Spirit of Slim 76

Jess Hubley

Joe Glennon

Guy Campo

Dennis Chiccino

The Spirit of Slim is a band of friends put together in the memory of Slim Jim. Slim Jim performed for many years at the 4th of July parade. Slim's friends are Jess Hubley, Joe Glennon, Dennis Chiccino and Guy Campo.

Mersey-British Rock Invasion

Mersey- features music from bands such as The Beatles, The Rolling Stones, The Who, The Kinks, The Animals, Cream, Pink Floyd, Deep Purple, and more. The show includes a Live band that performs all the music, as well as actors and dancers. Skits that touch on topics such as long hair and other moments

that define that era. Songs include "I Want To Hold Your Hand" by The Beatles, "Satisfaction" by The Rolling Stones and "My Generation" by The Who. "Every song is a hit, I've borrowed musicians from all the great bands from this area," "It's a labor of love for all of us. Everyone in the cast is really into the project. It's a very personable show. It's been a wonderful experience putting it together." and performing for new music Lovers all over!

My son Luke, helped me with this show, from "the ground up." Luke and me, researched all the groups and Luke did the graphics as well, after many Shows.....Band Members include - Dan Traynor, Gene Harlack, Scott Grande, Dave Rand, George Livanos, Brandy Roads, Collette Johnson, Kevin Cooley, Steve Kurtz, Donna DeGregorio, John Deneen.

Uptown String Band

Although the Uptown String Band was organized in 1937, we have grown from many directions. In 1950, some of our founding fathers originally formed the Penndel Firefighters String Band, who later became the Greater Bucks String Band in 1953. After taking top prize in 1965, the group disbanded with several departed members purchasing the charter for the Harrowgate String Band (*est. 1950*). And finally, the members of the Harrowgate String Band re-organized the Uptown String Band in 1990 by purchasing their charter in order to join the Philadelphia Mummies String Band Association.

Marple Newtown Community Band

The Marple Newtown Community Band, established in 1996, is a volunteer, non-profit group that performs free for the public, both within Delaware County and out of it. The MNCB has performed at, among other places, Rose Tree Park, Glenolden Borough, Yeadon Borough, Campbell's Field in Camden, N.J., and one of Marple Township's most cherished landmarks, the Massey House. The band performs frequently at Paxon Hollow Middle School, Lima Estates, and, of course, the Marple Newtown 4th of July Parade. Prospective members need not be residents of Marple Newtown Townships. For more information about the band, go online to www.mncb.org, or call 610-308-8692.

Eagle Pep Band

The official band of the Eagles that gets us ready for pre-season football with their famous "Fly Eagles Fly" song among others and performs before 68,000 fans at every home game. They also travel with the team and play at many local weddings.

The band was the 2018 Grand Marshal of the Marple Newtown July 4th parade.

More Musical Group

The Marching Cobras

The Marching Cobras Drumline and Danceline has taken New York and its neighboring states by storm. The program provides opportunities that will promote leadership, teamwork, as well as physical fitness with a strong focus on character development. With a plethora of performances under our belt some of our most notable performances have been a part in the movie "The Birdman" the band also lead the Vince Lombardi Trophy into the stadium at the 2014 Super Bowl. The Marching Drumline and Dance line has opportunities for all young people. We create memorable events for the individual but also for the collective membership. These events provide realistic experiences that empower band members to contribute to common goals at practice. Team building and learning music benefit the participants in both their school work and personal life. The long term benefits include enhanced communication skills, concentration, decision making, stress minimization and self confidence.

The program also addresses the escalating violence, gang presence, dropout rate, lack of positive male role models for and female role models and reduce the incidence of risk taking behaviors among this vulnerable population. The program also deals with a critical and often overlooked need in the minority community overweight and obesity. With a large minority population the need for intervention is critical to ensure the short-term and long-term of these youth. The Band program address this critical issue by a "Healthy Lifestyles and Transitions Program" as part of the Marching Cobra Program.

We pride ourselves on is the fact that there is no prerequisite for experience in our program. Many of our members were not drummers or dancers when they first entered. They heard about the program and their interest brought them to us. This is where we were able to really shape, mold, and work with anyone. Sure it is beneficial if an individual has the experience but it is not a requirement. If you show you will be dedicated and that you will put in the effort to learn your craft then it becomes easy. The best thing is watching an individual go from knowing very little to mastering their drum or their dance. Socially healthy and respectful bonds are formed. Shy individuals quickly come out of their shells and shine bright with the rest of the program. Every and anyone that is willing has a place in our program.

Fusion Core Drum Corps

Fusion Core is a non-profit performing arts organization providing music education, as well as dance, movement, and color guard choreography instruction while competing and performing within the DCA Circuit.

We wish to sincerely thank our donors who have generously supported our Special New Station Building Fund Campaign! It is easy to contribute. Simply scan the QR code on the photo above or send your tax-deductible check to our 501 (c)3 organization in care of: **Franklin Mint Federal Credit Union** 3741 West Chester Pike, Newtown Square PA 19073. NEWTOWN SQUARE HISTORICAL SOCIETY

“In this centre point he laid off ten acres for a grand park or square to be handsomely railed in, smoothly sodded with grass, and painted with trees of finest shade, that the citizens, often as they pleased, might here meet and mingle with one another...”

2021 Grand Marshal Marty Godfrey

For high school sweethearts Marty and Marilyn Godfrey, food and family have always gone hand in hand. For almost 50 years, they've owned Mrs. Marty's Deli, a staple in Marple, where customers come to enjoy their Jewish specialties like matzo ball soup, smoked fishes, brisket, homemade corned beef and fresh rye bread.

Marty and his parents and sisters lived in West Philly until 1959 when his family moved to Broomall. He graduated from MNHS in 1962 and went on to study Liberal Arts at Temple University. After realizing he was more interested in the food industry, he changed course and took classes in food marketing at St. Joseph's University. Growing up, Marty worked in his dad's supermarket and learned a lot about the food industry.

After Marty and Marilyn got married, they lived in Philadelphia for a few years, then moved to Broomall and both got their real estate license. In the late 1960s, after selling real estate for a few years, Marty's childhood friend talked him into opening a nursery school together. So with Marilyn's help with bookkeeping, they started Marson's Nursery School in Media, and they eventually expanded to three locations that they ran successfully for many years. Marty did all this while simultaneously working with his father at his food market.

In 1976, they opened Marty's Media Market. Eventually, as chain stores got bigger and offered more selections, Marty decided he needed to make changes to the market. He knocked down a wall and added a dining room, which became the popular spot to eat in downtown Media, known as Mrs. Marty's Deli. In 1987, Marty got a great offer for a location in Lawrence Park Shopping Center, so he sold his building in Media moved the restaurant to Broomall and has been there ever since.

The Godfreys have three children: Betsy (Race), Jennifer (Godfrey-Taranto) and Jonathan.

Marty grew up cooking with his grandmother, who spent a lot of time with him while his parents worked long hours in their grocery store. He incorporated into the deli's menu some of his grandmother's recipes. Customer favorites are the Reuben sandwiches, the gefilte fish and the brisket.

Giving back to the community has always been very important to Marty. He served as President of the Marple Business Association and the Media Business Association and as President of Temple Sholom. He's also a member of the Broomall Rotary Club. Each year during the holidays, he donates holiday meals and gift baskets to be distributed by Rotary to families in need. Marty also donates the refreshments served at the annual tree lighting ceremony in Veterans Park. In addition he is always there to support any school or organization that asks him. And for the past 20 years, as part of the Junior Initiative in local high schools, Marty has been speaking to high school students about how to run a business. Marty never asks for credit or recognition.

HONORING OUR VETERANS

The Township of Marple and the Broomall Rotary Club are proud to announce our **Hometown Heroes Banner Program**. Each individual banner is unique and will include the veteran's picture, branch of service, era of service and sponsor's name. The banners will be located on the major roads throughout Marple Township.

- Cost of sponsorship for families, individuals, civic organizations and businesses is \$150.00.
- Application are available at the Marple Township office, 227 S. Sproul Road, Broomall or online at www.broomallrotary.com and www.marpletwp.com.
