United Way Opens Funding Applications To Local Non-Profits

Allocations applications for the United Way of Cullman County are now available for pick up and will be due by June 25 to be considered for the April 2016 – March 2017 funding cycle. All applicants will attend an Allocations Hearing allowing them a chance to tell the story of their non-profit and explain their request for funding. A committee made up of several United Way Board of Directors will host the hearings with acceptance approval from the full board.

“The Board considers a lot of different factors when determining how to allocate our funds,” said Sammie Danford, Executive Director of United Way Cullman County. “We take great pride knowing that our donor's dollars are making a difference in Cullman County and that can be attributed to the diligent efforts of our board during the allocations process.”

When applying for funding, each non-profit has to present their 990 and the prior year history. Once approved, each Director is required to turn in a quarterly report stating how the funding was used and how many clients were served. United Way holds each agency accountable and therefore ensures safe-giving for its' donors.

“If an agency ever changes a program that we fund, they are required to let us know,” Danford explained. “From there, the Board determines if their current status still falls under the funding guidelines. We take many steps to ensure that when businesses and individuals choose to donate to United Way, their money is making it to the clients in need.”

The agencies that currently receive funding from United Way include: 4-H Clubs of Cullman County, Commission on Aging, Cullman Caring for Kids, Cullman County Center for the Developmentally Disabled, Daystar House, Easter Seals, First Call for Help, Foster Grandparents & Senior Companion Program, Girl Scouts, Good Samaritan Health Clinic, Hospice of Cullman County, Pilot Light House, Victim Services, & Youth Advocate Program.

Applications can be picked up at United Way, located in the old Train Depot at 304 1st Avenue NE. You can also request an emailed version by calling 256-739-2948.

When I Must Leave You

When I must leave you for a little while - Please do not grieve and shed wild tears. And hug your sorrow to you through the years.

*But start out bravely with a gallant smile;
And for my sake and in my name Live on and do all things the same
Feed not your loneliness on empty days, But fill each waking hour in useful ways. Reach out your hand in comfort and in cheer. And I in turn will comfort you and hold you near.*

*And never, never be afraid to die.
For I am waiting for you in the sky!*

The opioid pain-reliever tramadol appears to be associated with an increased risk of hospitalization for hypoglycemia, a potentially fatal condition caused by low blood sugar, according to a report published online by JAMA Internal Medicine.

The preventive effect of breast cancer drug 'tamoxifen' remains virtually constant for at least 20 years-with rates reduced by around 30 per cent- new analysis published in The Lancet Oncology reveals.

Researchers have shown how a topical steroid cream, ELOCON (mometasone furoate) Cream, frequently used to treat common skin conditions, can be used to improve dermatitis in cancer patients. Radiotherapy used X-rays to destroy cancer cells but this can often lead to a severe skin reaction involving redness, pain and blistering similar to sunburn. Mometasone furoate is a synthetic corticosteroid with anti-inflammatory activity.

A patient who had suffered a traumatic brain injury unexpectedly recovered full consciousness after the administration of midazolam, a mild depressant drug. This resulted in the first recorded case of an 'awakening' from a minimally-conscious state using this therapy. Although similar awakenings have been reported using other drugs, this dramatic result was unanticipated. It is reported in Restorative Neurology and Neuroscience.

The denomination that wants you to pray to the queen of heaven and earth today is of the beast that Dan 7:25 speaks of (555-537 B.C.), was given to think to change times and laws nullifying The Sabbath and Feast Days and gave Sunday to keep holy (Baal). This doctrine was forced on the people until it became in their sight as Christ given. The Reformation movement in the 16th century established Protestantism, but the beast's doctrines of paganism was kept! In 587 B.C. the prophet Jeremiah spake against the people who burned incense to the queen (god) of heaven (Jer 7:18, 44:17-30), praying to her is bowing to her! The mother goddess, the queen of heaven was thought to be the wife of Baal, with names of Ashtoreth, Astarte, Ishtar and even Mary. In 325 A.D. Eostre became as Easter, also she is called mother nature. (Mt 24:4,5,11, Mk 13:5-6)
