Orleans/Niagara BOCES Students Place in the Top Nine in the Country

Orleans/Niagara BOCES is proud to announce that three of their New York State SkillsUSA champions, Madison Gancasz (Barker) for Early Childhood Education (Orleans Career and Technical Education Center (OCTEC)/Early Childhood Education), Mackenzie Clogston (Newfane) for Basic Health Care (OCTEC/Health Occupations Technician) and Rebecca Berner (Royalton-Hartland) for Health Occupations Portfolio (OCTEC/Allied Health), placed in the top nine in the country at the National SkillsUSA competition.

This year, due to the pandemic they competed virtually against the first place winners from every state in the country, rose to the challenge and did amazingly. On June 24 at a live televised event that was broadcast at the Orleans Career and Technical Education Center, the students, teachers, administrators, family and friends found out that these amazing young ladies were named in the top nine in the country at the National SkillsUSA competition.

Congratulations to them and their teachers: Christine Burdick (Early Childhood Education), Rebecca Mahar-Price and Courtney Slack (Health Occupations Technician) and Melissa Brigham (Allied Health).

Start each day with a peaceful night's sleep!

THE LAW AND YOU

BY NATHAN D. PACE
ATTORNEY AT LAW

QUIT CLAIM DEEDS AND DIVORCE

Divorces often require a great deal of time and debate, so whenever there is a tool that can be used to shorten or simplify the process, it should be considered. Quit claim deeds are one of these tools. If a divorcing couple owns property together and both parties have agreed on who should retain ownership of that property after their divorce is final, a quit claim deed can be used to quickly change joint ownership into sole ownership and therefore sole decision-making for the property. A quit claim deed can also be used to speed up the property transfer process if a judge has awarded ownership of the property to one party.

A quit claim deed will remove the departing spouse from the title to the property, effectively relinquishing their equity or ownership in the home. The execution of a quitclaim deed is typically a requirement of a divorce settlement in order to complete the division of assets. To schedule a free consultation, please call the Law Office of MACK & PACE. Trying to get through your divorce on your own, even if it's an amicable, uncontested divorce, is a major mistake that could cost you a lot of money. We will work closely with you through the whole case, giving you the guidance and support you need while you deal with this difficult transition. We emphasize family law, business law, criminal law, and estate planning.

HINT: A quit claim deed may determine ownership of a joint property, but it does not determine financial responsibility for that property (such as who pays how much of the mortgage).

Sunday Morning Positive Perks
from your Sassy Small Town Missus

RAGGED OLD FLAG

It was 1974 when Johnny Cash penned the song Ragged Old Flag as a way to express to the American people that the Flag and Country had survived countless trying times. He wanted to assure the honorable citizens of our Great Country that with faith, patriotism and the goodness of the American people that America was a Country to be celebrated and proud of. This July 4th America will become 245 years young. Babes in the woods compared to other countries whose histories consist of millenniums rather than centuries. The song begins with a town that appears to be in need of repair to a passing visitor. When the visitor shares his perception to a local old timer, the old timer sees the wear and tear of the community and It's beloved Ragged Old Flag as a reason for pride, not a reason for shame. The Old Timer doesn't want to brag, but shares with the visitor why he is proud of that Ragged Old Flag. He invites the visitor to sit a bit and hear his reasoning and the visitor listens.. As he tells it, the Flag received it's first hole when Washington took it across the Delaware. From there the Flag has persevered and stayed strong even though it has been attacked with powder burns, cut with a sword, received a hole in it and even had blood shed on it. From time to time the Old Flag has been commissioned to go to War as a symbol of our Nations steadfastness and grit. Occasionally, She has hung limp and low and wore thin, but with faith and a patriotic spirit the Old Girl always holds her head high and never lets her people down. There have been times when Americans have let the Ragged Old Flag down by burning it and times when the government for which She stands for, is engulfed in sandal. Even though, She flies high and each scar and wrinkle on Her fabric only deepens Her value. It tells the story of a Nation that through it's freedom and patriotic spirit survives times of challenge. It takes it's lessons and grows more beautiful over time, not raggedy. In the end the old timer decides that he will proudly brag about The Old Flag. Each day he will treat Her right, raise Her up proudly and care for Her always. This Flag is not just thread and fabric, but it's the symbol of the greatest asset mankind can have, Freedom. Treasure it, honor it and fight for it when required. Always be proud of the Ragged Old Flag. The colors of the flag are symbolic. Red symbolizes hardiness and valor, white symbolizes purity and innocence, and blue represents vigilance, perseverance and justice. Our constitution gifts us many Freedoms. Depending on your life situation some Freedoms will be more valuable to you than others, but never discount others' valued Freedoms they hold necessary and dear to heart. For me Freedom is about choice, the ability to protect oneself and having the right to self sustain. Song link https://www.youtube.com/watch?v=XfzJ8UBr-c0
