Moss Service Funeral Home

Moss Service Funeral Home can arrange urn placement at The Neptune Memorial Reef!

AN UNDERSEA TRIBUTE TO LIFE.

Located 3.25 miles east of Key Biscayne in Miami Florida - GPS coordinates N25° 42.036', W80° 05.409' - Neptune Memorial Reef™ is the largest man-made reef ever conceived and, when complete, will have transformed over 16 acres of barren ocean floor.

<https://www.youtube.com/watch?v=4zBfepoVvow>

To see a live view of the reef.

Benjamin Joslin would love to show you the path to **pressure free decisions** about end of life planning and to provide you with a **free Personal Planning Guide!**

Neptune Reef is an artistic representation of the Lost City of Atlantis, 40 feet under the sea. These structures have produced a marine habitat to promote coral and marine organism's growth while creating the ultimate 'Green Burial' opportunity. A recent marine study conducted by the Department of Environmental Resource Management concluded that marine life around the Reef has gone from zero to thousands in the first two years.

Moss Service Funeral Home will help plan a **cremation, funeral or celebration** to fit every situation while being *sensitive to every budget and health* consideration.

By their spoken words many people are beguiled into believing that The Almighty Holy Elohim loves sinners (Ezek 13:22) and Jesus Christ gave them liberty from His' Father's law. Jesus Christ was manifested to destroy the devil's works (1Jn 3:8-9) and said sin no more (Jn 5:14, 8:11,14:24). Paul said (2Cor 11:13-15). So Be It!
