A Message To Our Customers and Community:

We are announcing the sale of our business, Mt. Morris Furniture, to Harding's Attica Furniture, Flooring and Mattress effective August 13, 2021.

We are honored to have been a part of this community for over 100 years.

To all our customers, employees, local businesses, and friends, we are beyond grateful for your support.

It has been our greatest pleasure to serve you.

We are pleased to be selling our business to another family owned furniture store that shares the same business values and customer service that we've prided ourselves on throughout the years.

The store will be closed temporarily from August 14th-29th in order to renovate and prepare for a retirement clearance sale!!

Thank You

SPEAK OUT

Dear "Speak Out,"

It is important to understand that our United States Constitution was not automatically the law of the land when the framers signed it. Communication was not as quick as we experience today.

Our United States Constitution was signed by 39 founding fathers on Monday, September 17, 1787. Copies had to be transcribed and began being presented to the citizens of America on Friday, September 28, 1787.

Delaware was the first state to ratify the Constitution on Tuesday, December 7, 1787, and Rhode Island was the last state to ratify the Constitution on Saturday, May 29, 1790.

The authors of the Federalist Papers argued in favor of ratification and sought to convince the American people that the new government would not become tyrannical as many Americans were very concerned we might have another monarchy such as we had with England.

During this time period the Articles of Confederation were the law of the land. The ratifying conventions served the necessary function of informing the public of the provisions of the proposed new government. They also served as forums for proponents and opponents to articulate their ideas before the citizenry.

Significantly, state conventions, not Congress, were the agents of ratification. Our Constitution was ratified on Saturday, June 21, 1788, when New Hampshire became the ninth of the thirteen states to approve it.

The Confederation Congress, which operated under the Articles of Confederation chose Wednesday, March 4, 1789, as the day to hand over power to the new constitutional government and was the Constitution's first official day as law.

The United States Education Department outlined on Tuesday, May 24, 2005, that it planned to enforce a little-known provision that the House of Representatives Bill 4818 passed in 2004 which reads: "Every school and college that receives federal money must teach the Constitution every Sept. 17th, the day the document was adopted in 1787."

Constitution Day was originally named Citizenship Day in 1952. I encourage everyone to contact your local school superintendent and school board members to inquire if they teach our United States Constitution on September 17th. If not, a friendly reminder that their continued federal school aid depends on their adhering to this law will encourage them.

So now the question is "what are we going to do with all this information?" Knowing the contents of our United States Constitution will educate each of us as to our freedoms and responsibilities as citizens of the United States of America.

Today our freedoms are under attack by people who would turn our country into a socialist dictatorship. One of my favorite sayings is that "we should leave America in better condition than when we arrived on the scene."

Unfortunately, this has not happened as our country's freedoms are being eroded. I am sure that we wish our children and grandchildren to have an even better life than we have had.

Another of my favorite sayings is "So where are you men and women of courage?" If our founding fathers risked life and limb to adopt our Declaration of Independence and United States Constitution and many of our men and women have served and some have given their all to preserve our freedoms, it is our responsibility to care and preserve these hard-fought freedoms.

Lord willing, we will begin a five-week study of our Founding Fathers next week.

Letter from the Superintendent

Good Day,

I have some very good news for our families of students and our community. While our hybrid model provided the safest way for our students to attend school last year, the hybrid model didn't provide an ideal learning environment. Therefore, the District intends to return to full time, in-person instruction for all students this fall. This is the best way to engage our students in their learning and will help maximize their success.

However, at this time it is uncertain just what in-person instruction will look like regarding mask wearing and distancing. We are working with the Livingston County Department of Health as we monitor the resurgence of the Delta Variant of the COVID virus. As we work to establish the safest way forward over the next couple of weeks for all of our students and staff to attend school in-person, I will be sharing our final protocols, which students and staff will follow for the opening of the year. These protocols may very well change as new scientific facts and the COVID virus continues to impact our state and the nation.

The District appreciates all of the support the community has given us this past year and a half. Please rest assured that I will make the best decision I can with the facts on hand, with the input of the Department of Health, and in the interest of making our school as safe as possible for the return to full time, in-person instruction.

Thomas K. Kopp
Superintendent
Keshequa Central School

**Village of Nunda
Special Election September 7, 2021
Proposition No. 1**

Background Information:

On July 12, 2021, The Village Board of Trustees of the Village of Nunda adopted Local Law No. 2 of 2021, Opting Out of Licensing and Establishing Retail Cannabis Dispensaries and On-site Cannabis Consumption Establishments within the Village of Nunda.

The purpose of this Local Law is to prohibit retail cannabis dispensaries and on-site cannabis consumption establishments in the Village of Nunda.

This local law was adopted by vote of the Nunda Village Board of Trustees, pursuant to Marijuana Regulation Taxation Act of New York State - Cannabis Law § 131, which expressly authorizes villages to opt-out of allowing retail cannabis dispensaries and on-site cannabis consumption establishments within its boundaries.

The law will not take effect until:

- Forty-five (45) days have passed following the adoption of the law; and,
- The law is approved by the electorate of the Village of Nunda

The purpose of this special election and referendum, is to allow residents of the Village of Nunda to make a final determination regarding Local Law No. 2 of 2021. On July 12, 2021, the Nunda Village Board took all necessary actions to authorize this special election and referendum.

Please note that in voting for or against the following proposition, a vote of “Yes” is a vote to prohibit Licensing and Establishing Retail Cannabis Dispensaries and On-site Cannabis Consumption Establishments within the Village of Nunda, while a vote of “No” is a vote not to prohibit such licensing.

Should the Village of Nunda continue to opt-out of (prohibit) licensing and establishing retail cannabis dispensaries and on-site cannabis consumption establishments within the Village of Nunda?

Positively Letchworth

Scholarship Recipient Recognized

David Mapes, Cesar Batlle, and Carol Rathbun (President Friends of Letchworth)

Cesar Batlle, the son of Lisa and Axel Batlle of Nunda, NY has been awarded the 2021 Friends of Letchworth Scholarship. Cesar is a recent graduate of Keshequa Central School and plans to continue his education at Syracuse University studying to become a physical therapist. Presentation of the award was made by Mr. David Mapes of the Friends of Letchworth at the Civilian Conservation Corp Legacy Day event which was held on Saturday, August 7, 2021 at Letchworth State Park. Competition for this scholarship included senior class members from all schools adjoining Letchworth State Park. This year's scholarship of \$1,000.00 is funded by the Friends of Letchworth and by donations from individuals interested in promoting this beautiful park through a scholarship program. The Scholarship is awarded each year on the merits of a composition concerning some aspect of the park.

This year's essay looked into the question of -"How has Letchworth Park helped its surrounding communities in times of crisis?" Cesar chose to emphasize the work of the CCC during the depression of the 1930s.
