Moss Service Funeral Home

Moss Service Funeral Home can arrange urn placement at The Neptune Memorial Reef!

AN UNDERSEA TRIBUTE TO LIFE.

Located 3.25 miles east of Key Biscayne in Miami Florida - GPS coordinates N25° 42.036', W80° 05.409' - Neptune Memorial Reef™ is the largest man-made reef ever conceived and, when complete, will have transformed over 16 acres of barren ocean floor.

<https://www.youtube.com/watch?v=4zBfepoVvow>

To see a live view of the reef.

Benjamin Joslin would love to show you the path to **pressure free decisions** about end of life planning and to provide you with a **free Personal Planning Guide!**

Neptune Reef is an artistic representation of the Lost City of Atlantis, 40 feet under the sea. These structures have produced a marine habitat to promote coral and marine organism's growth while creating the ultimate 'Green Burial' opportunity. A recent marine study conducted by the Department of Environmental Resource Management concluded that marine life around the Reef has gone from zero to thousands in the first two years.

Moss Service Funeral Home will help plan a **cremation, funeral or celebration** to fit every situation while being *sensitive to every budget and health* consideration.

Saving You MONEY

SHOP TODAY'S LOW PRICE TAGS:
We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.

NO LIMITS:
Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.
