SUMMER ADJOURNMENT

Voting matters for all Community Boards adjourn for the months of July and August. However, my office remains open to address your local concerns. You may also follow us on various social media platforms. For Twitter & Instagram @BronxCB10. Like us on Facebook@BronxCommunityBoard10. There are several ways to get a hold of us. We are around to meet with you and discuss any issue or concern in-person at our office at 3165 East Tremont Avenue.

COMMUNITY CLEANLINESS

We understand that the City of New York does not maintain its own property while demanding of us to do our part in front of our own homes and businesses. If you live near a service road or if you notice a pedestrian island with high weeds and/or litter, please let my office know so that we can service it ourselves. This will help reinforce to the City that it should have agency cleaning services to maintain its own property and respect our quality-of-life. Contact us at (718) 892-1161 or bx10@cb.nyc.gov.

COVID 19 VACCINE IN HOME PROGRAM

The City of New York is expanding its in-home vaccination program. If you are 75 or older and / or disabled and would like to receive a COVID-19 vaccine, call (877)829-4692 or vax4nyc.nyc.gov. Masks remain required in certain stores & restaurants throughout our community. You do not have to wear a face covering outdoors but be sure to keep at least six feet of social distancing. Children as young as twelve-years-old are now eligible to receive COVID-19 vaccines. If you need assistance finding a local vaccination site, do not hesitate to contact us.

NYC COUNCILMAN MARK GJONAJ DISTRICT 13, BRONX:

I hope you and your families are doing well. June is the month to celebrate the Graduating Class of 2021. As another year winds down, we are looking forward to celebrate all the achievements of the students, staff and families in District 13. My office will be awarding over 1,300 NYC Council Citations to all graduating students in the District. The COVID-19 vaccination is an important tool to help stop the pandemic and it requires using all the tools we have available such as wearing masks and social distancing. I am glad co-host a Vaccination Clinic at the Bronx House for our community on **June 17th from 12pm - 6pm**. NYC has announced the reopening of Senior Centers on June 14th with physical distancing and mask adherence. This is a big step towards reestablishing an in-person community for older adults who have been greatly impacted during the pandemic. This week I was proud to stand with Senator Chuck Schumer and other elected officials as we called for more funding for Stand Up to Violence program, a great outreach service initiative at Jacobi Hospital in District

13 that I have supported and funded. In partnership with the Wildcats, our office has continued to help so many constituents with a lot of cleanup and graffiti removal issues from Pelham Parkway to Throggs Neck. As always we are here for you, so please do not hesitate to contact my office with issues or concerns at 718-931-1721 or at MGjonaj@council.nyc.gov.
