PARENTS: If your total current household income is within the limits listed above, your children may be eligible for either free or reduced-price meals.

They may apply by completing the application forms sent home with a letter to parents. Additional copies are available at the principal's office in each school. The information provided on the application is confidential and will be used only for the purpose of determining eligibility. The information on the application may be verified at any time during the program year. Applications may be submitted any time during the school year.

In accordance with program regulations school officials will be verifying the income of some households at some time during the school year. Selected households will be requested to provide income documentation in order to continue receiving free and reduced-price meals.

The last four digits of the social security number must be provided for the primary wage earner or household member who signs the application. Aliens ineligible for social security numbers should indicate their status on the application.

In certain cases, foster children are also eligible for these benefits. If a family has such children living with them and wishes to apply for such meals for them, they should contact the school.

In the operation of child feeding programs, no child will be discriminated against because of race, sex, color, national origin, age or disability.

Under the provision of the free and reduced-price meal policy, Cullman County Schools Child Nutrition will review the applications and determine eligibility.

If a parent is dissatisfied with the ruling of the official, he may wish to discuss it in more detail with that official. If a parent wishes to review the ruling further after discussing it with the school, he has a right to a fair hearing. This can be done by making a request either orally or in writing to Cullman County Schools Child Nutrition whose address is P O Box 1590, Cullman, AL 35056.

Hearing procedures are outlined in the free and reduced-price meal policy.

If a household member becomes unemployed or if the household size changes, the household should contact the school to file a new application. Such changes may make the children of the household eligible for free or reduced-price meals if the household income falls at or below the level shown above.

A complete copy of the Policy is on file in each school and in the office of the Superintendent of Cullman County Schools where it may be reviewed by any interested party.

All questions on the free and reduced-price application must be completed. Failure to include information on household members, income or SNAP (Food Stamp) case number, information on social security, and the signature of an adult household member will result in the denial of benefits.

I MUST ASK FOR HELP/CHARITY

My home has several roof leaks. Most of my roof is covered with tarps, but they won't last long in the summer heat. I was able to borrow enough money, with the aid of Lowes Veterans discount to buy shingles but not the felt, nails and some lumber needed. I cannot borrow any more and if I could, I couldn't make the payment. The Lowe's roofing contractor says I would need several thousand to pay for removal and disposal of old shingles, as the roof has multiple layers, and putting on new shingles. Please help if you can. My heart-felt thanks. Lonnie Coffman, 19 Bellsprings Cr. Falkville, AL 35622. Cell 256-620-5447. Terrible cell signal. Spouse 256-339-9437, separated.

Multiple myeloma is a form of blood cancer that arises from plasma cells, a type of white blood cell, found in bone marrow. According to the National Cancer Institute, approximately 21,700 Americans are diagnosed with multiple myeloma and 10,710 die from the disease annually. Primarily affecting older adults, multiple myeloma causes plasma cells to rapidly multiply and crowd out other healthy blood cells from the bone marrow. When the bone marrow has too many plasma cells, the cells may move to other parts of the body, which can weaken the body's immune system, lead to anemia and cause other bone and kidney problems.

In a National Institutes of Health supported clinical trial comparing three drugs for diabetic macular edema (DME), Eylea (afibercept) provided greater visual improvement, on average, than did Avastin (bevacizumab) or Lucentis (ranibizumab) when vision was 20/50 or worse at the start of the trial. However, the three drugs resulted in similar average improvement when starting vision was 20/40 to 20/32. Investigators found no major differences in the safety of the three drugs. The results were published in the New England Journal of Medicine. DME can occur in people with diabetic retinopathy, a type of diabetic eye disease that can cause the growth of abnormal blood vessels in the retina. The macula is the area of the retina used when looking straight ahead, for tasks such as reading, driving, and watching television. Macular edema, or swelling, occurs when fluid leaks from retinal blood vessels and accumulates in the macula, distorting vision. Macular edema can arise during any stage of diabetic retinopathy and is the most common cause of diabetes-related vision loss. About 7.7 million Americans have diabetic retinopathy. Of these, about 750,000 have DME.

Christ was manifested to destroy (sin) the devil's works (1Jn 3:8-10), the reason He said sin no more (Jn 5:14, 8:11) and He is The Truth (Jn 14:6)! There are over 43,000 Christian denominations that do not agree with Him, yet perfect in their own eyes, who claim to believe in Christ, call Him Lord, yet not hear Him (Acts 3:23)! Many churches want your tithing, then teach you not to hear Christ's Words (Mt 5:17-19,7:21-23). Are they Satan's ministers (2Cor 11:13-15)? They teach not to hear Moses and he wrote of the Truth (Jn 5:46-47). Pagan festivals of Sunday -- Sun's Day, Monday -- Moon's Day, Tuesday -- Tiu's Day, Wednesday -- Woden's Day, Thursday -- Thor's Day, Friday -- Freya's Day, Saturday -- Saturn's Day, substituted the Biblical Festivals (the great apostasy) and hidden from the eyes of many even by death. Julius Caesar in 46 B.C. (a Roman) gave a solar calendar, days named after his gods, in 1582 Pope Gregory the 13th, changed Caesar's calendar by 10 days but Sundays and Saturdays were kept as the 1st and 7th day of the week (to appear Biblical).

Great Entertainment at Morningside of Cullman

The "Revelations" entertained our residents and visitors Wednesday July 15. On July 16th Ms. Senior Alabama 2008, Edwina Chappell and three ladies competing for this year's title sang and played the piano for us. We have enjoyed a special program by Sharon from the Cullman Library, Wolfgang who had a beautiful voice accompany him on several songs. We also enjoyed "Head-N-Home Gospel Singers, "Bound 4 Heaven 2", "Firehouse Few" and our on "Morningside Trio".

It's been three years since I heard you whisper "Come Lord Jesus". He heard you and sent his angels to take you home.

You are pain free forever more.

I miss you more than words could ever say. We will be together again one day.

I love you and miss you so very much.
Love, Joanne

WEEKLY ADVERTISED SPECIALS:
Special lower prices on selected items advertised Weekly, to every trade area household, (direct mail delivered), in The Community Shopper's Guide.

BLUE TAG SPECIALS:
We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.

NO LIMITS:
Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.
