Full Lorain County Fair returns

By Kevin Martin

kmartin@morningjournal.com

Following a scaled down 2020 in the midst of the novel coronavirus pandemic, the 175th edition of the Lorain County Fair will return on Aug. 22 to the Wellington fairgrounds kicking off a week of fun.

Limited to only the junior fair in 2020 due to health and safety concerns, the Lorain County Fair is back in business and ready to welcome a full slate of guests to enjoy live entertainment, food and games in the annual summer classic.

Dating to 1846, the Lorain County Fair is the second largest fair in the state of Ohio with the goal of educating people about animals and holding a family-oriented event representing high standards set over many years.

The fair showcases animal projects and competitions through the Lorain County 4-H program.

Evening entertainment will kick off on Aug. 23 with E5C4P3 ("Escape") Journey tribute band followed by a performance by country band Post-Road on Aug. 24. Tickets are \$10 with performances beginning at 7 p.m.

The rest of week will feature the OSTPA Truck Pull at 7 p.m. on Aug. 25, the NPTA Grand National tractor pull at 6:30 p.m. Aug. 26, followed by the combine derby at 7 p.m. Aug. 27 and closing with the demolition derby at 4 p.m. on Aug. 28. Admission for the truck pull is \$10. Tickets for the tractor pull, combine derby

and demolition derby are each \$15.

The Lorain County Fair will also be bringing back kid's day on Aug. 25, with a full day of interactive activities and entertainment for Lorain County youngsters including an ice cream eating contest, Outback Ray's Jungle Show and more.

Aug. 26 the Lorain County Fair will offer free admission to military veterans and seniors 65 and over.

In anticipation of the fair's return, Lorain County Commissioners approved \$200,000 in June in support of operations.

Of that funding, \$131,000 supports the junior fair. Commissioner Michelle Hung said it was an investment in Lorain County's youth.

"Lorain County Fair supports one of the largest junior fair programs in the state. Eleven barns house 4-H animals and the grounds are used for events throughout the year. Dedicated students and leaders help to make the Lorain County Fair a great success each and every year," Hung said following the vote.

An additional \$64,100 is allocated toward general encouragement which assists with the costs of operations for the fair.

"The Lorain County Board of Commissioners is pleased to offer assistance for the operation of the fair and ensure the public will be happy to enjoy the sights and the smells and the memories that we make, and our families make every year," Hung added.
