Public Information Meeting Notice

Town of Mount Morris Water System Expansion

Notice is hereby given that a series of two (2) public information meetings will be held to share the results of, and receive public comment on the recently completed Town of Mount Morris Water Study. The same information will be presented in each of the meetings. A hard copy of the Water Study will be available at the Mount Morris Town Hall during regular business hours.

Join us on Thursday, August 12, 2021 at either 5:00 PM & 7:00 PM at Mount Morris Central School District Auditorium, 30 Bonadonna Avenue, Mount Morris, New York, NY 14510.

ATTENTION HUNTERS

Hunting licenses for the upcoming season are now available at the Town Clerk's office. DMPs (Doe Tags) are available through October 1st. Payment may be made in cash, check, or credit card (last option will add a 2.45% Convenience Fee). Please bring an old hunting license AND a current Driver's License or another form of ID in order to update the new license issuing system. Please call the Clerk with any questions.

Town Hall Hours are 9 am-5 pm, Monday-Thursday.

SPEAK OUT

Dear "Speak Out,"

We continue with week twenty-six of our study of the United States Constitution. Article VII – Clause 1 reads "The Ratification of the Conventions of nine States, shall be sufficient for the Establishment of this Constitution between the States so ratifying the Same."

Even though there were thirteen states represented at the Second Continental Congress, our founding fathers agreed that the signatures of the representatives of nine states would be sufficient for the ratification of our Constitution.

Again, I previously mentioned the comment by George Washington that all the representatives from all thirteen states being in agreement was a miracle.

We conclude the text of our Constitution with the Secretary of the Second Continental Congress writing "Attest William Jackson Secretary...done in Convention by the Unanimous Consent of the States present the Seventeenth Day of September in the Year of our Lord one thousand seven hundred and Eighty seven and of the Independence of the United States of America the Twelfth In witness whereof We have hereunto subscribed our Names," The following were the signers of the United States Constitution: George Washington (President of the Second Continental Congress and deputy from Virginia), George Read, Gunning Bedford Jr., John Dickinson, Richard Bassett and Jacob Broom (representatives from Delaware), James McHenry, Daniel of St. Thomas Jenifer, Daniel Carroll (representatives from Maryland), John Blair and James Madison (representatives from Virginia), William Blount, Richard Dobbs Spaight and Hugh Williamson (representatives from North Carolina), John Rutledge, Charles Cotesworth Pinckney, Charles Pinckney and Pierce Butler (representatives from South Carolina), William Few and Abraham Baldwin (representatives from Georgia), John Langdon and Nicholas Gilman (representatives from New Hampshire), Nathaniel Gorham and Rufus King (representatives from Massachusetts), William Samuel Johnson and Roger Sherman (representatives from Connecticut), Alexander Hamilton (representative from New York), William Livingston, David Brearley, William Paterson and Jonathan Dayton (representatives from New Jersey), Benjamin Franklin, Thomas Mifflin, Robert Morris, George Clymer, Thomas FitzSimons, Jared Ingersoll, James Wilson and Gouverneur Morris (representatives from Pennsylvania).

Anyone studying our Constitution will notice some alterations and erasures. The word, "the", being interlined between the seventh and eighth lines of the first page, the word "Thirty" being partly written on an erasure in the fifteenth line of the first page, the words "is tried" being interlined between the thirty second and thirty third lines of the first page and the word "the" being interlined between the forty third and forty fourth lines of the second page."

There are 4543 words in the Constitution. Our United States Constitution is located in Washington, D. C., in the Rotunda for the Charters of Freedom on the upper level of the National Archives Museum. The Rotunda for the Charters of Freedom is not only the permanent home of our United States Constitution but also the original Declaration of Independence and the Bill of Rights.

Next week, Lord willing, I hope to continue our study with a summary of how our Constitution became law.

Ron Powell
Nunda

THINK TICKS!

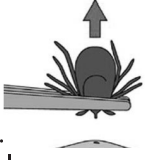

Ticks spread disease. Take steps to protect yourself and your family.

How to Avoid Ticks

- Wear light-colored clothing to spot ticks easily.
- Wear enclosed shoes, long pants and a long-sleeved shirt. Tuck pant legs into socks or boots and shirt into pants.
- Check clothes and skin often for ticks while outdoors.
- Use insect repellent.
- Stay on cleared, well-traveled trails. Walk in the center of trails. Avoid dense woods and bushy areas.
- Bathe or shower within 2 hours after going indoors to wash off and easily find ticks.
- Do a full-body tick check at the end of the day and remove ticks right away.

How to Remove a Tick

- Using fine tipped tweezers, grasp the tick near mouthparts as close to skin as possible.
- Pull tick in an upward, steady motion away from skin.
- Clean the bite site with soap and water, rubbing alcohol, or hydrogen peroxide.
- Record date and location of tick bite. If a rash or flu-like symptoms appear, contact your health care provider as soon as possible.
- **The risk of Lyme disease is lower if the tick is removed within 24-36 hours.**

FREE TICK REMOVAL KITS available to
Livingston County residents (limited supply)

For more information about tick borne diseases, please call or visit:

Letter from the Superintendent

Good Day,

I have some very good news for our families of students and our community. While our hybrid model provided the safest way for our students to attend school last year, the hybrid model didn't provide an ideal learning environment. Therefore, the District intends to return to full time, in-person instruction for all students this fall. This is the best way to engage our students in their learning and will help maximize their success.

However, at this time it is uncertain just what in-person instruction will look like regarding mask wearing and distancing. We are working with the Livingston County Department of Health as we monitor the resurgence of the Delta Variant of the COVID virus. As we work to establish the safest way forward over the next couple of weeks for all of our students and staff to attend school in-person, I will be sharing our final protocols, which students and staff will follow for the opening of the year. These protocols may very well change as new scientific facts and the COVID virus continues to impact our state and the nation.

The District appreciates all of the support the community has given us this past year and a half. Please rest assured that I will make the best decision I can with the facts on hand, with the input of the Department of Health, and in the interest of making our school as safe as possible for the return to full time, in-person instruction.

Thomas K. Kopp
 Superintendent
 Keshequa Central School

Need Help Paying for Medicare?

The Medicare Savings Programs can help with Medicare costs, like your monthly **Part B** premiums and sometimes also **Part A** and **Part B** coinsurance and deductibles. If your gross monthly income is less than \$1,469 for an individual or \$1,980 for a couple, you may be eligible.*

**These figures are based on the federal poverty limits and are subject to change.*

If you think you may be eligible, please contact NY Connects at the Livingston County Office for the Aging at 585.243.7520 for more information or assistance with applying.

This project was supported, in part by the U.S. Administration for Community Living, Department of Health and Human Services, Washington, D.C. 20201. Grantees undertaking project with government sponsorship are encouraged to express freely their findings and conclusions. Security Guards – Must have current valid NYS Security Guard License. Must be able to work all shifts including weekends & holidays. Must have clean driver's license and own transportation. Full time position 40 hours per week.

Environmental, Health & Safety: Sabin Metal is looking for someone with one to three years of experience in Environmental, Health and Safety, with the most emphasis placed on industrial hygiene. The ideal candidate will have a bachelor's degree in Industrial Hygiene, Environmental Engineering, chemistry, engineering, or related fields. She or he will be well organized and be a self-starter, and have the ability to change directions quickly. This employee will report directly to the Certified Industrial Hygienist managing the department.

Industrial Electrician: Looking for a reliable individual who has experience with instrumentation and control systems. Should be able to read and understand electrical drawings, and wiring diagrams. Able to bend, cut, thread, and install conduit. Familiar with the use of multimeters and other electrical diagnostic tools. Able to lift 50 lbs, and climb stairs and ladders. Must be able to work with minimal supervision and any shift as needed. Experience preferred, will train right individual.

Maintenance Mechanic/Plumber: Needed in a secondary metal processing manufacturing environment. Candidate must be experienced in Industrial Plumbing, Welding, Pump Repair & Minor Electrical. This is a full-time day shift position 40 hours per week. Must be willing to work overtime as needed.

Maintenance Welder/ Fabricator: Needed in a secondary metal processing manufacturing environment. Candidate must be proficient in all areas of welding & cutting using Oxy-Acetylene and plasma. Familiar with a variety of fabrication equipment, shears, rollers, saws, and press brake. Light machining background is helpful. This position requires a mechanical aptitude due to the nature of maintaining equipment, changing motors, gear boxes & bearings among other monthly maintenance responsibilities. Candidate must be selfstarter. Able to work on elevated surfaces and man lifts. High School Diploma or two years college/Technical School or Vocational School and at least two years of experience.

General Laborers: Needed in a secondary metal processing manufacturing environment. HS/GED preferred, able to work all shifts. Able to lift 50 lbs. Basic math, reading & writing skills. Able to work independently. The position involves walking & standing for long periods of time and performs strenuous physical labor. No experienced required we will train. This is a full-time position 40 hours per week.

All candidates must be at least 18 years old & be able to pass drug screening, background check, Motor Vehicle report, & Pre-employment Physical. Email resume to: human.resources@sabinmetal.com or call HR Department at 585-538-2194 for appointment time to complete application & initial interview.

Sabin offers competitive benefits, vacations & holidays, personal and birthday time off, 401K, Health, Dental, and tuition assistance. EOE/AA/M/F/VET/Disability

Notary Public Review

This course will demystify the office of notary public. For anyone planning to take New York's notary public examination, and for commissioned notaries who want to improve their understanding of regulations, this seminar will use plain English to clarify laws, concepts and procedures. You will learn how to avoid conflicts of interest, maintain professional ethics, establish proper fees, minimize legal liability, handle special situations, and more. To become a notary, you must be at least 18 years of age and either reside in New York or engage in business in the state.

SUNY GCC - Online via Zoom • Fee \$69

1 session (4 hours)

Friday, September 10, 2021

9:00 am-1:00 pm

Supervision Certificate

This intensive 30-hour course will teach you how to become an outstanding supervisor and an indispensable asset to your company or organization. You will learn how to develop a supervisory style that best fits you, how to get things done more efficiently and how to improve our overall effectiveness as a leader. This course will provide practical, easy to understand and insightful techniques to improve your day-to-day skills in managing employees. The course is designed to help you build confidence and provide a solid foundation from which to grow. Each week you will learn new skills which you can immediately put into action back in the workplace.

SUNY GCC, Batavia Campus, Room T119 • Fee \$599, includes all materials

10 sessions (30 hours)

Wednesdays, September 14-November 16, 2021

9:00 am-12:00 pm

LEAN Yellow Belt Training

During this interactive 3-day program led by CQAS instructors, participants will work in teams on specific process improvement problems using the first four phases of the DMAIC process (Define, Measure, Analyze and Improve). The program outcome will be a set of recommendations from each team on steps toward an improvement strategy for consideration by management.

Yellow Belt Program Topics Include:

- LEAN Six Sigma Enterprise Approach to Improvement
- Problems Solving Process/Tools
- 5S and Visual Controls
- VSM (Value Stream Mapping) - Current State
- Team Building and Leadership
- Change

SUNY GCC, Batavia Campus • Fee \$1,299 per person (potential funding opportunities available with Workforce Development)

Wednesdays, September 22, 29 and October 6, 2021

8:30 am-4:30 pm

Defensive Driving and Driver Pre-Licensing courses available!

Call the BEST Center at 585-345-6868 or visit our website at www.bestcenter.org for dates and times! If Defensive Driving classroom dates are not convenient for you at this time, enroll in our National Safety Council online course. Point and Insurance reduction benefits are also provided through the online program. Advance registration is required.

Intro to Hazard Analysis Critical Control Points

This two-day introductory Hazard Analysis and Critical Control Points (HACCP) certification training is an excellent supplement to the FDA recognized course by the FSPCA, Preventive Controls Qualified for Human Food (PCQI) Training. Participants will gain an understanding of the tools necessary to build a current, risk-based HACCP Food Safety Plan by:

1. Understanding pre-requisite programs and how they provide a foundation to any HACCP Food Safety Plan
2. Recognizing the hazards that can cause foodborne illnesses
3. Determine hazards relevant to the food, process and environment
4. Understand how to build a risk-based HACCP
5. Key factors to building the HACCP Plan

Course fee includes completion certificate, all books and materials for the course and special templates.

SUNY GCC, Batavia Campus, Room T121 • Fee \$629

2 Sessions (16 hours)

Tuesday and Wednesday, September 28 & 29, 2021

9:00 am-5:00 pm

Phlebotomy Technician Certification

This 90-hour Phlebotomy Technician Online Program prepares professionals to collect blood specimens from clients for the purpose of laboratory analysis. Students will become familiar with all aspects related to blood collection and develop comprehensive skills to perform venipunctures completely and safely. Classroom and lab work include terminology, anatomy and physiology; blood collection procedures; specimen hands-on practice; and training in skills and techniques to perform puncture methods.

SUNY GCC, Batavia Campus, Room C300

Mondays & Wednesdays, September 20-November 29, 2021

6:00 pm-9:30 pm

Saturdays: October 16, November 6 & November 20, 2021

9:00 am-3:00 pm

Fee \$1,799 (includes all materials)

CPR and AED

This CPR and AED course prepares you to respond to choking, breathing and cardiac emergencies. Participants will learn how to use an Automated External Defibrillation unit in conjunction with CPR.

SUNY GCC, Batavia Campus, Room T119 • Fee \$79
