JUNE 9TH MUNICIPAL SERVICES COMMITTEE MEETING

The Municipal Services Committee will hold its last virtual committee meeting on Wednesday, June 9 at 7:30 P.M. before summer adjournment. There are two crucial topics on which we will receive presentations. The NYPD will be joining us to present on the much-needed sound abatement mechanisms slated for Rodman's Neck on City Island. The New York City Economic Development Corporation will present on the incoming Throggs Neck Ferry Service stop at Ferry Point Park. If you wish to join us for this meeting, please contact us at (718) 892-1161 or bx10@cb.nyc.gov so we can give you the CISCO WEBEX meeting credentials. All Community Board committee meetings adjourn for the months of July and August. But, as you know, my office remains open every day each week.

COVID 19 VACCINE IN HOME PROGRAM

The City of New York is expanding its in-home vaccination program. If you are 75 or older or are disabled and would like to receive a COVID-19 vaccine, all you need do is call (877) 829-4692 or vax4nyc.nyc.gov

SENIORS FARMER MARKET NUTRITION PROGRAM (SFMNP)

Our senior population are mostly all on fixed incomes. If there is a program out there for them, we must help them apply. Nearly everyone, especially our senior citizens with low incomes, experienced higher food costs during the height of the pandemic. The Seniors Farmer Market Nutrition Program is designed for low-income seniors who are over the age of 60 to access locally grown produce. If you are over the age of 60 and are interested, please call (212) 244-6469. If you can help a loved one with the online application, you can www1.nyc.gov/site/dfta/about/farmers_market_nutrition_program.page. As always, there are income requirements. For example, a three-person household, with a senior citizen over the age of 60, cannot earn more than \$3,349 a month. Eating the right foods, especially fruits and vegetables, are more important than ever considering this on-going public health crisis.
