LETTERS TO THE EDITOR

Letter To The Editor:

The Lakes Regional Healthcare Auxiliary volunteer Marsha Carlson and the entire Auxiliary membership invite you to the upcoming Masquerade \$5.00 Jewelry and Accessories Sale fundraiser on July 8, 2021, from 10am till 5pm at the Expo/Community Room in Spirit Lake, Iowa. Masquerade is one of the most recognized hospital auxiliary fundraising partners. Everything at the event will be at the unbelievable price of \$5.00 per item and the room will be full of all kinds of new and fun merchandise. The Auxiliary members are excited to see and sell all the new inventory that the Masquerade representative will have for your shopping pleasure. Items will include necklace and earring sets, rings, bracelets, watches, scarves, fabric vests and ponchos, collegiate items, assorted bags and a vast array of new items. This is a great opportunity to see and purchase fun and new items both for yourself and others. Cash, checks and credit cards are accepted. Funds raised are used to support LRH Auxiliary scholarships for both area high school graduates and LRH employees who are advancing their education in a medically related field, to provide Lifeline support and provide financial assistance to other hospital needs as they arise.

Please mark your calendar, call some friends and come out for some fun and great shopping on Thursday, July 8th at the Expo/Community Room.
Janet Staver, LRH Auxiliary Fundraising

Damon Dotson's 14th Annual Lake Effect Clean Up Effort

In cooperation with the Iowa Lakeside Laboratory, we are looking forward to your help in the effort to keep Millers Bay and the shoreline surrounding it clean.

Although Lake Effect is not the only busy weekend in the bay, we should all do our part to pitch in and help.

Join us Sunday, July 4, at Lakeside Laboratory (1838 Highway 86, Milford) at 8:30am. Canoes, life jackets, and trash bags will be supplied.

Lakes Area Farmers Market News

Located at Dickinson Co. Fairgrounds
15th Street & Peoria Avenue, Spirit Lake, IA 51360

Lakes Area Farmers Market will be outside this week, east of the Expo building, while the flea market is going on. If it rains, we may or may not be there as we will be celebrating the rain. Next week we will enjoy a few times back inside the building and then will move outside again for the 4-H fair. While these small amounts of rain helped, the area could still use more, so produce is slow in growing. But different items are arriving each week. This last week there were beets, onions, swiss chard, snap peas, and cucumbers. There is still lettuce, spinach, kohlrabi, and hydroponic tomatoes; all fixings you need for a salad. Hoop house tomatoes should be coming soon. There is always a large variety of baked items, especially quick breads, pies, and crisps. And the selection of crafts is plentiful, ranging from dish scrubbies and therapy bags to apparel to games, toys, and doll clothes. Check us out on Wednesdays and Saturdays from 7:30 AM to 12:00 noon on the fairgrounds in Spirit Lake. We hope to see you there.

Family Fun Night at Wildcat Stadium

All are welcome on Wednesday evening, June 30, at 6:00pm for a night full of family fun at Wildcat Stadium off Highway 71 in Arnolds Park. The evening will begin with a 1-mile Color Fun Run/Walk. It's the perfect length to push a stroller or for the kids to run/walk on their own. Be sure to wear something white to show off all the bright colors from the walk.

After the walk is complete be sure to hang around for fire truck rides, food, and bouncy houses. At the end of the evening everyone is invited to head to the green space for the movie Aladdin.

Mark your calendars for this amazing night of fun!

Retirement Celebration

A retirement celebration honoring Police Chief Jeff Hanson and his 34 years of service will be held Wednesday, June 30, from 2:00-4:00pm, at the Spirit Lake Police Department - 1607 Ithaca Avenue, Spirit Lake.

Home Wine & Craft Beer Department to Include More Prizes at 2021 Clay County Fair

The 2021 Clay County Fair Home Wine and Craft Beer Department will include 15 divisions in the wine category and nine divisions in the craft beer category, as well as a new beer or wine label competition. "No matter your skill level, entering your wine or beer exhibit into the Fair is a great way to receive professional feedback on what you've brewed because our judges are either local winery and brewery owners or experienced certified judges," said Superintendent Kristen Hartwig. "As home brewing of wines and beers become more popular, this is a great opportunity to win prizes and gain experience, and it's really easy to enter."

Sponsors include InnSpiration Wines and Vines, Doll Distributing, F8 Creative, and Hy-Vee. Prizes will include cash premiums, gift certificates, growlers, and beer signs.

All exhibitors planning to enter a project within this department must enter two bottles of wine or craft beer. This allows for the entry to be judged and displayed during the nine days of the Fair, September 11-19.

"We know how popular home brewing and homemade wine is today," said Fair Manager Jeremy Parsons. "The addition of the new label competition is just one more expansion for this department."

Check out the exhibitor handbook online at www.claycountyfair.com or pick one up at the Fair Administrative Offices to find the rules and guidelines to enter your work at the Fair. Pre-registration for all exhibits is encouraged and can be completed online, by mail, or in person by August 29. For those who choose not to pre-register, registration can also occur when entries are accepted at the Creative Living Center on September 7 (11:00am-2:00pm and 4:30pm-6:00pm).

Congratulations to the parishioners of St. Joseph Church on the Centennial of their church building!

J. Roger Carr, Milford native and current summer resident, donated a 1925 calendar picturing St. Joseph Church in 1909, the remodeled church in 1914, and the new church building completed in 1921.

The calendar was a gift to the members by Father E.C. Meyers who served the Parish from 1909 to his death in 1936.

Father Meyers is buried in Calvary Cemetery, west of Milford.

Grill Fires Can Turn Dinner into Disaster

Local SERVPRO fire and water clean-up professional offers safety tips to help outdoor chefs prevent fires and burn injuries

As the summer season approaches, local fire and disaster remediation specialist Ryan Brooks of SERVPRO® of Spencer & Iowa Great Lakes knows that the number of grill fires will increase, peaking in July. "Charcoal and gas grills, barbecues and the like are involved in an average of more than 5,000 structure fires each year and almost 5,000 additional outdoor fires," said Brooks. Beyond that, Brooks adds, grilling accidents result in 19,700 trips to the hospital annually. Thermal burns account for 9,500 of those visits, and children under the age of five account for an average of 2,000, or 39 percent, of those burns.

Brooks knows that families can take steps to protect their home from damage and their family from injuries and still enjoy home-grilled, summer meals.

Before you grill:
READY: Clean grill racks and grease trays. For gas grills, check the gas tank hose for leaks at the beginning of the season.
SET: Choose a safe, firm, level spot for the grill away from coolers, running children and pets, and mingling guests. Grill outside, never in a garage or under the awning on a deck, the eaves of your home, or low-hanging branches.

GO: Prepare the grill for cooking carefully. For charcoal grills, use a charcoal chimney with newspaper, a charcoal starter fluid, or an electric charcoal starter plugged into an outdoor-rated extension cord. For gas grills, open the lid before turning the grill on. If you smell gas after the grill is lit, do not try to move the grill. Get away from the grill and call the fire department.

While you grill:
SAFE ZONE: Keep children and pets at least three feet away from the hot grill, both while you are cooking and after you serve the food. Grill surfaces can remain hot for an hour or more.
SAFE TOOLS: Use long-handled grill utensils in good condition; avoid loose, flowing clothing; and wear flame-retardant mitts to adjust vents to help prevent burns.

SAFE COOKING: Keep the fire under control. Manage flare-ups by adjusting grill height, using grill controls, or spreading out the coal bed. Keep baking soda within reach to control grease fires. Watch for blowing embers and have a fire extinguisher, a garden hose, or a bucket of sand handy to extinguish spark-triggered fires. Never attempt to move a hot grill.

"Home fires can be devastating, both financially and emotionally, because smoke and water damage often amplify the destruction to both the structure and its contents," says Brooks. "While our SERVPRO-trained professionals are here to help you recover 'Like it never even happened' if you do experience a structure fire, we believe that prevention is better than a cure. Fires and burn injuries caused by grills are not strictly a summer phenomenon. Nearly half of home grillers use their grill year-round, so it's important to keep these safety guidelines in mind all year long."

SERVPRO specializes in fire and water cleanup and restoration services and repair services, helping to remediate damage for both commercial and residential customers. For more information on SERVPRO® of Spencer & Iowa Great Lakes, please contact Ryan Brooks at 712-262-4379 or rbrooks@servprospencer.com. Forever Simon & Garfunkel

Pearson Lakes Art Center and Signe Kim Lauridsen-Jones are pleased to present Forever Simon & Garfunkel on Wednesday, June 30, at 7:30pm, in the Lauridsen Performing Arts Theatre.

Celebrating the bestselling duo in rock 'n' roll history with humor, soaring energy, charm and laser precise harmonies, Forever Simon & Garfunkel leads the audience on a journey from the groups early success as a folk act to their global dominance as hit-makers through the best of Paul Simon's solo career. Iconic songs include The Sounds Of Silence, Bridge Over Troubled Water, Mrs. Robinson, I Am A Rock, The Boxer, Homeward Bound, Cecilia, Hazy Shade of Winter, Feeling Groovy, Me & Julio, Kodachrome, Slip Sliding Away, and many more! Award-winning singer-songwriters Sean Altman (Rockapella) & Jack Skuller (Song writers Hall of Fame's Buddy Holly Prize) bring this remarkable show to our stage.

For tickets and information contact the box office at 712-332-7029 or go on our website at www.lakesart.org.

GoEvents101 Hosts Sidney Powell at the Roof Garden

Sidney Powell, America's Justice Guardian, will speak about the travesties she has encountered while supporting the 'Rule of Law' and defending election integrity.

GoEvents101 is hosting "America's Attorney" Sidney Powell at the historical Roof Garden (91 Lake Street) in Arnolds Park on Thursday, July 29, 5:30 social hour - 6:30 dinner.

Powell will address the travesties she has encountered during her career as an Assistant U.S. Attorney, Attorney for General Michael Flynn and now her crusade to bring about election integrity.

Barb Clayton, founder of GoEvents101, is excited to be able to bring Sidney Powell back to Okoboji. "When Sidney was here in October, 2020, she developed a special connection with Okoboji and its people. She is looking forward to seeing everyone again and relaxing on the shore of our beautiful blue water lake."

As Sidney Powell did in her non-fiction legal thriller, License to Lie, she will give us the background stories and leave you with an action plan to carry forward.

A meet and greet prior to the Social Hour will be sponsored by the Dickinson County Republicans. A portion of the evenings proceeds will be contributed to Defending the Republic, a Sidney Powell organization.

For more information or to purchase tickets, go to: www.GoEvents101.com or call 712-339-9323.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

Letter To The Editor:

Reading Comprehension at Stake

In last week's issue of The Lakes News Shopper Letter to the Editor author Robert Snetzer misinterpreted my June 15th Letter to the Editor. He thought my letter stated that differing opinions were not allowed. I am not opposed to differing opinions. They are the bedrock of our American democracy. A careful reading of my LTE will also show that I was not being rude. If there was any rudeness involved it was from the quoting of Terry Yarns statements in his June 8th Letter to the Editor.

In my June 15th letter I stated that voters in Iowa, Nebraska, and South Dakota Voted for President Trump. I then added voters in liberal New York and California would find Yarns viewpoint more acceptable. I included a statement that Yarns might be able to make some money by returning U-Haul trailers to those states, since so many voters had left for Florida and Texas.

I also offered an opinion that a liberal bias can be found with the National News Media and the Tech Giants. A careful review of their actions will demonstrate that point. I went on to state that many well-meaning Americans question the validity of the 2020 Presidential election. Unfortunately, we will probably never know the fairness of the 2020 election since so many Democratic lawyers are stubbornly fighting an investigation of 2020 election integrity.

DEALER INQUIRIES INVITED

Obituaries

A funeral service for Shirley Sumner, 89, of Milford, was held Friday, June 25, 2021, at First Lutheran Church, in West Okoboji, Iowa. Shirley passed away at her home on Monday, June 21, 2021.

Shirley Ann "Peachie" Derscheid, born to Glen and Edith (Norem) Derscheid, was born on November 3, 1931, on the family farm in Wright County, Iowa. She walked to school at Troy Township #4 and graduated high school from Eagle Grove in 1949. After high school, she attended UNI in Cedar Falls.

On August 2, 1952, she married her high school sweetheart, Gerald Sumner and they lived in West Branch, Marion, and Fort Dodge. They had a group of bridge-playing friends in Fort Dodge and Shirley joined PEO and had so many great new friends.

Eventually they made the move to Lake Okoboji. Once at the lake, they met another group of fun friends at Heather Ridge. They loved life on the lake as they had been vacationing there for many years.

In her free time, Shirley enjoyed tending to her flowers in the summertime, playing bridge, attending the summer theater, and eating dear Bob's sweet corn. She loved traveling with her husband and with her sisters and dear friend, Marilyn. Shirley traveled to California, Arizona, and New York with dear Marj. She and Gig loved visiting the Florida Keys and Las Vegas with Don and Mona. She loved socializing with her sisters and brothers, visiting Eagle Grove, Ankeny, and Arizona as often as she could. Gig worked at clinics in California in the '80s and Shirley joined him out there while flying back for summers at the lake. She and Gig loved California and their fresh and exciting time there with many Iowa visitors.

Shirley loved being a mom, she will forever be remembered as a loving, inquisitive, and affectionate mom, sister, aunt, and friend.

Shirley's sweet spirit rose to Heaven on June 21st at the age of 89 after almost two years pain free. She never failed in her bright spirit with a smile always for her many attentive caregivers. She loved and appreciated them so.

Meeting her in Heaven include her husband, Gerald; her parents, Glen and Edith; and siblings.

Those left to cherish her memory include her children: D.D. Sumner of Wahpeton, Iowa; John (Sherrie Palmer) Sumner of Spirit Lake, Iowa; Brian Sumner of Okoboji, Iowa; loving grandson, Adam and wife, Ashley and their children: Max John and Sadie Jane (whom Shirley delightfully met weeks ago); her beloved sisters: Ramona Knudsen, Bevy (Rod) Knudsen, sister-in-law, Mary Derscheid and Kay Wayman; brother Allen Derscheid; and brother-in-law, Paul Sumner; many beloved nieces, nephews, and their children who were all close to her heart. Also, her two flower girls, Sally Dwiggins Denny and Dianne Ellsworth; and loyal ever-present nephew, Kurt Knudsen; as well as long-time dear friends, Marilyn and Bob Damman who were always there for the Sumner family. Turner Jenness Funeral Home was in charge of arrangements.

Happy Independence Day!

This 4th of July marks the 245th birthday of the greatest country in the world, the United States of America, and what better place to celebrate the 4th of July holiday than in the beautiful Iowa Great Lakes! This past year has definitely been a trying one, politically, socially and with the Covid-19 pandemic. We have all had to take a step back, get uncomfortable and examine how we are living and what we can do to make our great country even better. The promising thing about being uncomfortable is that it generally leads to the greatest change and growth, and I have faith in the USA that we will continue to move forward and grow as a nation, TOGETHER.

The one thing that many Americans are forgetting and need to remember to help us move forward is in the name of our great country, the UNITED STATES of America. The only way that we can move forward as a country and come together as one nation, under God, is to do so as a UNITED people. I challenge everyone who reads this article to push yourself out of your comfort zone and to show empathy to those who don't look like you, to those who don't believe what you believe, to those who don't act like you, to EVERYONE. What makes our country so great is that we have such diversity and we have people from all different backgrounds that help enrich our culture. How boring would this country be if we all looked alike, if we all held the same political beliefs, if we all acted in the same manner? Somewhere along the line we have lost empathy for those who look and act differently than us. It has sadly become too easy to just lash out on social media at someone who has a different political view than you have, or to throw an insult at someone on social media who may not believe what you believe. When you read something on social media that upsets you, sometimes it's better to just ignore it and move on. One great comment that I try to live by and one that I constantly tell my basketball team is "remember, two wrongs don't make a right, two wrongs just make things worse".

I am choosing to remain positive, I am choosing faith over fear, and I believe that this great country will come together and grow from what has been an uncomfortable year. I believe that we have way more Americans who care about others and will show empathy towards others than we have of those who spew hate and ignorance. Let's come together as Americans, no matter our race, no matter our backgrounds, no matter our belief, and let's celebrate all that makes this country great. Let's honor our military heroes who have made the ultimate sacrifices so that we may celebrate our differences as Americans and not feel threatened to do so. Let's come together as ONE UNITED States of America and let's show the world that we are not only the best country in the world, but the most caring and empathetic country in the world. Happy Birthday USA!!

Home Wine & Craft Beer Department to Include More Prizes at 2021 Clay County Fair

The 2021 Clay County Fair Home Wine and Craft Beer Department will include 15 divisions in the wine category and nine divisions in the craft beer category, as well as a new beer or wine label competition.

"No matter your skill level, entering your wine or beer exhibit into the Fair is a great way to receive professional feedback on what you've brewed because our judges are either local winery and brewery owners or experienced certified judges," said Superintendent Kristen Hartwig. "As home brewing of wines and beers become more popular, this is a great opportunity to win prizes and gain experience, and it's really easy to enter."

Sponsors include InnSpiration Wines and Vines, Doll Distributing, F8 Creative, and Hy-Vee. Prizes will include cash premiums, gift certificates, growlers, and beer signs.

All exhibitors planning to enter a project within this department must enter two bottles of wine or craft beer. This allows for the entry to be judged and displayed during the nine days of the Fair, September 11-19.

"We know how popular home brewing and homemade wine is today," said Fair Manager Jeremy Parsons. "The addition of the new label competition is just one more expansion for this department."

Check out the exhibitor handbook online at www.claycountymfair.com or pick one up at the Fair Administrative Offices to find the rules and guidelines to enter your work at the Fair. Pre-registration for all exhibits is encouraged and can be completed online, by mail, or in person by August 29. For those who choose not to pre-register, registration can also occur when entries are accepted at the Creative Living Center on September 7 (11:00am-2:00pm and 4:30pm-6:00pm).

Retirement Celebration

A retirement celebration honoring Police Chief Jeff Hanson and his 34 years of service will be held Wednesday, June 30, from 2:00-4:00pm, at the Spirit Lake Police Department – 1607 Ithaca Avenue, Spirit Lake.

Protecting our waters

by Steve Weisman
As we move into the end of June, we're only a few days away from the Fourth of July. It is certain to be a festive atmosphere this year. There will certainly be Fourth of July ceremonies to remember our country's founders who have served to establish the freedoms we will be observing on this special holiday.

Lots of family activities will take place, and much of it will be on the waters of our Iowa Great Lakes. These are public waters, and we have every right to have fun on these waters. However, we must remember the need to be stewards of our waters. We need to be the caretakers of these waters that we love so much.

I know I have mentioned it before, but we as a people must do better about our littering. No matter where we go, we can see the evidence of what people have left behind! Trash! Trash! Trash! We do have groups, families and individuals who do volunteer to pick up trash, but that only scratches the surface.

As adults, we need to be the leaders in this effort. Why is it so hard to take home what is left of what we brought to the lake? Show our youth the right way to handle this issue. As a matter of fact, I have seen youngsters put their adult chaperones/parents to shame by reminding the adults to pick up and take home their litter.

Enough of the lecture! Let's display stewardship and a pride in our public waters.

Okoboji Blue Water Festival: just around the corner

As we talk stewardship and clean water, we can't forget the Okoboji Blue Water Festival slated for Saturday, August 7. After last year's postponement, the excitement is even greater in 2021. Held at the Preservation Plaza green space in Arnolds Park, the Festival offers families fun-filled clean water events and activities that have made this the premier clean water event in the state of Iowa. Best of all, it's

FREE - ALL DAY!
Greg Drees, organizer of the Festival, looks forward to all that the Festival has to offer this August. "What a wonderful feeling it is to be able to bring the Festival back to not only highlight the great clean water efforts here in the Iowa Great Lakes area, but to also have clean water experts share just how far we still have to go!"

Festival agenda
The daytime activities will run from 9:00am to 3:00pm. Utilizing the winding sidewalk in the Green Space, more than 30 exhibitors ranging from lake protective associations, non-profits and conservation organizations will be spaced out along the sidewalk answering questions and sharing their clean water stories.

At the same time, a designated area will be reserved for the Kids' and Family Activities. Drees notes, "We plan to have a dozen or so watershed education stations for parents and children that will be both educational and entertaining. We must remember that the youngsters are the future of everything."

Presentations, panel discussions and

keynote speaker are all part of the activities under the Big Tent.

Of course, anglers are an important piece of the clean water puzzle. For anglers both young and old, a special fishing seminar will take place at 10:30am under the Big Tent. This year's clinician will be Dan Spengler, Senior Bait Development Engineer with Pure Fishing.

Another popular component of the day is the panel discussion on important clean water topics, which will take place at 1:00pm under the Big Tent. This year's panel is a distinguished group of clean water experts. Drees notes, "As we get closer to the date, we will share more information about the panelists, format and types of questions that they will be asked."

Following the panel discussion will be keynote speaker Robert F. Kennedy, Jr., world renowned clean water advocate, who will take the stage under the Big Tent. "All people need to know about Kennedy is, that he has spent his entire adult life traveling the globe talking about water. Everything is focused on water, and we're just really excited about this part of our festival."

After a late afternoon break, the evening entertainment begins at 6:30pm, with JD McPherson the opening act, followed by Colbie Caillat, multi-Grammy pop singer and songwriter. "The entertainment will definitely be an awesome way to end this great day celebrating clean water. I can hardly wait for Colbie to take the stage. She is definitely going to WOW the audience with her musical talents."

Drees also thanked the public for their great support. "None of this could happen without all of the businesses, organizations and individuals who have given so generously and have volunteered their time and talents."

Dan Spengler, shown with another trophy walleye, will offer a special fishing Seminar the Saturday morning of the 2021 Okoboji Blue Water Festival.

Milford Library News

Milford Memorial Library will be closed on Monday, July 5, in observance of Independence Day. We will be back on Tuesday, July 6, at 9:30am. We would like to wish everyone a happy and safe holiday.

The Milford Memorial Library has an Adult Summer Reading Program again this year! All you have to do is pick up a bookmark at the library and fill it out throughout the summer or participate on bookpoints.milfordlibrary.net. You can bring the bookmark back to the library or log your reading online anytime between June 1 and July 30 for prizes. The Adult Summer Reading Program activities include the Adult Craft Series and Paint Nights in July. We encourage you to use the library in many different ways.

It is hard to believe, MML's Summer Reading programs are half way over. There is still time to sign up and earn points. Register on bookpoints.milfordlibrary.net, or stop in the library to register. Logs will be accepted until Friday, July 30, for all programs.

Leigh Hunt once said, "Colors are Nature's Smile." This could be why we smile and relax when we are in nature. The Young Adult Summer Reading Program Subscription Box: Nature's Smile will bring you a little bit of this enjoyment from Tuesday, June 29, through Friday, July 9. Featured activities will have you going out into nature to collect flowers and leaves to make a lantern, water coloring a canvas pencil bag, and growing a do-it-yourself chia pet. Mother Nature will welcome you to enjoy a book from our reading list or listen to our playlist. There might be a day you are not able to go outside, you will be able to enjoy the to-watch list and enjoy the recipe included in this box. This nature-packed box is free and young adults can register by signing up for Summer Reading Program: Reading Colors Your World at <https://bookpoints.milfordlibrary.net/>, by emailing milfordlibrary51351@gmail.com, calling 712-338-4643, emailing Arnolds Park Public Library, staff@arnoldspark.lib.ia.us or by calling 712-332-2033. When registering, please state which library you will be picking up your subscription box.

Looking for your next summer reading? Look at the What's Hot page on MML's webpage. Here is the direct link <http://milfordlibrary.weebly.com/whats-hot>. This page is updated weekly with adult book titles with the most reserves and with the book's cover and description. Patrons can look back at previous posts for older titles. To check availability and to reserve, patrons can go to our online catalog at <https://milford.bibliotix.com/catalog/>, call 712-338-4643, or email milfordlibrary51351@gmail.com.

Pioneer Days Parade In Milford

The marquee event of Pioneer Days in Milford will be the Pioneer Days Parade set to begin at 11:00am on Saturday, July 24, 2021. This year's celebration marks the 52nd Anniversary for Pioneer Days, in Milford.

"As always, the parade promises to be an outstanding event for spectators and participants," said Milford Commercial Club Parade Chairwoman Susan Reiser.

Highlighting this year's parade will be the presence of Shriners sponsored by Farmers Savings Bank, MHR Insurance and United Community Bank.

Spectators will be interested to know that the parade will follow a route identical to past years. After starting at Memorial Park (Little League Baseball Diamonds), the parade will pass through the Accura Healthcare Care Center parking lot, travel east along 13th Street, turn south onto Highway 71 at the Catholic Church, pass through downtown, and end at the Faith Community Church corner.

Parade watchers are reminded that there will be no parking along the parade route north of 13th Street on H Avenue, on 16th Street and G Avenue. No parking also in the ballfield parking lots. Persons should also be aware that P Avenue will be closed from 13th through the Buchanan Park area.

The Parade Committee kindly asks that floats refrain from spraying the spectators with water or liquid of any type as they travel the parade route.

Participants are encouraged to report to Memorial Park (two blocks west of Sunshine) at 9:00am on Saturday morning. Deadline for inclusion in the parade is 10:45am. No entries will be accepted after 10:45am. There is no entry fee for participants. Businesses and individuals who would like to pre-register may do so by picking up a form at the St. Joseph Catholic Church Parish Office during regular business hours. Forms may also be obtained from the Milford Commercial Club's website, <http://milfordcommercialclub.com/event-information/>. Please make two copies of your registration form. Forms may also be e-mailed or faxed by contacting Susan Reiser at 338-2274.

Please call Susan Reiser with questions at 712-338-2274. Thanks in advance to the Milford Police Department and other law enforcement agencies for routing traffic for the parade.

Superior Community Picnic

The 44th annual Superior Community Picnic will be held Sunday, July 4, 2021, at the Superior Community Center in Superior, Iowa. The potluck meal will begin at 12:30 and drinks will be furnished. A short program will follow which includes the Pledge of Allegiance, reading the Superior Poem and Prayer, sharing special memories and ending with door prizes. A free will offering is accepted and will be used for items at the Superior Cemetery. In recent years a new cemetery sign and two benches have been purchased. Also a directory installed with names and lots updated by Jan McDonald.

The committee and the community were pleased with a new lighted flag pole and flag given by Brenda, Connie and Lori in memory of their parents Daryl (Kernal) and Esther Frederick. The day concludes with visiting and ice cream cones and root beer floats.

The committee extends an invitation to all present, past residents and anyone with ties to the Superior area.

THANK YOU

We would like to thank everyone for all the nice cards, phone calls, flowers, prayers, food & memorials. Just knowing that our family & friends were there for us at this difficult time makes the loss of Larry's brother Warren a little more bearable. He will be dearly missed, but never forgotten & forever in our hearts. May the Good Lord give all of you joy, hope & peace, abundant blessings & good health. Thanks again for your thoughtfulness, Dee & Larry Truman

Seasons Center's VOCA/HEAL Program Receives \$500 from ACIG

Seasons Center for Behavioral Health received a \$500 award from the American Contractors Insurance Group for training and resources to support the HEAL (Hope, Enable and Learn) Program. HEAL Program services are funded through the Victims of Crime Act (VOCA) through the Iowa Attorney General's Office Crime Victim Assistance Division.

ACIG awarded funds will be used towards clinical trainings (workshops, conferences, etc.) for HEAL Trauma Therapists and to purchase educational resources and materials (workbooks, curriculum, and other therapeutic resources).

"We are grateful to the American Contractors Insurance Group for this gift," said Christina Eggink-Postma, VP Program Coordination and Compliance. "Their support will provide HEAL Trauma Therapists with the opportunity to increase their knowledge base on current evidence-based practices and provide additional tools to assist clients (children/adults/families) in addressing their personal trauma histories on their path to healing."

The HEAL program is designed to meet the unique needs of individuals, families, and communities who have been a victim of a crime. Through HEAL, individuals who have been a victim of a crime have the opportunity to meet with a Trauma Therapist to assist them in recovering from their trauma. Trauma Therapists work with these individuals, providing specialized individual and group therapy, assisting with applications for financial victim assistance, and providing referrals to other agencies and programs. Crimes can include, but are not limited to, physical abuse, sexual abuse, burglary, being a witness to violence, or homicide. In 2019, the HEAL program served 135 individuals, providing 1116.79 hours of therapy and 604.3 hours of advocacy.

"Thank you to the American Contractors Insurance Group for this gift!" says Kassie Carpio, Trauma Therapy Specialist at Seasons Center. "Their generosity will provide our HEAL Trauma Therapists with additional resources and tools to provide quality behavioral health services and meet the on-going needs of some of the most vulnerable people in our communities."

Letter To The Editor:
 Can anyone tell me, especially you liberals, why when we law abiding American citizens go beyond our borders that when we return we have to go through customs, show our passport, get our bags checked for illegal items, but yet we have 100,000s of illegals, many convicted felons, bringing in narcotics, sex trafficking, allowing cartel coyotes to earn massive profits, can come into America via our southern border no problem?

Grill Fires Can Turn Dinner into Disaster

Local SERVPRO fire and water clean-up professional offers safety tips to help outdoor chefs prevent fires and burn injuries

As the summer season approaches, local fire and disaster remediation specialist Ryan Brooks of SERVPRO® of Spencer & Iowa Great Lakes knows that the number of grill fires will increase, peaking in July. "Charcoal and gas grills, barbecues and the like are involved in an average of more than 5,000 structure fires each year and almost 5,000 additional outdoor fires," said Brooks. Beyond that, Brooks adds, grilling accidents result in 19,700 trips to the hospital annually. Thermal burns account for 9,500 of those visits, and children under the age of five account for an average of 2,000, or 39 percent, of those burns.

Brooks knows that families can take steps to protect their home from damage and their family from injuries and still enjoy home-grilled, summer meals.

Before you grill:
READY: Clean grill racks and grease trays. For gas grills, check the gas tank hose for leaks at the beginning of the season.
SET: Choose a safe, firm, level spot for the grill away from coolers, running children and pets, and mingling guests. Grill outside, never in a garage or under the awning on a deck, the eaves of your home, or low-hanging branches.
GO: Prepare the grill for cooking carefully. For charcoal grills, use a charcoal chimney with newspaper, a charcoal starter fluid, or an electric charcoal starter plugged into an outdoor-rated extension cord. For gas grills, open the lid before turning the grill on. If you smell gas after the grill is lit, do not try to move the grill. Get away from the grill and call the fire department.

While you grill:
SAFE ZONE: Keep children and pets at least three feet away from the hot grill, both while you are cooking and after you serve the food. Grill surfaces can remain hot for an hour or more.
SAFE TOOLS: Use long-handled grill utensils in good condition; avoid loose, flowing clothing; and wear flame-retardant mitts to adjust vents to help prevent burns.
SAFE COOKING: Keep the fire under control. Manage flare-ups by adjusting grill height, using grill controls, or spreading out the coal bed. Keep baking soda within reach to control grease fires. Watch for blowing embers and have a fire extinguisher, a garden hose, or a bucket of sand handy to extinguish spark-triggered fires. Never attempt to move a hot grill.

"Home fires can be devastating, both financially and emotionally, because smoke and water damage often amplify the destruction to both the structure and its contents," says Brooks. "While our SERVPRO-trained professionals are here to help you recover 'Like it never even happened' if you do experience a structure fire, we believe that prevention is better than a cure. Fires and burn injuries caused by grills are not strictly a summer phenomenon. Nearly half of home grillers use their grill year-round, so it's important to keep these safety guidelines in mind all year long."

SERVPRO specializes in fire and water cleanup and restoration services and repair services, helping to remediate damage for both commercial and residential customers. Corridor Announces Board of Director Election Results

The Iowa Lakes Corridor Development Corporation (Corridor) is welcoming three new board members for Fiscal Year 2022: Keith Deitering, Market President at Bank Midwest in Spirit Lake; Roger Jacobson, Owner of Jacobson Broadcasting and KILR Radio in Estherville; and Donavon Wunschel, Branch Manager at Midwestern Mechanical in Spencer.

The new members will add their leadership experience and guidance to the Board of Directors as the Corridor continues to help the region's businesses thrive and to ensure its residents enjoy an active and rewarding quality of life. They will also begin their terms alongside new President and CEO Shannon Landauer, CECD, who is joining the Corridor in early July.

Jared Brashears of Central Insurance in Storm Lake and Dr. Brian Lenzmeier of Buena Vista University in Storm Lake both were voted to serve their first terms after completing interim appointments. Voted by membership to return for their second three-year terms were Mike Porsch, Mayor of Storm Lake; Burlin Matthews, Clay County Board of Supervisors; Tim Fairchild, Dickinson County Board of Supervisors; and John Pluth, Emmet County Board of Supervisors.

Other returning board members include: Board Chair Debra Satern, SATERN® Barrels; Board Treasurer Doug Benjamin, Northwest Bank; Brad Beck, Beck Engineering; Jeaneth Ibarra, Tyson Foods; Mike McKim, Safco Products; Edwin Waleh, Heartland Team Solutions; and Susan Zulk, Spencer Hospital.

The Corridor Board of Directors consists of four Corridor member representatives from each of the four counties in the region: Buena Vista, Clay, Dickinson, and Emmet. Board members serve three-year terms and are eligible for up to two consecutive terms. Nominees for the board are voted on annually by their fellow Corridor members.

Tucker Beathard to Perform at Captain's Entertainment Complex

Nashville recording artist, Tucker Beathard, will be performing Thursday, July 1 at Captain's Entertainment Complex as part of their NASHLO Summer Concert Series. Born and raised in Nashville, Tucker grew up around music, his father was a songwriter and wrote many hits for Kenny Chesney, George Strait, Tim McGraw and Eric Church. As a child Tucker loved playing the drums but he later moved to playing the guitar. During his teenage years everyone thought he would follow the athletic footsteps of his brother CJ Beathard who is a quarterback for the San Francisco 49ers. Tucker graduated high school in 2014 with the intentions of playing Division 1 baseball at Middle Tennessee State University but after tearing his shoulder he chose to focus on music instead. Beathard self-released an EP called "The Demos, Vol. 1" in 2015 and then signed with Big Machine the next year, releasing the single "Rock On". Within a few short months it reached number two on Billboard's Country Airplay charts, paving the way for his release of "Fight Like Hell" EP. Tucker parted ways with Big Machine and ended up signing with Warner Nashville in 2018, which released his first album "Nobody's Everything". Tucker Beathard is considered one of the top Country live performers in the nation!! Make sure you get your tickets today! Captain's Entertainment Complex is located at 107 West Broadway Street in Arnolds Park. Tickets can be purchased at Captain's Entertainment complex or online at pepperentertainment.com and etix.com. 2021 Bikes-Brews-Bites Fundraiser
Plans are coming together for the 2021 "Bikes - Brews - Bites" trails celebration that will be on Saturday, July 17. The event will be at the Okoboji Brewing Company's outdoor event space and there will be a great variety of brews, wine and bourbon tasting. Back Alley BBQ will be providing a fantastic menu with live music both inside and outside the brewery. The fundraiser will coincide with the Okoboji Foundation's \$5,000 July Nonprofit Challenge and you may give directly to the trails or send your donation through www.GiveOkoboji.com between July 1-31, 2021. Sponsorship opportunities and tickets are available on the DCTB's website www.dickinsoncountyrails.com.

Your generous donation will assist the Dickinson County Trails Board in planning and development of priority projects that will add over 3 miles of new trail in 2021, a new trailhead in Spirit Lake, improvements to the trestle bridge between East and West Okoboji as well as the multi-phase projects of connecting trails to Lake Park and Clay County.

As part of the celebration, we are collaborating again with Hope Rolls - Dickinson County to raise funds for trail development and to provide new recreational opportunities for people of all ages and abilities. A raffle will be held at the event with a grand prize of a \$2,500 gift card for a bike at Bikes, Boards and Shades in Spencer along with several other great prizes. Raffle tickets are available from DCTB members or at the Bikes-Brews-Bites party. The drawing will be held at the event and you do not need to be present to win.

DCTB Awarded Okoboji Foundation And Region 3 Tap Grants
The DCTB received notification of two grant awards in May. The first is a grant from the Okoboji Foundation that will provide \$80,000 in funding for the Tatanka Ska Trailhead in Spirit Lake. The project is currently under construction and will be a focal point of the trails system where the Spine Trail and Tatanka Ska Trace intersect. Facilities that will be available at the trailhead include restrooms, shaded resting areas, charging and bike work stations and a water fountain.

The second grant award comes from the Region 3 Transportation Alternatives Program for another segment of the Clay County Connection as part of the Iowa Great

Lakes Connection trail. The award of \$272,000 will be available in 2025 for construction of the final 1.5-mile segment that will complete the connection between Dickinson and Clay Counties.

Upcoming Trail Events - BRASL Bike Ride Around Spirit Lake: Saturday, July 10 - Enjoy a 15-mile bike cruise around Iowa's largest natural lake or power bike 25 and 50-mile routes around the Iowa Great Lakes and Minnesota. This is a family friendly ride that treats you to scenic lakeside trails and includes a t-shirt and lunch certificate. Proceeds from the event will benefit Dickinson County Trails. Visit www.spiritlakecc.com for ride details and registration.

Sportsman's 7th Annual Tiki Ride: Saturday, August 7 - Riders of all ages can enjoy 16, 24 and 40-mile routes with prizes and games along the way. The ride includes a shirt, gift bag and lunch at Sportsman's with live entertainment during lunch and after the ride. There will be many prizes, games and fun surprises along the route and riders will receive a raffle entry at each of the sponsored stops. Proceeds from the ride will support Dickinson County Trails. More information on the ride and registration is available at Sportsman's Facebook site www.facebook.com/events.
