# Salome's Stars

**ARIES** (March 21 to April 19) A more harmonious aspect favors all relationships. Family ties with mates and children are strengthened. Libra is Cupid's choice to win the amorous Aries' heart.

**TAURUS** (April 20 to May 20) The bold Bull is ready to take on fresh challenges. Expect some opposition as you plow new ground -- but supporters will outnumber detractors.

**GEMINI** (May 21 to June 20) An upcoming job change could mean uprooting your family to a far-distant location. Weigh all considerations carefully before making a decision one way or the other.

**CANCER** (June 21 to July 22) A long-standing problem is resolved by a mutually agreed upon compromise. You can now focus on getting the facts you'll need for a decision you'll soon be asked to make.

**LEO** (July 23 to August 22) The Big Cat needs to be wary of what appears to be a golden investment opportunity. That "sure thing" could turn out to be nothing more than a sack of Kitty Glitter.

**VIRGO** (August 23 to September 22) You give of yourself generously to help others, but right now you must allow people to help you. Confide your problems to family and trusted friends.

**LIBRA** (September 23 to October 22) Relationships benefit from a strong harmonious aspect. Things go more smoothly at work. Someone you thought you'd never see again asks for a reconciliation.

**SCORPIO** (October 23 to November 21) A minor distraction interferes with travel plans, but the delay is temporary. Meanwhile, expect to play peacemaker once again for feuding family members.

**SAGITTARIUS** (November 22 to December 21) Keep that positive momentum going on the home front. Arrange your schedule to spend more time with your family. You'll soon have news about that job change.

**CAPRICORN** (December 22 to January 19) Control that possessive tendency that sometimes goads you into an unnecessary display of jealousy. You could be creating problems where none currently exist.

**AQUARIUS** (January 20 to February 18) A new project holds some challenges you hadn't expected. But don't be discouraged; you'll find you're more prepared to deal with them than you realized.

**PISCES** (February 19 to March 20) Yours is the sign of the celestial Chemist, so don't be surprised if you experience a pleasant "chemistry" betwixt yourself and that new Leo in your life.

**BORN THIS WEEK:** You enjoy being fussed over, as befits your "royal" Leonine nature. You also have a strong loyalty to family and friends.

**Piedmont Pets**  
 August 19, 2021 By Paulette Dean

We have been inspired through the years by the young people who have chosen to raise money to help the shelter animals or to volunteer at the shelter. Sometimes, children opt to request guests at their birthday party bring items to donate to the shelter animals. Others have raised money by selling lemonade or making homemade craft items to sell.

In August 2016, one of our junior volunteers, Mia Trotter, did something that was very simple but that had great consequences. Mia is the daughter of a compassionate woman who used to work for us. She is actually the god-daughter of our shelter manager, April. April and her husband Tony, spend a lot of time with Mia.

Mia noticed that most people are concerned with the shelter dogs and cats; we have always been grateful for the number of people who donate food, treats, and toys for them. However, Mia has a special love for the animals who reside in our Small Critter Room at the shelter. Without consulting anyone, Mia decided to collect money from family and friends. Armed with a sign on her piggy bank, she began the process. She wanted to make sure the small companion animals are not forgotten by the public.

We thought this was a splendid idea, and we established The Little Critter Bliss Fund. Mia's maternal grandparents are Richard and Earlene Bliss, so she wanted the name of the fund to also honor them.

996 South Boston Rd.,  
 Danville, VA 24540  
 Phone: (434) 799-0843

Her beloved grandmother, Earlene, has since passed away but was always so proud of Mia's affiliation with the shelter.

Since the fund began, we have been able to purchase toys, new cages, chew sticks, heat lamps, etc. for the rabbits, guinea pigs, hamsters, gerbils, birds, bearded dragons and all others who come to stay with us. In fact, we were able to buy supplies for a beautiful goldfish that was actually seized by an animal control officer!

Never waste time thinking that unless you can do something majestic or far-reaching, you cannot do anything. Follow Mia's example. You may never know how much good one small act will accomplish.

**HOLLYWOOD**  
*by Tony Rizzo*

**HOLLYWOOD** — Maggie Smith wasn't sure she wanted to play the dowager countess, yet again, in "Downton Abbey 2," but by the time she read the script, which has been called "a lot of fun," she agreed to visit Downton at least one more time. Filming began in April, and by July 16 Elizabeth McGovern had completed filming her role. In addition to the original colorful characters returning, they've added **Dominic West** (upcoming in "The Crown" as Prince Charles, 2022-23), **Laura Haddock** (last in "Transformers: The Last Knight"), **Hugh Dancy** (last in "The Good Fight") and **Natalie Baye** (last in the French film "Garcon Chiffon"). But the Christmas opening has been scuttled in favor of March 18, 2022.

**Hugh Bonneville** completed work on "Downton" in time to prepare for his Netflix film "I Came By," with "1917" star **George MacKay**. MacKay also toplines the BBC series "The Trick" and Netflix's "Munich," with **Jeremy Irons**. Not bad for a kid who played Peter Pan 18 years ago. Bonneville still has a date with "Paddington 3" (the first two films earned a combined \$500 million). Ironically, Bonneville was born in Paddington, London.

Here's another irony: After a disappointing appearance in Netflix's "The Prom," **Meryl Streep** is currently filming "Disappointment Blvd.," starring Oscar-winner **Joaquin Phoenix**, **Patti LuPone**, **Nathan Lane** and **Parker Posey**. All we know is that it's supposed to be an intimate, decades-spanning portrait of one of the most successful entrepreneurs of all time (who could that be? **Florenz Ziegfeld**, P.T. Barnum, Billy Rose?). Shooting began June 28 in Montreal and is expected to end in October. Meryl has "Let Them All Talk," with **Candice Bergen**, **Lucas Hedges** and **Dianne Wiest**, directed by **Steven Soderbergh**, available on HBO Max, and Netflix's "Don't Look Up," with

Maggie Smith in "Downton Abbey"

**Jennifer Lawrence, Cate Blanchett and Leonardo DiCaprio.**

When NBC canceled "Manifest" after three seasons, they left us hanging with a lot of questions. Those who've invested a lot of time in this complicated series feel cheated. When Netflix began running seasons one and two, they found a large viewership and put in a bid to Warners TV to pick up the series for the fourth season. Here's where the fun begins ... after seeing the numbers on Netflix, NBC thought it acted too quickly in canceling the show and are again in talks with Warners for a fourth season.

Either way, it'll be a mess, since all the actors were released from their contracts. However, the cast has participated in a #SaveManifest campaign and have expressed a willingness to come back. NBC didn't care that they left us hanging, just that Netflix was getting big ratings. Someone's gonna be manifested with a middle finger!

## Your Health Means Everything: Protect It with Immunizations

by Cierrea Roach, MD, Pediatrician

If a researcher were to sit down at the end of 2021 and tabulate and record the number of times individual key words were mentioned over the course of the year, “vaccine” would surely be near the top. The advent of COVID-19 vaccines and the key role they have played in slowing the spread of the virus and helping us get closer to pandemic’s end has not only been at the forefront of global discourse but has also served as a reminder of how effective vaccination – or immunization, as it is also known – can be in protecting us from a number of illnesses both mild and severe.

Of all the things we have learned throughout this historic time, the one fact that perhaps can have the farthest-reaching impact for each of us individually and collectively is that our health means everything. It has always been true but perhaps never truer than now. We have been reminded of how fragile our health can be and how essential it is to do all that we can to protect it so that we can enjoy the things we love and take advantage of all that life has to offer.

One of the safest and most effective ways we can protect not only our health but the health of others is by getting vaccinated against preventable diseases. Immunizations are recommended for all ages, from birth through senior adulthood. Following recommended vaccination schedules can help ensure that you and your family stay healthy and protected from preventable serious disease. And it helps make your community healthier too, by reducing the spread of infectious illness.

**August is National Immunization Awareness Month** and a time when many of us are gearing up for another school year – perhaps in person for the first time since spring of 2020. So, it’s a perfect time to check your child’s immunization record, make sure they’re up to date on recommended vaccines and make an appointment with their pediatrician to make up for any that are missed. And while you’re checking on theirs, don’t forget to double check yours, too. Adults can benefit from vaccines as well, including some that can help prevent illnesses like shingles, hepatitis A and B, and certain cancers that can result from disease infection. Below is a quick, at-a-glance breakdown of recommended vaccinations for different ages.

### Birth, 1-2 month and 6-18 months (3 doses)

Hepatitis B

2, 4 and 6 months (3 doses)

RV (Rotavirus)

### 6 months and up

Influenza (yearly)

### 2, 4, 6-18 months and 4-6 years (4 doses)

IPV (Polio)

### 2, 4, 6 and 12-15 months (4 doses)

Hib (Haemophilus influenza type B)

PVC13 (Pneumococcus)

### 12-15 months and 4-6 years (2 doses)

MMR (Measles, mumps and rubella)

Varicella (Chickenpox)

### 12-23 months (2 doses)

Hepatitis A

### 2, 4, 6, 15-18 months and 4-6 years (5 doses)

DTaP (Tetanus, diphtheria and whooping cough)

### 11-12 years

HPV (Human papillomavirus) (2 doses)

Tdap (DTaP booster)

MenACWY (Meningococcal disease)

### 16-18 years

MenACWY (booster)

### 15 years and up (a good rule of thumb is to get a booster on the “5”s – 15,25,35, etc.)

Tdap or td (Booster every 10 years)

### 50 years and up

Zoster recombinant (Shingles)

### 65 years and up

PPSV23 (Pneumococcus)

Recommended vaccinations for children and adults alike may alter depending on factors like health conditions, lifestyle and other characteristics, so it’s important to maintain a good dialogue with your primary care provider and pediatrician on which immunizations you and your family should receive and when. And if you’re an adult who may have missed some of the recommendations above, you may be able to get catch-up immunizations. Check with your provider about what’s right for you.

If you have not yet received your COVID-19 vaccine, please consider doing so. Pfizer and Moderna COVID-19 vaccines (2 dose regimen) and the J&J COVID-19 vaccine (1 dose) are authorized for ages 18 and up, and the Pfizer vaccine (2 dose regimen) is authorized for ages 12 and up. If you are female and between the ages of 18-50, the J&J vaccine is accompanied by a rare but increased risk of thrombosis with thrombocytopenia syndrome (TTS). Talk with your provider about the right COVID-19 vaccine for you.

Our health means everything, and immunizations can have tremendous benefits when it comes to protecting your health and that of your family and community. Make sure you’re up to date on yours today. For more information on immunizations recommendations by age, visit [www.cdc.gov/vaccines](http://www.cdc.gov/vaccines).

If you would like to speak with a provider about your or your child’s immunizations, call 844.GO.SOVAH or visit the Find a Doctor tab at [SovahHealth.com](http://SovahHealth.com) to make an appointment and get connected with the care you need.

## Pittsylvania County Board of Supervisors Recap

The Board of Supervisors held a busy day of meetings on August 17. Some of the highlights included:

Approving two uses of Pittsylvania County’s allocation of ARPA funds: providing one-time premium pay bonuses for many employees and allocating \$1 million for volunteer fire and rescue agencies. The Board of Supervisors is still looking at possible uses for the remainder of Pittsylvania County’s \$11.7 million allocation.

Passing a resolution to approve up to \$9 million in financing for solid waste improvements. The cost of these needed improvements, which include the development of several new convenience centers, improvements to existing convenience centers, and the transfer into a new cell at the landfill, will be more than covered by annual payments from contracts with trash haulers.

Hearing an update about Pittsylvania County’s summer internship program, during which approximately 15 students received a meaningful work experience.

## Mayor issues statement on Wendell Scott trophy

Mayor Alonzo Jones has issued the following statement regarding the announcement that NASCAR will present Wendell Scott’s family with a trophy for Scott’s 1963 Cup Series victory.

**“I was thrilled to hear that NASCAR plans to honor Hall of Famer Wendell Scott, by presenting the Scott family with a trophy for his 1963 win at the Grand National Series race,” said Mayor Alonzo Jones. “Danville is proud of our hometown hero and I am so pleased that he is getting this overdue and well-deserved recognition.”**

In a post to their Facebook account, The Wendell Scott Foundation shared that NASCAR will formally present the Scott family with a trophy for Wendell Scott’s 1963 Cup Series victory prior to the Coke Zero Sugar 400 at Daytona International Speedway later this month. The trophy will be the one that Scott would have received for winning at Speedway Park in Jacksonville, Florida in December of 1963. NASCAR shared the news at a private event held Wednesday night to honor Scott, who was inducted into the NASCAR Hall of Fame in 2015. The Coke Zero Sugar 400 will take place one day before Scott’s 100th birthday on August 29.

1. Name the first single Lesley Gore ever released.
2. What was the name of the little boy in "Puff, the Magic Dragon"?
3. Which one-hit-wonder girl group released "Sally Go 'Round the Roses"?
4. Who released "The Angels Listened In"?
5. Name the song that contains this lyric: "Love can touch us one time and last for a lifetime, And never let go till we're one."

### Answers

1. "It's My Party," in 1963. The song went to No. 1, the only chart topper Gore ever had. She released five singles that year.
2. Little Jackie Paper. The lyrics were originally a poem written by a 19-year-old student. Years later his roommate, Peter Yarrow, of Peter, Paul & Mary, put the words to music.
3. The Jaynetts, 1963. The single's B-side track was the instrumental version of the song.
4. The Crests, in 1959.
5. "My Heart Will Go On," by Celine Dion in 1997. It was on the soundtrack of the movie "Titanic." The film-score composer wanted it as an instrumental, but lyrics were written anyway. Then Celine Dion didn't want to sing it. The song ended up as one of the best-selling singles of all time.

**A Perfect Pairing for Summer Supper**

**FAMILY FEATURES**

Few moments make summers quite as special as family meals, whether you're soaking up the sun's rays on the patio or beating the heat at the dining room table. You can make evenings the highlight of the day with loved ones by centering dinner around the flavors of the season.

Fish, for example, is a popular choice for many with its lighter texture and a flavor profile that's easily paired with a variety of veggies. These Blackened Salmon Sliders with Pickled Beet Relish can feed a family in a fun, handheld way with Aunt Nellie's Pickled Beets serving as a perfect partner for the fish fillets.

No summer dinner is complete without a side dish like this BLT Potato Salad. A trio of classic warm-weather ingredients – bacon, lettuce, tomato – blend together with READ German Potato Salad and a homemade vinegar-based dressing for a delightful spin on a family favorite.

To find more summer-inspired meal ideas perfect for sharing with family and friends, visit [readsalads.com](http://readsalads.com) and [auntnellies.com](http://auntnellies.com).

**Blackened Salmon Sliders with Pickled Beet Relish**

Recipe courtesy of [tarateaspoon.com](http://tarateaspoon.com)  
Prep time: 40 minutes  
Yield: 12 sliders (2 per serving)

- 4 single-serve cups Aunt Nellie's Diced Pickled Beets
- 1 finely chopped scallion (about 2 tablespoons)
- 1/2 cup shredded radishes
- 1 cup plain Greek yogurt
- 1 cup finely crumbled feta cheese
- 2 tablespoons chopped flat-leaf parsley
- 2 teaspoons chopped oregano
- 1/4 teaspoon kosher salt, plus additional, to taste, divided
- 1 pinch ground black pepper
- 2 pounds salmon fillets, skinless
- 3 tablespoons blackened seasoning
- 2 tablespoons olive oil
- 12 slider buns
- 1 cup baby arugula

Drain beets well. In medium bowl, combine diced beets, scallions and radishes. Set aside.

In small bowl, combine yogurt, feta, parsley and oregano. Stir in 1/4 teaspoon kosher salt and black pepper. Set aside.

Cut salmon into 12 roughly 2 1/2-inch squares, about 1/2-inch thick. Slice thick parts of fillets in half to make thinner, if needed.

Sprinkle fillets with salt, to taste, on both sides. Sprinkle evenly with blackened seasoning until well coated.

Heat nonstick skillet or cast-iron pan over medium heat and add oil. Add salmon, in batches if needed, and cook, turning once, until salmon is crisped and almost cooked through, about 1 1/2 minutes per side. Remove and let rest.

Spread each slider bun with about 1 tablespoon yogurt sauce. Layer arugula, salmon and beet relish on each slider and serve.
