GRAFFITI REMOVAL

Graffiti remains a quality-of-life concern throughout our community. If you have a location in our community where it is on a storefront's rolled down gate, please call 311 and report the complaint. Then, kindly contact our office via e-mail and/or by phone so that we can track it on our end, and, ultimately, see it removed. Business owners must sign a waiver which will permit city agencies to remove the graffiti. Let's keep our community clean and aesthetic.

DISTRICT NEEDS FISCAL YEAR 23

Each year the City of New York requires each Community Board to submit a list of capital and expense requests in its respective district for review. For example, Bronx Community Board #10 can suggest to the city to increase garbage pick-up, increase hiring for parks maintenance and cleaning and to increase resources road repair. If there is a city program that is successful and you wish for it to have its funding increased, please let me know. It is crucial now more than ever to demand the City continue funding popular and successful municipal services. If you are a Bronx Community Board #10 resident that wishes to suggest an item to be placed on our Fiscal Year 22 District Needs Statement please contact me directly at (718) 892-1161 or via e-mail at bx10@cb.nyc.gov. Requests are prioritized. If your request does not make it to our final list in October, my office will keep it on record for future District Needs Statements.

SEEKING YOUR HELP

My office continues to receive speeding and drag racing complaints on Layton Avenue in the Country Club area and on Harding Avenue in Throggs Neck. We have created a petition to tell the City of New York Department of Transportation to give us speed cameras and/or stop signs at intersections along Layton Avenue and along Harding Avenue. NYCDOT denied each request which is why we are coming to you. If you want to lend your name to these petitions, please contact my office at (718) 892-1161 or via e-mail at bx10@cb.nyc.gov. We can use all the residents we can get. Layton Avenue is a speedway. Harding Avenue is a speedway. Let's force NYCDOT to act before someone gets hurt.

COUNCILMAN MARK GJONAJ'S NYC: I hope you and your families are doing well as we are finally enjoying a different summer than last year. With a sense of freedom, we still have to be cautious and encourage all those around us to get vaccinated, as 48% of the Bronxites

are still not vaccinated. Illegal Dirt Biking and Auto Drag Racing have become a public safety crises in NYC streets, I was proud to announce legislation this week to dramatically increase fines and penalties on individuals that illegally and recklessly operate dirt bikes and off-road vehicles on roadways. The bill would increase current fines by 50% and would give NYPD the additional tools needed to help control the problem. Our Mobile District Office Hours at the local libraries are the perfect opportunity to connect with constituents and address their issues. This week Team Gjonaj was at the Westchester Square Library and we are looking forward to visit with constituents at the Morris Park Library this upcoming week. We are glad to continue our weekly partnership with Wildcats to bring much of the needed cleanups and graffiti removals in the District from East Tremont to Lydig Avenue. Team Gjonaj's weekly Senior Center check ins and visits have been successful as we are visiting and hearing from seniors and also giving out oximeters, hand sanitizer and masks. Our Pet Food Giveaway events in partnership with ACC have been great as we have given away loads of pet food and met with many constituents and their furry friends on Allerton Ave. Morris Park and Holland Avenue. Please remember we are here for you, contact my office with issues or concerns at 718-931-1721 or email at MGjonaj@council.nyc.gov.
