Welcome to our First Annual Best Lawyers Reader Choice section.

We asked the readers of the Mercury, Reporter and Times Herald to cast their vote for the Best Lawyers in Montgomery County. Whether you're going through a divorce, a real estate transaction or looking to protect your business, finding a sharp lawyer you can count on is key. Through our online voting ballot we received thousands of votes from readers and peers who told us who excel at their profession and who they would call on in times of need. Our Best Lawyers list honors those law professionals who have made an impressive and lasting mark in Montgomery County. We salute their excellence and applaud their success. Please hold on to this and keep in a safe place, you never know when you will need one of Montgomery County's Best!

Note: This is a readers choice award. Lawyers are not endorsed by Media News Group. All names, firms names and spellings were confirmed to the best of our ability. We apologize for any misspelled names, firm names or misrepresentations. Advertisers get no preferential treatment in the voting process
