Nonprescription medications are just as likely a cause of poisoning as prescription drugs, according to a new study published in the *Journal of Medical Toxicology*. Sleeping pills, muscle relaxants, non-opioid pain relievers (such as acetaminophen and ibuprofen), opioid pain relievers and antidepressants were the most common medications involved in poisoning.

The U.S. Food and Drug Administration has approved Stivarga (regorafenib) to treat patients with colorectal cancer that has progressed after treatment and spread to other parts of the body (metastatic). According to the Centers for Disease Control and Prevention, colorectal cancer is the third most common cancer in men and in women and the third leading cause of cancer death in men and in women in the United States. The National Institutes of Health estimates 143,460 Americans will be diagnosed with colorectal cancer, and 51,690 will die from the disease in 2012. In August 2012, the FDA approved Zaltrap (ziv-aflibercept) for use in combination with a FOLFIRI (folinic acid, fluorouracil and irinotecan) chemotherapy regimen to treat adults with metastatic colorectal cancer.

Heart failure is a relatively common complication in older women with breast cancer, but the risk is even higher in those patients treated with adjuvant trastuzumab (Herceptin®), Yale School of Medicine researchers report in the current issue of the *Journal of the American College of Cardiology*.

## Reasons for Pre-planning

- Make Logical Decisions**

Pre-planning prior to an illness is less emotional; therefore resulting in more practical decisions.

- Make Your Wishes Known**

Pre-plan as many details as you so desire.

- Economical**

Prices are locked in with no price increases. This could save hundreds, even thousands of dollars.

- Peace of Mind**

Faith of many: for doctrines, the commandments of men (paganism) made as Christianity! They are commanded to go to a church on a Sunday and testify The Christ is The Son of Elohim then ask in The Name of Jesus to forgive all sin (even willful sin) to be saved. Man's doctrines is accepted as the Christian way not by believing in obeying Christ's written Word. They believe their church's preacher (Satan's minister 2Cor 11:13-15) over the Word of Christ. Paganism is the accepted religious life they seek to know (Christmas, Easter, Valentine day, Halloween, etc.), but teach these days are only for the children. The deceivableness of this is to draw children and their children to deny scripture, the written Word of Elohim.

**WEEKLY ADVERTISED SPECIALS:**  
Special lower prices on selected items advertised Weekly, to every trade area household, (direct mail delivery), in The Community Shopper's Guide.

**BLUE TAG SPECIALS:**  
We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.

**NO LIMITS:**  
Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.
