SEEKING YOUR HELP

My office continues to receive speeding and drag racing complaints on Layton Avenue in the Country Club area and on Harding Avenue in Throggs Neck. We have created a petition to tell the City of New York Department of Transportation to give us speed cameras and/or stop signs at intersections along Layton Avenue and along Harding Avenue. NYCDOT denied each request which is why we are coming to you. If you want to lend your name to these petitions, please contact my office at (718) 89-1161 or via e-mail at bx10@cb.nyc.gov. We can use all the residents we can get. Layton Avenue is a speedway. Harding Avenue is a speedway. Let's force NYCDOT to act before someone gets hurt.

COOLING ASSISTANCE BENEFIT

Summer is here and it has already been scorching hot. The City of New York Cooling Benefit opened in May for our most vulnerable populations. With this program and depending on your income eligibility, you may be eligible for a free air conditioner with installation or help with your electricity bill. I encourage you to visit <https://access.nyc.gov/programs/cooling-assistance-benefit/>. If you would like a paper application, you are welcomed to stop by our office Monday through Friday from 9 A.M. to 5 P.M as our staff is always available to help. You may also call 311 to get started.

PUBLIC LIBRARIES

Many of our area's public libraries hold computer and literacy classes, play movies, have games for children, and most importantly, many books and periodicals for us to read at our leisure. Please visit one and visit as often as possible. Supporting our local libraries proves to the City of New York that it needs more resources and that it should be opened to the public for additional hours. Please take the time out of your day to visit your nearest library and thank its staff members for their dedication to public service. For events, please visit <https://www.nypl.org/events>.
