### Three Legged Sack Race Awards \$6; \$4; \$2

Consists of a two-member team. Each member places either of his or her legs into the sack. Both members hold the sack up and then hop, skip, jump or more than likely fall from start to finish.

### Basketball Throw Awards \$3; \$2; \$1

This is an individual competition that uses a regulation size ball and a standard goal. The object of the course is to throw the ball through the basket. The contestant who accomplished this from the greatest distance wins his or her age group.

### STATE AID FOR FAIRS

From the funds appropriated by the General Assembly of the State of TN for the purpose of aiding agricultural fairs in the payment of agricultural premiums, the Coffee County Fair Association has been allotted its proportionate share by the TN Department of Agriculture.

"For the purpose of further encouraging fairs to excel in their usefulness to their respective areas," a Merit award provision was also made in the appropriation.

It is hoped that the Coffee County Fair can have an exhibition sufficiently credible to warrant its receiving one of the special Merit Awards in addition to its allotment of State Aid.

### TENNESSEE DEPARTMENT OF AGRICULTURE

CHARLES HATCHER, D.V.M.

DIVISION OF CONSUMER & INDUSTRY SERVICES
ANIMAL HEALTH

MEMORANDUM

TO: Fair Officials

FROM: Samantha Beaty, DVM

State Veterinarian

DATE: March 4, 2021

Enclosed is a summary of Tennessee Fair Regulations - health requirements for livestock at fairs and exhibitions.

### **Special Comments:**

It is expected that all exhibitors will bring only healthy animals to fairs and exhibitions. Although state and federal animal health officials will be performing some inspections, fair officials are responsible for ensuring that all animals entering fairs for exhibition are in overall good health and are accompanied by a Certificate of Veterinary Inspection. Animals showing clinical signs of contagious disease should be sent home immediately. Violations should be reported to the state veterinarian or his agent.

Certificate(s) of Veterinary Inspection are to accompany all animal(s) to the respective shows with the exception of in-state Tennessee equine and poultry. In-state Tennessee equine six (6) months of age and older must have a negative Equine Infectious Anemia test within the preceding twelve (12) months. Poultry assembled at shows or exhibitions should be accompanied by evidence of a negative test for Pullorum-Typhoid within 90 days, or be tested on-site prior to exhibition following strict biosecurity procedures, or originate directly from a flock which has been certified as Pullorum-Typhoid Clean under the Tennessee Poultry Improvement Plan. As part of increased awareness and surveillance for Avian Influenza and other poultry diseases, all bird's physical appearance should be assessed at the time testing is conducted.

Health certificates issued in satisfaction of these Tennessee Fair Regulations shall be good for 90 days for Tennessee livestock only.

Please note that exhibition requirements for out-of-state livestock are the same as regular import requirements.

Warts and ringworm are considered contagious and infectious diseases and are permissible exclusions only if considered inactive by the issuing veterinarian and noted as such on the Certificate of Veterinary Inspection.

Scabies, contagious ecthyma (soremouth), footrot, cutaneous fungal and bacterial infections (i.e. club lamb disease, caseous lymphadenitis) are considered contagious and infectious diseases, and are permissible exclusions only if considered inactive by the issuing veterinarian and noted as such on the Certificate of Veterinary Inspection.

Avian Influenza – All out-of-state poultry must originate directly from a Pullorum-Typhoid Clean Flock and a H5/H7 Avian Influenza Clean Flock, or be accompanied by evidence of a negative Pullorum-Typhoid test within ninety (90) days and a negative official Avian Influenza test within twenty-one (21) days.

Also, please note that if highly pathogenic Avian Influenza is detected in Tennessee or a neighboring state, the commingling of poultry at fairs and exhibitions may be suspended.

### **Fair Biosecurity**

Below is a summary of recommendations for fair management by the National Assembly of State Animal Health Officials and the National Association of State Public Health Veterinarians to better protect fair attendees from disease:

- Provide easy access to hand washing stations.
- Post informational signage that includes the following messages:
  - > No eating or drinking in the animal areas.
  - > Wash hands frequently.
  - > No pacifiers, sipping cups or strollers in the animal exhibition areas.
- Discourage sleeping in the animal exhibition areas.
- If human or swine influenza-like-illness is associated with the exhibition, animal health and public health officials should be notified immediately.
- People who have influenza-like illness should leave the exhibition immediately and seek medical care. They should advise their health care provider about their fair attendance.
- People at high risk for developing severe complications from influenza should limit their exposure to swine.

Also, be aware of the potential exposure of fair attendees to E. coli 0157 from animals exhibited on the fairgrounds.

Please retain this material for reference during the 2021 fair season.

P.O. Box 269, Manchester, TN 37349

By pre-registering your entries before 9/13/2021, you will have less time on the day you bring your entries to the fair. Your entry tickets will be printed in advance and waiting for your entries to arrive. Please use a fair book to locate Dept., Section, and Class codes. Late forms will be accepted but may not be fully processed before entries arrive at the fair. Last minute entries will still be taken as always, but we hope you will pre-register. If you fail to bring and entry that you pre-registered, simply tell the Department Superintendent and they can mark it as "No Show". If there is some question about an entry being ready and/or still available by fair time, it would still be better to pre-register and let us mark it "no show" if the item is not available when fair time arrives. All entries may be put on the same form, but please use separate form for each person exhibiting. Please call (931) 273-4976 after 5:00 p.m. if you have questions. We look forward to seeing you at the Coffee County Fair!
