Thank You

It was my very great privilege to work at the Mount Morris Library for the last three decades. Thank you for the cards, letters, gifts, and flowers showered upon me when you heard that I would be retiring. Working at the Library was always more than just a job for me, because of you. I will miss you.

You will love the new librarian, Kelly Deltoro-White. Please welcome her as you welcomed me. I am looking forward to working with her, as I will be volunteering with the Friends of the Library. I want to see Kelly succeed in her new position, and I am looking forward to the Library's next steps.

God bless you!

Sharon Stanley

It was amazing to witness so many agencies come together for one common goal, and do it so efficiently and effectively. Words could never express how grateful, fortunate and proud we are to be a part of this county and community. When we needed help, these people responded at a moment's notice and the best showed up. Thank you to our family, friends and neighbors for the calls, texts and offers of help. She is home recovering and doing well. We are so appreciative of everyone who touched our lives that day.

Thank you!

TALES of TAILS!

KIDS AND FAMILIES!!

Cris Riedel's virtual stories of animals & their tails are AWESOME!

Cris' video of six stories will be available at www.storiesconnect.com July 10th and all summer long. The program is free and family friendly.

Listeners are invited to ponder some creative questions and create some drawings or stories. Then send them in to Cris! Artistic responses will be posted online in the Tails Gallery on Cris' site. Look for the tail questions in the Gallery on July 10, and at the 'tail end' of the show!

This project is made possible with funds from the Decentralization Program of the New York State Council on the Arts with the support of Governor Andrew M. Cuomo and the New York Legislature and administered by the Genesee Valley Council on the Arts.

Advanced Grant Writing

This class is designed for those who seek to increase their effectiveness in grant writing and grant management. Learn what to do – and, more importantly what not to do – on your cover sheet, narrative, background page, and your stakeholder and third-party evaluation plan. You'll gain a full understanding of the criteria funders use to determine whether your grant proposal gets funded or rejected. Students are encouraged to submit a grant proposal draft or proposal previously submitted (awarded or denied) for review. This class features small group work and one-on-one assistance.
