ATTORNEY AT LAW

INTELLECTUAL PROPERTIES: PROTECT THEM

Intellectual Property (IP) is
a category of intangible things
such as copyrights, patents,
trademarks, unique concepts,
and ideas. Referring to the
ownership of one's ideas, the
rule of intellectual property
law protects these intangibles
with the same legal protection
as tangible property. Creating
a unique business product or
bringing innovative ideas into
reality can be a priceless asset.
Most new entrepreneurs are
not aware of the need to protect
intellectual property and may
not know where to start. Pros
suggest becoming familiar with
intellectual property rights,
keeping property under wraps,
consulting with an attorney
expert in such matters, keeping
diligent records of everything
related to the property, and
extensively researching that the
property is unique, and hiring
an auditor.

You have worked hard to start
your business. When things
begin to pick up, you will need
business law representation for
a wide range of cases. From
proper documentation for
major contracts to intellectual
property cases, employee issues,
and more, the **Law Office of
MACK & PACE** can provide
you with the consultation
and representation you need
to protect your business. To
schedule a free consultation,
please call (585) 798-1000. We
emphasize business law, family
law, criminal law, and estate
planning.

*HINT: Intellectual property
law dates to medieval Europe
when "guilds" (associations
of artisans in specific
industries) were granted
government authority to
control the regulation and
conduct of the industries.*

PRESS RELEASE

Attention all Orleans County Parents/Caregivers:

Orleans County Sheriff Christopher M. Bourke announced a Child Car Seat Check Point Event will be held on Tuesday, August 3, 2021 at Orleans County Marine Park from 4 PM- 8 PM.

According to data, vehicle crashes are the leading cause of death for children ranging from the ages of 1 to 13. Preventative measures, such as proper installation of car seats, boosters and seat belts can lower many deaths and injuries. Informing and instructing parents and caregivers on child safety and proper installation of car seats is critical to saving young lives.

Our Certified Child Passenger Safety Technicians will inspect your car/booster seats to assure that your child is in the correct seat for their size and age. Car Seat Questions- Please contact Certified Technician Kevin Colonna 585-589-5527 Kevin.Colonna@orleanscountyny.gov

****Please note****

FMC Awards Two Scholarships to Roy-Hart Graduating Seniors

Staff Reports

Posted 26 July 2021 at 2:29 pm

MIDDLEPORT — Brent Sensenich (right), FMC Middleport Agricultural Sciences Plant manager, presents \$1,000 scholarship checks each to Royalton-Hartland graduating seniors Rebecca Berner (middle) of Gasport and Thomas Ragonese (far left) also of Gasport. The scholarships were awarded based on their winning essay submissions on the theme: "picking an experience from your life and explaining how it has shaped you for the career you have selected."

Rebecca Berner was an active participant on the varsity girls' basketball, field hockey and track and field teams. She will pursue a career as a nurse family practitioner when she enters St. John Fisher College in Rochester this fall.

Thomas Ragonese was captain and MVP of the boys' varsity basketball team at Roy-Hart. He plans to pursue a career in agriculture while attending Cairn University in Langhorne Manor, PA. His life experience in working on local farms was

supplemented by the agricultural and food science studies he undertook at Roy-Hart.

“As a company dedicated to our local community, FMC is proud again to honor two outstanding Roy-Hart graduates by providing them with scholarships as well as best wishes as they undertake their career studies in college,” said Brent Sensenich, FMC Middleport plant manager.
