taught us that you'd better be able to laugh at yourself, and in our family, you'd also better have pretty thick skin as we rarely miss a chance to poke fun at another family member. Laughter was constantly in our house, from growing up watching my mom's favorite TV show M*A*S*H, to poking fun at my mom and how she butchered names and movie titles, we were always smiling and laughing in our house. My mom taught us that life is too short to not have fun, and it's too hard to go through if you can't smile and more importantly, put a smile on someone else's face.

I am so thankful that I had the best mom in the world for 48 years and think about her and the legacy that she left in this world. She has six amazing grandchildren who all have different traits of her that are a joy to see. My mom taught me that if you live your life with love and laughter that you will leave this place better than how you found it, which to me is truly an ultimate goal for everyone, and one that my mom definitely nailed. Thank you, Mary Lou, for being an amazing mother and grandmother, you are truly missed and we are so blessed for the legacy that you left!

Grilled Chicken & Mango Salsa ~ Serves 4 at 575 calories/person

1 pound boneless skinless chicken breasts or thighs
1 tablespoon chicken grilling seasoning
1/4 cup canola oil
3 tablespoons lime juice
1 large mango, diced

Cruise on in and listen to some great music! Seating will also be available on the patio. Free admission, donations welcomed.

Clay Norris, Executive Director of the Iowa Rock 'n Roll Music Association states, "The Rock the Park series gives us an opportunity to reach a wider audience of rock music lovers. We're excited to present a schedule with a broad range of artists and utilizing some different venues within Arnolds Park. LETTERS TO THE EDITOR

To the Editor:
 The Red Cross Blood Drive on May 17, 2021, was a bit of a disappointment. We did not even reach our goal of 53 units and had 10 no shows. That is very disappointing as some wanted to give and couldn't obtain an appointment. We were able to fit in 3 walk-ins in some of the vacant slots. Please, please if you are unable to come at your appointed time or have no intention of coming when you make the appointment, please leave it open for others who will show up and give. We are able to again take a limited amount of "walk-ins" if we are able to accommodate them because of no shows.

We did have 41 presenting donors with a total of 32 units and 8 double reds for a total of 40 units. We also had 5 deferrals. Come on Spirit Lake, we can do better than this when blood is so badly needed!

On behalf of the American Red Cross, I wish to express my deep appreciation and say "Thank You" to all the volunteers and donors. Those volunteering were, Cheryl Petersen, Mary Lempiainen, Grace Gerdes, Diane and Manny Zempel and Shirley Gillespie. Manny and Diane will be relocating to Mankato and we will miss them as they have been so faithful to help. I am so thankful for the donors as well as all the volunteers who so graciously give of their time willingly.

Our blood banks are dangerously low and because we cannot manufacture blood, it is so important to do what we can to increase our supply. Another benefit is when you are a donor, you are tested for COVID-19 antibodies.

You all made a difference in someone's life and your generosity is most appreciated by those needing transfusions in trauma situations and for on-going treatment of chronic life-threatening illnesses.

Mark your calendar for August 16, 2021, Lets all pull together and make the August drive a much more successful drive.
Karen Dokken, Chairman

Dickinson County Museum Opens May 29

Changes planned - The Dickinson County Museum will be opening for the season Saturday, May 29, and will remain open Tuesdays through Saturdays, noon - 4:00pm daily, until Labor Day. "This is an exciting time for us, as we are opening our doors to the county in many new ways," said Mary Dreier, new curator of the museum.

Where history LIVES. - "Thanks to the No Boundaries group from the Okoboji High School, who worked with us throughout the 2020-2021 school year, we are embracing the slogan 'History LIVES.' with our ongoing programming, special events, partnerships with organizations, and volunteer opportunities," Dreier explained.

Stroll into the past - Jan Purdy, member of the Museum's Board of Directors, is especially excited about the "Stroll into the Past" in downtown Spirit Lake planned for the evening of August 3. "We are busy researching the stories of our downtown buildings, trying to create a historical timeline for each. Displays will be set up in many buildings highlighting their history and photos. We're also planning many activities at the Museum that evening for the whole family. Stay tuned."

Join the Thursday cleanup crew - An enthusiastic group of volunteers meets on Thursday mornings to do a variety of tasks and share stories of the past and also share some goodies. "There are lots of happy sounds (along with grunts and groans) coming from the Museum on these mornings," laughs Gayle Mayer, a regular volunteer and Board member. "We dust, clean, and organize throughout the museum, and come away knowing lots more about the history of our county and making new friends because of sharing time and ideas."

We have records galore. - "I don't think people realize how many excellent historical resources are available at the Museum. There are actual newspapers going back to 1870, plat books from the county's early days, vintage photos, courthouse records, exhaustive files about almost everything that has taken place in Dickinson County, and more. I am always finding new resources," commented Jonathan Reed, local historian, author, and Museum Board member.

And even a mid-week history quiz - Even Aubrey LaFoy, 95 year old local historian and author, is a part of the new History LIVES. focus at the Museum. He is writing weekly Dickinson County history trivia questions for the Museum's "Whetstone Wednesday" Facebook posts, which are generating lots of interest.

The best way to stay up-to-date on the ongoing programs, special events, and volunteer opportunities at the Dickinson County Museum is to "like" their Facebook page and visit their new website, www.dickinsoncountymuseum.org, created by the No Boundaries students and which began the exciting journey into History LIVES!

Be a Tourist in Your Backyard

by Rebecca Peters, Okoboji Tourism Director
Each year thousands of people visit the Iowa Great Lakes to enjoy the activities and attractions our area has to offer. Join me each week as I become a tourist in our backyard to explore a few of the spots that make the Iowa Great Lakes special!

This week I toured the Iowa Rock 'n Roll Music Association Hall of Fame Museum in Arnolds Park. This is a favorite museum of mine because several years ago I worked for the Association and had the opportunity to spend lots of time learning about the interesting history of rock 'n roll in Iowa. The museum has also sparked my interest in the Roof Garden Ballroom, and multiple books I've since co-authored about the rock 'n roll music played there!

Tom Tourville, co-founder of the Iowa Rock 'n Roll Music Association, met me at the museum. His passion for everything within the museum is contagious, and I knew he'd be the perfect person to guide me through. The Museum was moved to its current location a couple of years ago, and has been expertly designed to communicate the history in an interactive way. The entrance draws you in with a touchscreen that illustrates the routes many famous musicians took during their tour that included the Roof Garden Ballroom.

I found plenty of information on music played locally, but also enjoyed the statewide ballroom history I found in the museum. Did you know that Iowa had more ballrooms per capital than any other state in the United States? Ballrooms, and the music played in them, brought people and communities together. My parents even met at an Iowa ballroom! The museum is home to artifacts and history on ballrooms, musicians, DJs, radio stations, and anything else that helped shape the rock 'n roll music landscape in Iowa. It's not only a fun walk down memory lane, but also interesting to see the influences past music has had on the music we listen to today.

The Iowa Great Lakes Area has an abundance of museums that showcase history unique to Iowa and the Iowa Great Lakes Area, including the Iowa Rock 'n Roll Music Association Hall of Fame Museum. Most museums are free to visit, and you'll be surprised at everything you will learn! Make it your goal this year to visit each of our unique museums! You can learn more about all of our museums and even listen to a recording of the tour I took with Tom at www.VacationOkoboji.com. If you'd like to learn more about the rock 'n roll music played at the Roof Garden Ballroom, or all music played in Arnolds Park, Tom Tourville and I have a couple of books you'll love to read! You can find them at the Iowa Rock 'n Roll Museum.

LETTERS TO THE EDITOR

Dear Editor:
It's hard to imagine in this day and age, with so much information available literally at our fingertips, that we have such difficulty sorting out how to react to individuals with mental health conditions.

Our annual Mental Health Month observance attempts to promote more positive messaging about the importance of developing and maintaining better mental health. Mental Health conditions are no different than physical illness like diabetes, high blood pressure, thyroid conditions. We manage them with treatment to help us function better. Why are mental health conditions treated differently?

What makes it hard for us to admit we need help? Our culture prides itself on "everything being OK" regardless if individuals are struggling. Unfortunately, it takes an incident when behaviors get so out of control that we are forced to move into the world of mental health treatment. We have to ask ourselves then, "what could have been prevented if we had acted sooner?"

For the countless people with mental health conditions who knew something was "not OK," there are usually family members/ friends/significant others who saw something was different, unhealthy, or headed for disaster? Learning the signs and triggers is the key to recognizing when we or a loved one needs help to prevent circumstances from getting worse.

Some may say that treatment doesn't help but is that really meaning that one is expecting a "quick fix" to longer term problems? To manage effectively, one has to be willing to do the work and take the time for recovery to happen. There's so much to learn about mental health conditions and NAMI NW IA is here to help. It's a grass-roots organization that offers classes (we have one starting June 21st here in Spencer) and support for families taught or facilitated by family members who have lived with loved ones who have mental health conditions. They have the "been there, done that" experiences that can give you compassion, the tools, support, and hope to work through your private struggles.

It takes you making that first step to contact us to get involved, to share your experience in a confidential setting, and to help yourself by being a part of a network with others who share these challenges. One of the bigger fears about mental health conditions is thinking you're alone and no one else can understand. We ask you to come out of the shadows and gain some peace in sharing your story. Who knows: you could be the lifeline for someone else who needs to know there is hope. Call 712-357-5428 or contact us through our website, naminiw.org or by email at namiofnw@gmail.com for more information. We look forward to hearing from you.

Sincerely:
Kimberly Wilson LMSW

Spencer now 21 for 25

In a contest where bands play for ratings instead of pitting the bands against each other, Spencer High School musicians garnered a Division I rating - the highest possible - for the 21st time in 25 years, in the May 7th Iowa High School Music Association's Large Group Contest. SHS band director Kurt Schwark explained that each band performed before three adjudicators for placement in one of five divisions. As noted here last week, Spirit Lake also earned a Division I rating, along with Estherville and Sheldon. Algona, Storm Lake, and Humboldt earned Division II ratings...

What started as a group of school friends rehearsing in a cramped basement in Royal nearly a decade ago has blossomed into *She's With Us*, a band that already has a heavy schedule of gigs for this summer. SWU has also just made its first recording for *Route 86 Records* in Milford, with plans for more, after completing a busy summer. Iesha Toft is the lead singer, with vocal assists from each of the other band members, who are: bassman Whitney Thiessen, Dave Zitritsch (Guitar), Nathan Shaughnessy (Drums), and Kerry Belgrave (Piano). This weekend will see SWU at Spencer's Deerfield Park, in the 1500 block of 14th Avenue West -- which is west of the Clay County Fairgrounds. The event is *What the Truck Friday* -- with Spencer's newest food truck serving in the park while the music is playing from 6-8:00. After a quick nap, SWU will chug up the highway to Saturday's Farmers Market in Arnolds Park, from 9-noon.

The stage in the barn at the Little Swan Lake Winery will be filled by *The Duo Republic* on Thursday night, from 6-8:00; then by the Classic Rock group, *Union City Strings*, on Saturday, from 6-8:00; and by *Lauren and the Drifters*, from 4-6:00, Sunday afternoon...**Remember, The Dick Bauman Big Band** starts it at 7:00, on Memorial Day (Monday night) -- and *The Jazzed Up Big Band of Okoboji* will start its season on Tuesday night, June 8th, at 7:00...

Stagerat Stan overheard a conversation at the VFW in Estherville a week or so back, when *Northwest Iowa Jazz Band* member and sometime's director, Brian Sexe (He's now a 'retired' music teacher.) was talking with a friend about the 4th of July air show returning after being cancelled last year due to the pandemic. He was concerned because he wanted to see the Jazz Band provide some really rockin' music in the hanger where the pancake feed always takes place. The conversation didn't last long. It didn't have to. When the friend explained that the Chamber of Commerce had already decided the air show would take place this year, Sexe very quickly retorted, "If there's an air show, we'll be playing!" Amen!

So put that on your calendar, and show up hungry. The show is free. The pancakes are great -- as is the vintage automobile display!

Research director RD has found many things to celebrate this week. Like many composers and lyricists of the day, Hal David (1921 - 2012) was born in New York. He was most famous for his collaborations with composer Burt Bacharach, and associations with Dionne Warwick, and Karen and Richard Carpenter. Somehow, many music fans don't know that Bacarach wrote the lyrics for words used by many other artists' hits, including, Sarah Vaughan's, *Broken-Hearted Melody*, which hit the Top Ten in 1959...

The Dick Van Dyke Show collected five Emmys, at the 16th annual Emmy Awards, including those for Male and Female Lead, as well as Outstanding Writing, Directing and Comedy. The show's well-known theme song was composed by Earle Hagen, but it was co-star Morey Amsterdam who came up with the seldom-heard lyrics...

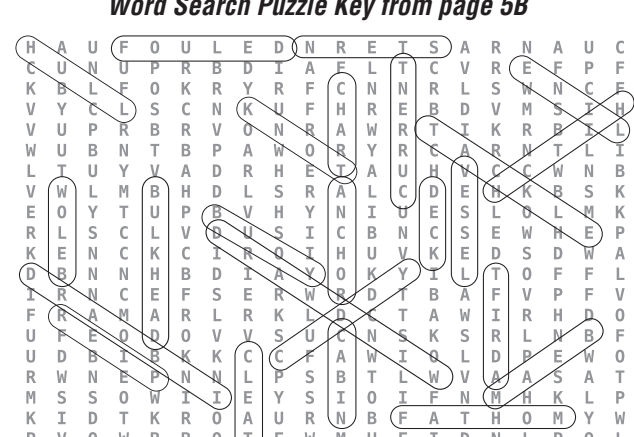

There are two reasons to celebrate Wednesday, as it will be Paper Airplane Day, and there'll be a Super Moon, too. (Did you hear about the first restaurant to open on the Moon? It had great food but no atmosphere!) All joking aside, in order to encompass both holidays with one tune, it has to be a big song -- like *Fly Me to the Moon*, written by Bart Howard. Nearly 700 versions have been recorded since the original, by Felicia Sanders, in 1954. Besides the most well-known rendition by Frank Sinatra, in 1964, Diana Krall used it on her 2002 release *Live in Paris*. and Curtis Stigers did likewise, on his 2017 CD with *The Danish Radio Big Band*...

June will start out quite appropriately with Jazz Day on the first -- the day to salute jazz musicians from A to Z, as in Louis Armstrong to Si Zentner. Both recorded the popular standard *Up a Lazy River*, which was written by Hoagy Carmichael and Sidney Arodin in 1930. One of the earliest recordings was by *Louis Armstrong and His Orchestra*, in 1931. Some 30 years later Zentner used the song as the title track of his 1962 Liberty LP, and won a Grammy Award for the Best Pop Instrumental Performance!

Cover Crops in a Drought

by Kris Kohl, Ag Engineering Specialist

There has been a lot of buzz about the use of cover crops in the last few years. The benefits are:

1. They grow and pull nutrients out of the soil and into the growing biomass.
2. They protect the soil from erosion during the season when corn or soybeans are not growing.
3. They improve water quality coming out of tile lines by reducing nitrate concentration and reducing water flow.

2021 will be a good year to evaluate how they perform in a year with moderate to severe drought (D1 to D2). The dry fall made establishment a little more difficult than normal and stands were a little more spotty, but without the heavy spring rains having done their job at protecting water quality and preventing erosion.

In normal years, the tile line flows are reduced with a rye cover crop by 4 to 5 inches during the winter and spring, reducing the overall nutrient loss. This year the soils in drought without cover crops have had no tile flow as well.

It has been a while since we have started out with lower subsoil moisture and I am concerned that every inch the cover crop uses may be one less inch for the main crop. This will be a good year to see what will happen and if we should refine our recommendations in drought. If you do experience lower overall yields do not abandon cover crops, plan to learn from it and adjust your management to do better next time.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

Letter to the Editor:

There seems to be about half-a-dozen liberals who periodically write to The Lakes News Shopper espousing the lie that the Democrats won 2020 elections "fair and square". Perhaps one of them can answer the question I've been asking for months: How can completed mail-in ballots which must be folded to be inserted into their official envelopes not have any creases? Mike Lindell has already revealed some of the evidence of massive voter fraud and I can't wait till Donald Trump decides the liberals have pulled enough rope to hang themselves and drops the hammer on them by revealing the 2020 elections were all just one big sting operation. The truth is like water; you can contain it for a while but eventually it seeps out.

Pioneer Apprentice Results

by Ms. Ballah - Pioneer Apprentice Class

After taking a season off, Season 10 of Okoboji Middle School's Pioneer Apprentice Midmester class proved to be one of the best. The six groups of kids this year collaborated with the following business partners: Oak Hill Outdoors (Oak Hill Thrills), Boji Bark (Okoboji Barkers), Piccadilly Pizza (Pizza Pioneers), The Three Sons (Four Boji Sons), Grapetree (Boji Grapes), and Boji Nutrition (Boji Bombs).... Thank you business partners!

Winning Group

Even with so many great groups, the judges were able to choose a winner, Boji Bombs! This group collaborated very well together and produced a very creative commercial for Boji Nutrition. All six groups this year worked so hard and created some of the best commercials yet. When it came to fundraising, these kids knocked it out of the park with their hard work and passion for raising money for some very special kids in our middle school. We donated the \$1,967.68 raised to our SCI program in hopes of getting a treadmill, trampoline, and other needed equipment. I'm sending out a huge thank you to all the middle school kids & staff for their very generous support. I especially want to thank the parents of the 24 kids in the class. They ALL do so much to make this class such a valuable learning experience.

Hopefully everyone had fun as they learned about working with each other as well as with professional business partners. Over the past 10 seasons, the Pioneer Apprentice kids have raised a total of \$11,750.33 for several very special causes. ALL of these kids should be really proud of themselves for their accomplishments and for their demonstration of such great kids of character and kindness!

Wendy Youngren Appointed President of Heartland Security

Heartland Security Services (HSS) announces the appointment of Wendy Youngren as president of HSS. In addition, the Board of Governors for HSS has approved a contract for Wright-Hennepin Holding (WHH) Company to provide full management of HSS. Both changes will become effective on July 1, 2021.

Youngren will also continue in her current role as Chief Operating Officer of WHH, based in Rockford, Minnesota. She comes to Heartland with almost 30 years of experience in the security industry. Youngren is the former Vice President of WHIRC, which is the 24/7 monitoring center servicing all HSS customers.

"I'm excited to have been chosen to lead the experienced Heartland team," Youngren said. "I look forward to building on the strong business foundation already in place, while ensuring Heartland Security customers get the personalized services and trusted products they need to best protect their homes and businesses."

Brian Krambeer, Chairman of the HSS Board of Governors, stated the change is part of the succession planning with the upcoming retirement of HSS General Manager Guy Adams this December.

"The board of governors is excited about the opportunity to work with Wright-Hennepin Holding Company for the future operation and leadership for Heartland Security," Krambeer said. "The change will better align Heartland for growth and expansion and strengthens the co-op principle of cooperation among cooperatives."

This new management reporting structure does not change the mission or strategy of HSS, which is to serve and protect more than 8,000 families and businesses.

Heartland Security was created in 1999 by nine electric cooperatives in Minnesota and Iowa. It is now locally owned by 14 rural electric cooperatives: Benco Electric Cooperative, Brown County Rural Electric Association, Federated Rural Electric Association, Freeborn Mower Electric Cooperative, Iowa Lakes Electric Cooperative, Kandiyohi Power Cooperative, McLeod Cooperative Power, Meeker Cooperative Light and Power Association, MiEnergy Cooperative, Nobles Cooperative Electric, People's Energy Cooperative, Runestone Electric Association, Stearns Electric Association and Wright-Hennepin Cooperative Electric Association.

A BIG THANK YOU To All Who Helped Me To Make My 85th Birthday Party So Special!

A special thanks to ALL - help from family and friends from far and near before, during, and after the party.

Thanks to Larry, LaVonne, & Duane - I could not have done all the set up without your help!

Special thanks to Hy-Vee for preparing the dinner and cake and to Donna, Mandi, and friends for serving it.

Special thanks also to Bev & Dave for taking all the pictures and video's.

Thanks also to EVERYONE so much for the many nice cards, gifts, and flower and most of all for coming to my party. Special thanks also to all the entertainment from Loony Lutheran Ladies, Borderline Out Laws, Terry Klein, and Itty Bitty Boji Band.

Special thanks to LaVonne and Duane for making my birthday dinner on my actual day and thanks to all that came to the dinner to help celebrate.

All the memories and visiting with family & friends will be treasured forever.

Days that are filled with sharing, years that are filled with caring, there is just no comparing to a life filled with love from friends and family. For every little moment of joy we can share it does make life just a little sweeter for all. God's Blessing to all! A big thank you once again to everyone

LETTERS TO THE EDITOR

Letter to the Editor:
 We would like to give a big, heartfelt thank you to the Good Neighbors Fund for their donation of \$9,018.35 to Discovery House this year. Many nonprofit organizations in the Okoboji-Spirit Lake territory have benefited from this fund over the years, and we are blessed again to be a recipient.

Due to the pandemic, our census has been down, but things are beginning to look up with the availability of vaccinations and mitigation efforts being reduced. We are currently serving five residents at Discovery House and three residents at Daniel House.

Our goal is, and always has been, to provide a safe, supportive, Christian environment for the homeless and those recovering from addictions. Residents receive counseling and tools to begin to build a new foundation for a better life.

Once again, we are grateful for the support of our neighbors this year.

Blessings,
Julie Scheib, Director

Remote Work Certificate Course

Having the skills to be successful in remote work can open employment possibilities for Iowans no matter where they live, and Iowans can gain these skills through the Remote Work Certificate.

Iowa State University Extension and Outreach offers this virtual course in partnership with Utah State University Extension. The four-week course is open to adult learners and requires approximately 30 hours to complete.

"Participants work at their own pace but must participate in four weekly virtual workshops and submit weekly assignments," said Carol Ehlers, a human sciences specialist in family finance with ISU Extension and Outreach. "Participants can also receive one-on-one support from a human sciences specialist, who can help them set career goals and identify gaps in their skills."

Participants must have broadband internet access, a Web camera and microphone, and basic computer proficiency.

The course registration fee is \$249 and upon completion participants receive a Remote Work Certificate. For an additional \$130, teachers can receive two Teacher Licensure Renewal Credits.

Participants must register by June 1, 2021, and registration information is available at <https://www.extension.iastate.edu/humansciences/remotework>.

For more information, contact Carol Ehlers at 712-732-5056 or csehlers@iastate.edu; or Brenda Schmitt at 641-423-0844 or schmitt@iastate.edu.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To the Editor:
I am writing to thank Senator "Chuck" Grassley for his years of service to our State and Country. Senator Grassley was a farmer in Iowa who saw a need for better government in our State, and he was elected to office in the Iowa Senate. Forty-one years ago, in 1980, he decided to run for U.S. Senate. I went door to door with him. He won that election and has dedicated his life to our Country. He is our friend. He knows our needs and deals with all of them in the best possible way. I am proud U.S. Senator Charles Grassley is there for us. If he wants to run again, I say "Go for it, Chuck!"

Spirit Lake Memorial Day Program

American Legion Timpe Post #23 and VFW Post #4514 will conduct an abbreviated program starting at 10:00am on Tuesday, May 31. The flags will be placed on the courthouse lawn and at the corner of Highway 9 and 71 on the Friday before (May 28) at 4:00pm. The program will include the reading of the new Avenue of Flags for the past two years (20 and 21). The high school band will play the National Anthem and a piece called "Trooper Salute". A memorial wreath will be placed on the cross and the 21 Gun Salute will honor those who paid the ultimate price for our freedoms today. Taps will be played by Hope Johnson and Blane Fuller. The invocation and benediction will be given by Michael Gewecke from the First Presbyterian church.

KUOQ Radio station will broadcast our entire program "live" on 103.9 FM at 10:00am. This will allow anyone to attend in person, listen in your car or just take some time out of their busy day at home to remember the men and women who gave their lives so we can enjoy our freedoms today. Thank you KUOQ and the sponsors of the broadcast.

Both the Legion and VFW would appreciate any help we can get to put the flags up on Friday afternoon at 4:00 and take them down on the 31st at 4:00. We also appreciate the cooperation of the public during the past 2 years with the Covid Pandemic. Many changes in the normal way funerals were handled caused some bumps with our flags. If you have any questions about the avenue of flags, please contact Commander Denny L. Perry at 712-320-5693.

Spirit Lake High School's 2021 Art of Welding Class

SLHS 'Art Of Welding' Creates Sculptures For Trailhead

The DCTB was pleased to partner with the Spirit Lake High School Art of Welding class to design and create sculptures that will be included at the Tatanka Ska Trailhead. As part of their J-term over the winter, 18 students led by instructors Brad Travis and Tyler Pedersen fashioned bike racks, a trail logo board and the top half of the trailhead tower. They did an excellent job of creating unique pieces for the trailhead that will be a focal point of the trails system for many years.

Mr. Travis shared some history about the class and what was involved with this project. "This will be our 11th large scale public sculpture. Our first sculpture was the Sami Star, funded by the "Friends of the Sami Center" in 2008. That was the only sculpture not done in J-term. Since then we have completed all other sculptures in the 10-12 days of J-term from start to finish. This project challenged us to make pieces fit the top of the tower to the column of the shelter we are not making. We also made stainless steel bike racks and a large wall piece to be added to the shelter. In addition to using stainless steel we also incorporated colored plexiglass into the pieces to add color and lighting effects. We are extremely fortunate to live in a community that supports the arts and area students as much as they do. Every year we are honored to build something for the community that will stand for years to come. To be able to show what high school students are capable of on such a grand scale is awe inspiring. Kids in the classes have fully embraced the projects knowing that they were making something of merit that they would one day be able to show even to their grandchildren."

The students involved in the 2021 Art of Welding class include: Evan Beck, Will Block, Connor Bramblett, Kaleb Burbridge, Brennan

Burrell, Kelso Carney, Josh Chicoine, Seth Funk, Nicolette Hand, Braxton Jones, Seth Kobberman, Clayton Krumpfen, Owen Lalumendre, Bryan Leathers, Brodie Madagan, Jacob Tuttle, Damon VandenBerg and Josh Wavra.

The trailhead is funded in partnership with Imagine Iowa Great Lakes and generous donations from our trail supporters.

Thank you to all that have supported this wonderful addition to the Iowa Great Lakes Trails.

Spirit Lake 4th Grade Brawl

The Spirit Lake 4th Grade class spent the last day of school, May 21, participating in the 7th annual BRAWL (Bike Ride Along West Lake). Spirit Lake Elementary physical education teacher Tim O'Hagan organizes the 9-mile ride every year. It is an excellent opportunity to teach the students about bike safety and the joy of our local trails. Mr. O'Hagan said, "We are pleased to be resuming this tradition for a seventh year after last spring's cancellation of BRAWL. The students will all start at the same place and finish at the same place but there will be two turn out options to add distances to the ride. We are grateful for all those people who do the little things that make this day a huge success. A special thank you to Dave Kuker of Kuker Trucking for shuttling 100+ bikes to the trailhead and then back to the school." The DCTB thanks Tim O'Hagan for teaching our kids about the wonderful world of biking and the trails.

DCTB 2021 Summer Fundraiser

Plans are coming together for the 2021 "Bikes - Brews - Bites" trails celebration that will be on Saturday, July 17. The event will be at the Okoboji Brewing Company's outdoor event space where there will be a variety of brews, wine and a bourbon tasting. Back Alley BBQ will be providing a fantastic menu with live music both in and outside of the brewery. Keep an eye out for information on sponsorship opportunities and tickets that will be available soon through the DCTB's website and Facebook pages. For more information, please contact us at dctrails@dickinsoncountyiowa.gov or visit our website at www.dickinsoncountytails.com.

As always, Happy Trails to You and Yours.
