### Public Safety is our #1 Priority at Elk River Public Utility District. To our friends in Coffee and Franklin Counties,

Elk River Public Utility District pipelines and facilities are designed, installed and maintained by knowledgeable professional personnel using materials, components, and procedures necessary to meet or exceed all applicable operational standards and safety regulations required for safe dependable operation.

Buried natural gas pipelines are installed within the community to provide natural gas service to residential and commercial customers.

Transportation of natural gas by pipeline is an extremely safe method of providing service to our customers. Our pipeline system is continuously surveyed, monitored, and patrolled to ensure system integrity and public safety. Odorant is added to the gas to make it readily detectable by smell. The scent of the odorant is similar to a sulfur or rotten egg smell. Unintentional release of gas due to damage from accidents, unauthorized digging, extreme weather or natural disaster can create a hazardous situation.

If you plan to do any excavation work, please contact the Tennessee One Call System 72 hours before work begins so that potential gas lines in the area can be located to prevent damage. Dial 811 to report your excavation work. This is a free call and service.

For additional information or concerns you may have, contact the **Elk River Public District at 931-455-9311.**

### IF YOU SUSPECT A GAS LEAK

- Do not operate electrical switches or devices that would cause an ignition source.
- Leave the area of the suspected leak.
- Report the incident immediately from a safe location outside the area of the suspected leak to **ELK RIVER PUBLIC UTILITY DISTRICT at 931.455.9311 or Call 911**

Some indications of a natural gas leak are the smell of gas odor, blowing or hissing sound, dust blowing from the ground, dead vegetation, bubbling from the ground in wet areas, or flames if the gas has ignited. Elk River Public Utility District has 24 hour emergency dispatch and personnel available to respond in such an incident.

Mrs. Smith passed away Friday, July 16, 2021 at Life Care Columbia after a long battle with Parkinson's disease and dementia. Hollis graduated from Huntland High School, where she played basketball for the Huntland Hornets, when women's basketball was played 3-on-3. She met her future husband, Tony, at a basketball game at the old Huntland High School gym. They were married on July 3, 1962 and celebrated their 59th Anniversary this past July. She retired from the Tennessee Children's Home after 40 plus years. She retired in 2010 to be able to travel; raise her flowers; and do what she loved best, going to auctions, estate sales and collecting antiques of various forms, shapes and sizes. She volunteered at the Lincoln County Archives after her retirement and was a member of the Daughters of the Confederacy. She was a faithful member of the West 7th Street Church of Christ for the past 30 years, until the Covid pandemic forced her to remain home due to her frail condition. She fought a brave battle as was her nature not to ever give up. During her younger years, she worked hard on her daddy's produce farm. She would get up early before going to school and help milk cows. After school and during the summer, she worked in the field chopping, then picking cotton in the fall, digging potatoes, gathering watermelon and cantaloupe, and helping her daddy take the produce to the farmers market to sell. She was preceded in death by her parents, Elvin and Ethel Roland of Huntland.
